THE BLACK BARONS

The Barons journeyed to Ottumwa Sunday and met the Millard Transfer Co. team, playing ten men, the home team and Jackson. Although the Great One did wear a Des Moines uniform, the boys lost 3-4. They had the game well in hand leading 3-2 up till the eighth inning. Then this Jackson guy, who had trouble all day with pink elephants, was suddenly stormed by the critics. When he finally got the unruly varmints out of his eyesight the home lads had scored six runs. The Barons got one more in the ninth, making the final score, 8-4.

The Barons play Daniels Bros. at the league park Sunday. Last time all the Negro ball fans in the city turned out and saw two well played games, and there is no reason why they shouldn't see the same thing again, whether the boys win or lose. Then, maybe we might see Jackson demonstrate the latest methods of grappling with pink elephants. That alone will be worth the price of admission.

Then the Burns infield tried to keep the ball out of play by sitting on it and when things finally got right Maple Street had scored seven runs. After that Johnny got warm and did all right, but it was too late.

At the annual convention of the Northwestern Union of Dentistry here on June 15, Dr. Dixon, of the College of Dental Surgery, received the Master of Dental Science award for his work in dental pathology. Dr. Dixon's thesis, "Changes in Pulp and Dentin in the Pathology of Teeth," was one of the most original and important contributions made to the science of dentistry in the past few years. It was made up of 25, 30 and 180 day time teeth with fillings or with unfilled teeth were extracted, prepared microscopically and pathologically.

Dr. Dixon graduated from the College of Dental Surgery in the autumn of the year 1907. He went to Howard University in Washington, D. C., where he was instructor in Operative Dentistry. During the summer of 1911 he was in the dental school at the University of Illinois. He has continued his studies in the dental profession and in the autumn of 1928 he was Acting Dean of the College of Dental Surgery. HONORS ARE GIVEN TO PASTORS

Wilberforce Is Scene of Big Meeting of A.M.E. Leaders

MANY PRESENT

WILBERFORCE, Ohio, June 16.—(Special)—Special honors were conferred upon ministers of the African Methodist Episcopal church here this week upon members of the denomination in Georgia as the Connectional Council of the A. M. E. church, consisting of the General Officers, ministers, and qualified laymen, held their sessions in connection with the Bishop's Council at historic Wilberforce, Ohio.

The largest number of ministers and prominent laymen, over 200, attended a meeting of this kind registered their membership and many important matters were considered during the course of the meeting.

Dr. C. A. Wingfield, presiding elder of the Marietta district of the A. M. E. Church in Georgia, who is considered one of the most active ministers in church activities in the southern states, was elected secretary of this great body.

This honor is a signal honor to Dr. Wingfield, a native of the State of Georgia. Dr. Wingfield, it will be remembered, is a frequent contributor to the columns of the Atlanta Daily World.

Other honors came to the State of Georgia in the person of Dr. D. T. Babcock, pastor of the St. Paul A. M. E. Church, Atlanta, one of the aggressive young ministers of the "Cracker State," to the post of vice president and the selection of Rev. H. J. Jefferson, pastor of the Allen Temple A. M. E. Church, Atlanta, to the post of chaplain.

The Connectional Council is considered the "clearing house" of the A. M. E. Church. Few laws can be made at the General Conference which have not been first considered by the Connectional Council.

At the meeting this year, the council went on record as petitioning the Bishops' Council to see that the laws passed at the General Conference touching the merging of the A. M. E. colleges and universities and the two missionary societies be carried out, as the other irregularities of the church be discontinued.

It will be remembered that Dr. John B. Hawkins, Ira T. Bryant, the Hon. J. C. Conner, former Recorder of Deeds, and other national characters, are active members of this council along with the presidents of the colleges and universities.

An outstanding feature of the sessions was the adoption of a resolution declaring the African Methodist Episcopal Church to be strongly opposed to all attempts to repeal the 15th amendment of the United States Constitution. Those present expressed themselves as being in favor of retaining the present prohibition laws as outlined under that section of the Constitution.

Several Georgia ministers, Rev. J. L. Butler, Savannah, Dr. C. S. Williams, pastor of Big Bethel, Atlanta, Dr. R. J. Jefferson, Atlanta, candidate for the post of Allen Christian Endeavor League work, and Dr. J. A. Hadley, Atlanta, were named for episcopal honors along with Rev. C. S. Long, Florida and Dr. R. R. Wright, of Wilberforce.

Bishop W. D. Johnson, Plains, Ga., will probably be in charge of the work of the Oklahoma and California districts due to the illness of Bishop H. B. Parks, senior Bishop of the denomination. Other bishops absent were: Bishops G. A. Grant of the Alabama diocese, Bishop David H. Sims of Africa, and Bishop H. B. Parks of Chicago.

ABYSSINIAN PRINCE DESCRIBES AMERICAN NEGROES AS ILLITERATE

MEMPHIS, Tenn.—Prince J. E. Blayeshcheta, one of the princes of Abyssinia, who is touring the world in a motor car, has been in Memphis for the past six months. He is 73 years of age, sprightly, and speaks eight languages. He speaks English clearly, with a dash of the Oxford accent. He studied at Oxford university, England.

At the meeting this year, the council went on record as petitioning the Bishops' Council to see that the laws passed at the General Conference touching the merging of the A. M. E. colleges and universities and the two missionary societies be carried out, as the other irregularities of the church be discontinued.

It will be remembered that Dr. John B. Hawkins, Ira T. Bryant, the Hon. J. C. Conner, former Recorder of Deeds, and other national characters, are active members of this council along with the presidents of the colleges and universities.

An outstanding feature of the sessions was the adoption of a resolution declaring the African Methodist Episcopal Church to be strongly opposed to all attempts to repeal the 15th amendment of the United States Constitution. Those present expressed themselves as being in favor of retaining the present prohibition laws as outlined under that section of the Constitution.

Several Georgia ministers, Rev. J. L. Butler, Savannah, Dr. C. S. Williams, pastor of Big Bethel, Atlanta, Dr. R. J. Jefferson, Atlanta, candidate for the post of Allen Christian Endeavor League work, and Dr. J. A. Hadley, Atlanta, were named for episcopal honors along with Rev. C. S. Long, Florida and Dr. R. R. Wright, of Wilberforce.

NEW PASTOR REFUSED BY N.Y. CHURCH

Harlem's Bethel A.M.E. Members Ask for Old Minister

POLICE PRESENT

NEW YORK, June 10.—Bethel A.M.E. church refused to accept its new pastor, the Rev. Dr. C. P. Cole, who is to take over the church Sunday morning, June 11. The members had petitioned the Rt. Rev. Wm. H. Head, bishop of the district, to return pastor to the Rev. Dr. E. A. Clark, but over their protest he was transferred to the New England Conference and Rev. Cole of Jamaica, L. I., appointed in his stead.

Anticipating trouble, Attorney Peter B. Bluffs, who was alleged to have been acting for the bishop, brought in a police sergeant and several patrolmen. But the patrolmen made no arrests as the congregation adopted a policy of passive resistance. The entire morning service was given over to a song service. The choir sang for two hours. When Presiding Elder, Rev. Dr. S. H. V. Gumbus attempted to make a statement, the singing drowned his voice out. And when Rev. Cole arose, the congregation sang so loudly, he could not talk and finally joined in the singing and clapped his hands as he marched up and down the pulpit.

The charge has been openly made that Bishop Head transferred Dr. Clark as an act of revenge against the late Bishop Jones, who had been the first Episcopal District pastor in 1928. Dr. Clark is a distant relative of the late bishop and was transferred to New York four years ago. Bishop Head is now in suspension and subsequent death Bishop Head was again transferred to the First District, which includes New York.

The Bishops' Council met at Wilberforce University on June 7 and a committee from Bethel, H. H. Dennis and Thomas W. Turner, were there to present a protest over the dictatorial action of Bishop Head.

Another committee presented charges against the venerable Bishop Head. This committee was headed by Dr. R. R. Wright, the president of Wilberforce University, who charges that Bishop Head converted \$7,000 raised for Wilberforce to other uses in his diocese.

Bishop H. B. Parks is now senior bishop of the A.M.E. Church, and he, with Bishop Reverly C. Ransom is said to have opposed the policies of Bishop Head.

BISHOP WILLIAMS DELIVERS SPEECH TO JOINT CLASS

ORANGEBURG, S. C.—The

inaugurate sermon to the joint graduating classes of the State Agricultural and Mechanical college and Claflin university, both of Orangeburg, S. C., was delivered last Sunday by Bishop Noah W. Williams, who presides over the A. M. E. church in South Carolina.

There were more than one hundred graduates of the two colleges and over a thousand visitors in the vast auditorium of State college to hear the bishop, whose subject was "Proficiency plus Efficiency the Basis of a Successful Life."

Bishop Williams is laud in his praise of the work being done in these institutions under the leadership of President M. E. Whitaker of State college and President J. E. Randolph of Claflin. Bishop Williams had just closed a series of visits to nearly two hundred churches and fifteen presiding elder district conferences in South Carolina in the interest of Allen university, but, as one person remarked, his constant travels only increased so that his was a forced note of hope and encouragement to our young educated group.

Bishop Williams is chairman of the trustee board of Allen university. (ANP)

Alaskan Worker Speaks at Saint Phillips

JACKSONVILLE, Fla.—The Rev. Dr. Merritt Williams, formerly Missionary to Alaska, now in charge of Student Work at the State University, delivered the inspiring sermon at St. Phillips Episcopal Church, last Sunday. His discourse was brief, but filled with valuable information. He discoursed on the features and oddities of the life of the missionary, especially the man who lot it is to carry the Word to the peoples of the far North.

He will remain here possibly a week before returning to their in Bunkie.

Mrs. Winston was born in Boston, East Felleuna Parish, Louisiana in 1819 and was owned as a slave by Mrs. John E. L. DeLoe. She was freed during the Reconstruction days and has enjoyed a private life since. At the present time she is very active and shows no sign of the feebleness that usually accompanies ripe old age.

I have just received a check for \$84.00 payment of death claim on my sister, Jennie James. This policy on my sister was lapsed several months ago, but your local representatives informed me that the extension in the policy would render it payable.

I was so happy to receive this check that I paid a year's advance premium on my other industrial insurance with your Company, which amounted to \$49.30.

I am very grateful to your District Agent, Mr. Frederick D. Browne, and my wonderful agent, Mr. D. Jackson.

CHICAGO—For the first time in the history of the dental education in this country a Negro has been granted an advanced degree for graduate experimental work of a research nature in dentistry.

At the annual convocation of the Northwestern University school of Dentistry here on June 3, Dr. Russell A. Dixon, acting dean of the College of Dentistry of Howard university, received the degree of Master of Dental Science. This degree was awarded for graduate work in dentistry including research in oral pathology.

Dr. Dixon's thesis, "Histological Changes in Pulp and Dentine under Different Filling Materials," was published after intervals of 15, 25, 30 and 180 days, after which time the teeth with fillings together with unfilled teeth as controls were extracted, prepared and studied microscopically for significant pathological changes.

Dr. Dixon graduated from Northwestern with the degree of Doctor of Dental Surgery in June 1929. In the autumn of the same year he went to Howard university as instructor in Operative Dentistry. During the Summers 1929 to and including 1931 he was a Rosenwald scholar in real pathology at the School of Dentistry, Northwestern university. Since that time he has continued his studies at Northwestern and at Howard university.

In September he was appointed Acting Dean of the college of Dentistry at Howard university. It is also reported that Dr. Dixon has been promoted to the rank of Associate Professor of Operative Dentistry on the Howard faculty.

Art Stude Hikes to West, Returns in Big Sedan

LOS ANGELES (WS)—Calvin C. Bailey, former Newark, N. J. art student who came to this city after the Olympic games last year, has departed for Chicago, Illinois where he will visit the World's Fair. Bailey left here as a member of George Garner's party which will use two automobiles on the trek across the country.

Mr. Garner is to open the Artist Series at the Fair. It has been announced while Mr. Bailey will be there in the role of spectator.

Young Bailey is a youthful student of art and is well known along the Atlantic coast. Samples of his work have frequently appeared in newspapers and magazines in that section of the country and he has received praise from many art critics.

He has gained widespread notice in California, having done studies of leading colored people while sojourning here. Among that number are Paul Williams, noted architect; T. R. Green, retired secretary of the Y. M. C. A. at Street Branch Y. M. C. A.; Hardey Jones, secretary-manager of the Liberty Building Loan Association; and Harold Summers, husband of the former Reverend's wife, oil heiress, and many others.

While in Los Angeles, young Bailey has given a few art exhibits. Two of these have been held at the Y. M. C. A. and he has won prizes at two other local art exhibits.

Bailey hitch-hiked to Los Angeles from New York City but will return to Chicago in a large sedan. When questioned last Sunday morning, he said: "There is lots of difference between the two modes of transportation."

OUR COOKING SCHOOL

The Iowa Bystander greets its visitors at its first cooking school. It thanks those firms which have seen fit to join in making the affair a success and congratulates them for seeing the value of appealing to the Negro market in the sale of their products.

We cannot too strongly urge Negroes to remember that every dollar they spend, a part of it goes for advertising; a part for labor. If the places where these dollars are spent hire no Negroes nor advertise in Negro papers, the Negro race gets no benefit from it. After all we are in this game of life for profit, and unless we get some we can do little. Support your institutions and we can do much; refuse and you play into the hands of those who say Negroes can't succeed in business.

VOTE JUNE 20

Tuesday Iowa citizens will go to the polls to decide whether the Hawkeye state joins those which have voted that the Eighteenth Amendment shall be repealed. While a rather tame campaign has been conducted, the public is pretty well acquainted with the issues. Undoubtedly most people have

come to the conclusion that our present system of liquor control does not make for temperance; besides it has built up a system of crime undreamed of by the sponsors of prohibition. This system has done much to convince the public that the law is wrong.

As the change is made—and it is bound to come—the best thinking public have a duty to perform both in and out of office will not so abuse the law as to cause an unfavorable reaction. They brought on prohibition; the radical dries brought on its repeal.

Every citizen should be interested in the campaign—interested enough to get out and vote on June 20, and vote for a change in our liquor-control system.

CAB CALLOWAY

Cab Calloway and his orchestra took Des Moines theatre goers by storm this week. His group brought an entertainment of the best; the public appreciated it and, of course the Negro has been helped by his coming. It simply demonstrates that Negroes—not all of them, of course—as any other group can deliver the goods if given an opportunity. Demonstrations like this tend to encourage young Negroes entering the world of business and vocations that opportunities do come.

A GOOD EXAMPLE

The Polk County Attorney's office took considerable time to dig up evidence for a Negro youth convicted of a crime in Illinois which will be presented to the Governor in a request of a pardon. The evidence shows that the boy was in Iowa when the crime is alleged to have been committed. Mr. Burkman and his staff are to be congratulated. Too often prosecutors take all their time to prosecute and persecuting without regard to the law that they should see that justice is done.
