FOR HOOVER

I am ready to stand up now and be counted for Herbert Hoover, if for no other reason than the fact that it is economically to the best interests of America that Herbert Hoover remain as President of the United States. I consider the economic recovery of this country the principal issue of the campaign.

I believe: the gentlemen associated with the economic rehabilitation program of the Republican party, because of their superior resources and superior experiences, to be in a better position to sooner bring us to economic recovery than the gentlemen associated with the Democratic program.

I believe: the experiences of the Republican organization thus far garnered in fighting our economic ills to be the type of experience that it would be foolhardy to pitch aside for some untried group to start in on a program of experimentation.

I believe: that Herbert Hoover, with his years of experience in two former cabinets, and in the presidency; as a mining engineer in the various countries of the world, and as food administrator during the World War, is unusually fitted for the position of leadership through this crisis; certainly the thirty-six universities of the world that conferred degrees upon him were not all wrong.

I believe: that if Herbert Hoover were not now in the presidency, he would be the one person to whom all America would turn to bring us out of this depression.

I believe: that the present Republican administration is making progress toward economic recovery. I don't believe that a less astute group of leaders could have made similar progress.—I believe the Democrats to be less astute.

I believe: the depression to be world wide, the President nor the Republican party is in no wise responsible. They certainly aren't responsible for the depression in Germany, England, Japan, Italy, and other foreign countries. America is less hard hit than any of the other countries of the world, and I believe the brilliant management of the Republican administration to be largely responsible for our being less hard hit.

I believe: that in view of the economic state of the country and the progress that is being made toward the solution of the problem, it would be unwise to abandon the present upward trend and await the almost two years time that would necessarily have to elapse before the Democratic program could begin.

I believe: the president is right in his bobus stand, and that the majority of the American people agree with him.

I live in an agricultural country, the success of my neighbors will largely influence my success.

I believe: the Republican program of tariff and rehabilitation of agriculture is superior to anything the Democratic nominee has suggested as a remedy for distressed agriculture.

I refuse to make my political alignments this time purely as a Negro, I insist on making them first as an American citizen, but were I to make them as a Negro only, the result would be the same, for in spite of the short-comings of the Republican Party, I believe

Nation's Chief Executive to be Honored by Iowa

President Hoover will speak at the Coliseum October 4th, it was announced today by H. E. Spangler, Republican National Committeeman upon his return from Washington, D. C., where he has been completing arrangements for Iowa's Homecoming for its native son.

The change of locations from the Iowa State Fair grounds as previously announced was made because of uncertain weather conditions at this season of the year and to obtain more efficient broadcasting facilities. President Hoover will speak at 7:30 P. M. over two national radio chains.

"In order that everyone may see and hear the President his address will be carried by remote control amplifiers to the Shrine auditorium, the Plaza of the state capitol and perhaps other places in Des Moines," Mr. Spangler said.

"Immediately after the address the President and Mrs. Hoover will be taken to the Shrine auditorium and then to the Plaza of the capitol where they will be introduced and welcomed

lieve it to be more friendly to Negroes than the Democratic party. I am "not" satisfied with the political recognition that the President or the Republican party is giving Negroes, but I think they have given more recognition than the Democrats would have given under similar circumstances.

I am distressed: that Republican administrations have repeatedly failed though they have attempted to pass anti-lynching legislation; the Democrats never would have attempted to pass it. It never would have arisen for discussion under their leadership.

I am dissatisfied: with the rules of the civil service, which, by the picture method, make it next to impossible for me and my kind to have an equal chance for civil service employment. I am convinced that my chances to change these rules are better under the Republicans than they would be under the Democrats.

I contend: that the President's political program of lily-whitism in the south is subject to debate. It's a cinch if the Democrats were in command, there wouldn't be any debate about it—Negroes would just be out and that would be that.

I am "not" pleased: with the President's nomination of Judge Parker to the supreme bench. However, I can understand the desire of the southern leaders for the political support they gave him during his first campaign.

I consider it inexcusable: that the Government would send Negro gold star mothers to Europe in less palatial boats than those provided for the white gold star mothers; the

Stephens Appoints Aids for Campaign

Several days ago we announced that Homer S. Stephens, chairman State Republican Central committee, had appointed A. A. Alexander, chairman, Mrs. S. Joe Brown, vice president, James B. Morris, secretary and publicity director, Rev. Ben J. Lucas, representative of the National Committee to head the work of the Negro Voters division. Headquarters have been established at 515 Insurance Exchange building as part of the general office and preliminary plans are being made

by those who assemble there," he stated. The Shrine auditorium will be open to the general public.

When the train bearing the President's party arrives in Des Moines, it will be met by an escort and conducted through the business district giving thousands an opportunity to greet the nation's chief.

"Admittance to the Coliseum will be by ticket only, Mr. Spangler stated. The tickets will be distributed by the Republican State Central committee and will be allotted to the party chairman of each county in the proportion which the population bears to the population of Iowa.

3 Negroes Maryland Grand Jury

Baltimore (CNS)—For the first time in the history of Baltimore County, three Negroes are sitting as jurors on the grand jury of the Circuit Court, which opened its September term at Towson Court House, Saturday, September 19. The men are Dr. Joseph H. Thomas of Sparrows Point, David T. Gwynn of Towson, and Carlton Lumpkin of Towson.

The placing of Negroes names in the box from which the names of jurors were drawn changes a practice which has been in Baltimore County for more than 20 years of drawing, no names of Negroes having been in the venire from which the panel for duty on either grand or petit juries were drawn. The change grows out of the decision of the Court of Appeals handed down in the Euel Lee case, through the efforts of attorneys of the International Labor Defense.

Syracuse Grid Team Honors Mills Brothers

Syracuse, N. Y., Sept. 29.—The four Mills brothers, famous radio stars, who are appearing at the Paramount theater this week, were guests of the Syracuse university football squad at its training table at Sims hall Monday night. The artists entertained the grid players with several songs.

Government is in the hands of the Republicans. I can still recall nothing in history that convinces me that the Democrats, were they in control, would have made better arrangements.

There are numerous other issues that space here will not permit discussing. Suffice it to say, placing the Democrats in one scale and the Republicans in another, the better selection for Americans is the Republican party.

to conduct an extensive campaign. A. A. Alexander has announced that a Negro man and woman will be named from each county to cooperate with the county chairman; at least one each will be made in communities where a fair sized group of Negroes live and close contact will be made with the voters in order to educate them on the program of the Republican Party.

Plans are being made to bring some outstanding Negro speaker into the state within the next few weeks.

John Mayweather, D.M. Pioneer, Dies

John Mayweather, 1086 14th street, died Wednesday evening about eleven o'clock after an illness with stomach trouble of about four months duration. He was one of Des Moines' oldest and respected citizens, having come to this city more than fifty years ago from Charlotteville va., and served as coachman and houseman in the home of E. C. Finkbine for a number of years.

During the past six years he has been houseman in the residence of Carl Weeks where he will be missed almost as much as though he were a member of the family.

He is survived by a widow, Mrs. Emma Mayweather of this city, son Spencer Mayweather of Kansas City, Mo., daughter, Mrs. Mary Jane Yeager of St. Paul, Minn., and sister, Mrs. Mary Blakey Brown of this city.

Funeral services will be held Saturday afternoon at 2 o'clock from St. Paul A. M. E. Church of which the deceased had been an active member for about forty-five years.

30 Negroes On Government Dam

New York.—Report from Las Vegas, Nevada, to the N. A. A. C. P. shows that only 30 Negroes are being employed on the Hoover Dam project, out of a total working force not far short of 4000 men, with a daily payroll of about \$20,000.

A letter received from a colored man by the N. A. A. C. P. states: "I have been living in this town (Las Vegas) for 12 months trying to get work on the Hoover Dam. I have had my application entered since June. And have failed to get employed. I asked the labor agent how wason did he think he would be hiring some more colored labor. His reply was if more of those already employed did not quit or get discharged there wasn't any chance."

FORD ARRESTED AGAIN IN LOS ANGELES

New York City (CNS)—James W. Ford, Communist candidate for the vice presidency, was arrested in Los Angeles last week while making a speech in connection with his campaign tour. A letter of protest was sent to Mayor John C. Porter of Los Angeles by the Committee for Defense of Political Prisoners, in which the organization stated that is considered "the arrest and beating of a man because his beliefs are hated or feared by powers that be was the accepted practice in the inquisitional Spain and czarist Russia, and is a practice which we will not permit to go unchallenged in this country."

CHICAGO WOMEN WIN PRIZES IN WANAMAKER CONTEST FOR NEGRO COMPOSERS

Chicago.—The \$1000 in cash prizes given annually by the famous Rodman Wanamaker Musical Compositions Contest for Negro composers, has been awarded this year to two Chicago women, Florence B. Price and Margaret Allison Bond. Miss Price has competed in previous contests receiving honorable mention in 1931. Her entries in the 1932 Contest placed her in the lead in Class IV and Class II and also give her honorable mention in these classes as well.

This contest has attracted national attention, and contestants from every part of the United States have taken part. Hundreds of manuscripts were submitted and prominent musicians feel that the Contests thus far have done much to gain recognition for Negro composers, and to stimulate interest in their work.

4-H Club Girl Speaks to Nation

Washington (CNS)—Living in the heart of the Mississippi hill country, 20 miles from the nearest railroad, Ozie Bell Garrett, sixteen year old 4-H Club girl of Farmhaven, Madison County, winner of the contest among 4-H club members in South Central States, earned \$1211.11 during the past four years in canning and poultry projects, a part of her club activity.

Speaking over a nation-wide hookup on the Lang Grant College program of the National Farm and Home Hour of the United States Department of Agriculture Wednesday afternoon, September 21, Miss Garrett, who won a trip to Washington and here placed on the radio program because of being selected as the best all-around club member in seven states, described the activities of the clubs in her state and community.

Democrats Seek to Round Up the Negro Vote

NEGROES ORGANIZE DEMOCRATIC NATIONAL COMMITTEE

New York.—Clubs and associations of Negro voters declaring for Governor Roosevelt, have been combined in the National Colored Citizens Roosevelt-for-President-Committee. Included in the personnel of this committee are recognized leaders of the race who of their own initiative have undertaken to organize the Negro citizens into an active, efficient political unit. Among them are prelates, principals of schools, owners and editors of newspapers, lawyers, doctors, and business men, representing every branch of industry.

Am. Legion Election Postponed

On account of the members of Lincoln Post having been called upon to serve as ushers at the meeting being held in honor of President Herbert Hoover on Tuesday evening Oct. 4th, the regular meeting and election of officers of the Post has been postponed one week and will be held on Tuesday, Oct. 11th. By order of S. Joe Brown, Commander.

Haiti Rejects U.S. Treaty

Action Comes Surprise to Government Washington, D. C., Sept. 30.—Action of the Haitian legislature in rejecting the treaty of friendship between the United States and Haiti was a surprise to state department officials at Washington, it was learned here Monday.

The treaty provided for replacement of American officers now serving with the Garde d'Haiti so that by Dec. 31, 1934, it will be completely commanded by Haitian officers and, American marines could be withdrawn from Haitian territory. The treaty also provided that until the total retirement or refunding of all bonds issued in accordance with the protocol of Oct. 3, 1919, an American fiscal representative, appointed by the president of Haiti upon the nomination of the president of the United States, would have complete charge of all Haitian financial affairs.

Special Investigator Tells of Camp Conditions

Washington—The War Department has failed in an attempt to hush up testimony concerning the treatment on a peonage and slavery basis of Negroes working in the Mississippi River Flood control camps.

Brigadier General G. B. Pillsbury who yesterday heard Miss Helen Boardman, investigator for the N. A. A. C. P. who made the charges, excluded the press from the hearing. But Miss Boardman, accompanied by Walter White, N. A. A. C. P. secretary, handed out a release prepared in New York containing the essential points in her testimony and this release has swept the press of the country.

"Miss Boardman thoroughly out-missary store robbery, brutality and lined the system of terrorism, exploitation which prevails in the camps and stated on the authority of an officer of the American Federation of Labor that where Negroes are now worked 12 hours a day for 10 cents an hour less, the wages a few years ago for this levee work were 60 cents an hour for an eight hour day."

Mr. White urged all colored citizens of the country to join with the N. A. A. C. P. in demanding of all senators that they support the resolution which Senator Robert F. Wagner of New York has promised to introduce, calling for a senatorial probe of the conditions alleged.

Newspaper Man Is Held in Big Counterfeit Ring

Houston, Tex., Sept. 30.—Charged with being a member of a huge counterfeiting ring which had been printing spurious travelers checks here and over an area of 10 states, George H. Webster, formerly general manager of the Webster Publishing company, which publishes the Houston Informer, a weekly paper, was arrested and is being confined in the county jail.

Webster, who is alleged to have confessed his part in the big swindling game, turned over to police an engraved plate which he said he used in making the checks. Operatives of the William J. Burns Detective Agency, aided by Texas Rangers and members of the sheriff's department, arrested Webster, along with eight other men, all of whom are white, in connection with the printing and distribution of the counterfeit checks.

TROOP 59 IN SCOUT MEET

The annual Jamboree was held Saturday, Sept. 24th at the Des Moines University Campus. Troop 59 was represented with the following boys who took part in its events: Braddie Morris, Redman Kelso, Arthur Clay, Bobby Hyde, Guy Smith, Osborn Lewis, Alvin Ward, Sandy Hughes, Kermit Wilson. The troop won a red ribbon with a score of 856 points. December 15th, will soon be here. Every boy 12 years of age can join. Please see to it that you register for the new year. Help us put over the Scouting program. Sam Walker, Scoutmaster.

Bulgaria Bars Scottsboro Mother

Belgrade, Yugoslavia (CNS)—The Bulgarian government last week expelled Mrs. Ada Wright, mother of two of the Scottsboro boys, Roy and Andy Wright, to leave the country. The official reason given was the increase of communist activity after her arrival in the country. Mrs. Wright, who with J. Louis Engdahl, white, has been touring Europe in the interest of the Scottsboro boys, has previously been expelled from Ireland, England, Belgium, Austria, Germany and Holland where she had attempted to stir up interest in an international protest against the verdict given in the so-called Scottsboro case.

MYSTERY WOMAN CLAIMS WEALTHY BROKER'S ESTATE

Tarrytown, N. Y., Sept. 30.—Exclusive Tarrytown, old Dutch seat of patriots, and home of the Rockefeller, has all amazed this week over the claims that the late Carl C. Loh, wealthy real estate broker, owner of an exclusive subdivision and a pillar of church and society, was not white, but was a member of the colored race.

The wife of a poor colored farmer of Hyde Park, who declared she is his sister, will go into Surrogate's court in White Plains soon to claim a share of his \$175,000 estate. Her efforts will be opposed by Miss Sarah H. Elliott (white), Loh's secretary for 22 years, to whom he left the bulk of his property before his death in Tarrytown three months ago.

The plea of the supposed sister, Mrs. Rosetta Carter Perdue, as disclosed Saturday by Frank J. Lamb, her attorney, will be based on a contention that Loh masqueraded for 25 years under a false name and false pretenses.

His real name, she says, was Howell Cobb Carter, and he was the son of a white mother and a father, who was half-Indian and half Negro.

In his will, which contained bequests to a church, Y. M. C. A., fire department and three-score friends in all parts of the United States, he left \$5,000 each to Mary F. Carter and Daisy A. Carter, both of Cacon, Ga.

SISSLE FILES PETITION FOR BANKRUPTCY

New York, Sept. 29.—Noble E. Sissle, the orchestra leader, whose name has usually meant news in Europe and in America since he and Eubie Blake wrote and starred in "Shuffle Along", first of great music comedies now living at 201 W. 115th St., filed a petition for bankruptcy Tuesday. He admitted liabilities of \$13,036 and his assets as his wearing apparel and \$200 worth of furniture—and 200 pieces of orchestration which he says are valuable.

The announcement of the news in the public press drew much interest from the acquaintances of the gentlemanly and popular band leader. At present his "Les Ambassadeurs" organization are at the roof of the swank Paris Central hotel downtown.

KANSAS CITY BALL CLUB TO TOUR THE CITIES OF MEXICO

Mexico City, Sept. 29.—The Kansas City Monarchs, winners in every series played this season except those with Cole's American Giants of Chicago, and boasting a record of 42 consecutive victories, will come here next month for a series of games.

GOOD ADVICE

HEALTH TALKS

By Dr. R. H. London

MEASLES

Measles is a disease which affects the upper part of the breathing apparatus and the skin. It never occurs without a fever and the fever is usually of a nature which gives concern. It is known to be one of the most contagious diseases affecting mankind and the peculiarity is that it is most contagious before the skin eruption comes out. It is sometimes a difficult matter to say that measles is in existence in a patient before this skin eruption appears and many times the child is thought to have nothing more than a "feverish cold". In one who is taking Measles there is a period of from nine to eighteen days when no disturbance at all is present which means that after taking the germ from one who has the disease there is this length of time, this nine to eighteen day interval when the person feels nothing out of the ordinary and as a matter of fact feels all right. This length of time puts us in doubt sometimes about when and where the disease was contracted. Measles is a disease of childhood principally although it does occur in grown-ups.

A person who has had one attack of this disease will usually not take it again when he or she comes in contact with it. Sometimes this does occur, that is one who has once had Measles will occasionally take it again but this is rare. Sometimes relapses occur and one who is just about ill will show the disease again with all of the previous symptoms and phases. This disease is not in itself serious but it should be treated early and properly because of the serious consequences which may result from thinking that it will soon be all right. The Pneumonia which follows it or occurs before the measles is gone is a very serious condition and the heart needs attention during the whole course of the disease.

group of most rabid Negro haters who ever entered that body. The Des Moines Tribune says he was a great statesman. Maybe so. But this class of statesmen are disappearing and it is distinctly to the advantage of America that we do not have another crop of them.

MRS. T. L. GRIFFITHS DIES IN CALIFORNIA

Word has been received of the death of Mrs. T. L. Griffiths, wife of Rev. Griffiths, former pastor of Corinthian and Union Baptist churches and former residents here in Des Moines. Mrs. Griffiths passed away at her home in Los Angeles, California, early Saturday morning, following a brief illness.

Rev. Griffiths was on a vacation trip to Iowa when he was notified of her death. He was scheduled to speak in the city soon. He chartered a plane from Albia, Iowa; funeral services were held for his wife on Wednesday, September 21st.

Labor Defense in Scottsboro Campaign

New York—A national campaign of mass demand for the Scottsboro boys' freedom is being carried on by the L. L. D. This case will be the central issue before the organization's national convention in Cleveland, October 8 and 9, to which representatives of all national and regional Negro organizations have been invited to send delegates.

A national campaign to raise \$4,000 in addition to the \$18,000 already spent on the case, to meet the costs of the appeal to the U. S. Supreme Court and insure that the legal steps necessary are taken, is being waged by the International Labor Defense. It will reach its high point in national tag-days, October 1 and 2.

New York—Hearing in Washington

of the investigator for the N. A. A. C. P. who charged beating of Negroes, underpayment, twelve hours work seven days a week, and robbery by commissary stores on the Mississippi Flood Control project under the War Department's contract system, has been offered in a letter to the N. A. A. C. P. from F. H. Payne, acting Secretary of War.

Mr. Payne's letter is in reply to one from Walter White, Secretary of the N. A. A. C. P. declining to send any person connected with the Association to the War Department's hearing in Vicksburg, Mississippi, on the

ground that frank testimony would be impossible in the atmosphere of prejudice and racial hatred prevalent there. The N. A. A. C. P. offered to produce its investigator in New York or Washington, at the War Department's request.

CHICAGO YOUTH FIRST IN N. R. C. AUDITION

Chicago.—Maurice Cooper was adjudged winner of first prize in the National Broadcasting System's quest audition held at the Palace theater, Chicago, Thursday evening. As a result of his success, Cooper will be given a berth over the chain hook-up at a salary close to five figures. Others in the group were finalists who survived from a list of more than 2,000. The Chicago Daily News and R-K-O vaudeville circuit assisted in the contest to find outstanding radio talent.

Amsterdam—On the opening day

of the World Anti-War Congress, August 27, before 2,200 delegates from almost every country in the world, Mrs. Ada Wright, mother of two of the Scottsboro boys, spoke on behalf of the nine innocent Negro boys and the International Labor Defense, of which she was a delegate. Mrs. Wright was last week expelled from Czechoslovakia for presenting the Scottsboro case to the workers there; will return to the United States some time this month, it was announced by the International Labor Defense.

The Scottsboro case comes up for review by the U. S. Supreme Court on October 10th. If the decision of that court is adverse, the I. L. D. will have carried the case to the last court of legal appeal in the country.

Earl Hines and Jenerators Thrill Crowd

By Everett Wadsworth

Over one thousand gay dancers were enraptured at the hot syncopation and pulsating rhythm as was dispensed by the great Earl Hines and his Grand Terrace band of Chicago who played in a grand battle of music with Jerry Hayes and his Joy Jenerators at the Barn last Monday evening. The largest crowd in history turned out to hear these crack dance bands.

Miss Geneva Washington, blues singer, formerly of Rhapsody in Black, delighted her admirers of jungle tunes and high class indigo offerings.

The big time band from the Windy City was pleasing with the hot tunes and late arrangements with the master of the keyboard coming in for a great share of honors. His masterpiece, "Deep Forest" proved very effective. The Jenerators satisfied the dancers with their own style of modern playing with very novel arrangements in the program.

New York—Complaint transmitted by the N. A. A. C. P. to Judge John Barton Payne, chairman of the Red Cross, that Negroes were being required to work in return for relief four given them, in violation of the law, has brought a warning from him to the Florida-Red Cross that this practice must cease.

The greatest industry in the state started its wheels in motion several days ago. Thousands of children went back to school with Miss Agnes Samuelson, State Superintendent of Public Instruction, at the head of its vast public school system.

Miss Samuelson has proven herself the master of the situation in handling the responsibility of training boys and girls; under her guidance Iowa leads the nation in literacy. Her ideas have been copied the world over and classed as second to none.

The Negro children have benefited under the administration of Miss Samuelson. Broadminded in her views, she has recognized the Negro as part of the community and have given much of her time toward its improvement in Des Moines and vicinities.

Miss Samuelson has spent her personal funds to develop mining camp districts when local school boards were somewhat hesitant about appropriating funds for Negroes because of parents being unable to buy books and other essentials.

She has placed books and periodicals in the girl's home at Iowa City, Crocker St. Y. M. C. A. in the city and other colored groups. Many colored students are attending college with their entire expense paid through the generosity of Miss Samuelson.

To Visit Principal Western Cities Chicago.—Determined to do his bit to aid in the re-election of President Hoover, Hon. Oscar DePriest, United States congressman from the First Illinois congressional district, left the city this week on a speaking tour which will take him to leading cities of the West and Middle West.

CULLEN JOINS IN SUPPORT OF COMMUNIST TICKET New York, N. Y.—Countess Cullen, one of America's outstanding Negro writers and author of "Copper Sun," "Ballad of the Brown Girl," "Color," etc., etc., announced today that he will support the Communist Party and its candidates, Wm. Z. Foster and James W. Ford in the national elections.

CONVALESCENT DOG NEEDS EXTRA CARE

"Yes, the operation was successful, but unfortunately the patient died." Too often a person on the very threshold of recovery from a dangerous illness will suffer a "relapse" which proves fatal.

The reason is that a dog's inherent grit and fighting spirit may be mistaken for strength, explains the Chappel Kennel Foundation.

Much chronic stomach trouble in canines, especially that which follows distemper, is caused by a too hasty return to heavy diet.
