## Thousands Trek to Alma Mater For the Grand Festive Occasion

Tuskegee Institute, Ala., Oct. 25.—(ANP)—Homecoming at Tuskegee Institute this week-end will call back to the campus more Tuskegee men and women than have attended any previous homecoming celebration, according to information released Saturday from the alumni office of the institute. Likewise indications are that a remarkably large number of persons important in the educational life of America will be present during the inaugural period of President F. D. Patterson, graduate of Iowa State college, at Ames, Iowa, which occurs at the same time.

Festivities begin Saturday morning with the arrival of the trustees. Saturday afternoon the Golden Tigers meet the Thoroughbreds of Kentucky State college for the first time in the alumni bowl. Last year the team met in Cincinnati and Kentucky emerged with a 6 to 2 decision. Led by Tuskegee's seventy-two piece band, the homecoming delegation will swing through the campus to main entrance to the bowl, where short exercises will be held prior to the kick-off. In the evening the alumni will entertain with moving pictures and other features in Logan hall.

Dr. Patterson, Tuskegee's third president, will be inducted to office at 2 o'clock Monday afternoon. Claude A. Barnett, an alumni trustee, will present Dr. Patterson to Dr. William J. Schieffelin, chairman of the board of trustees. This exercise will be held in the Institute chapel and will conclude the three day celebration.

## Church is Returned to Rev. Arthur Brewer

DISTRICT COURT ORDERS PASTOR REINSTATED TO SANCTIFIED CHURGE

Peace reigned once again in the religious battle which split the congregation asunder as court orders were issued Friday reinstating the Rev. Arthur Brewer as pastor of the Sanctified Church of Christ at 1521 East University avenue. The faction, headed by Elder D. H. Cranshaw, state overseer, is said to have asked a writ of mandamus to restrain the Rev. Brewer from preaching there on grounds that "he held the pulpit only by common consent without a contract and that he had resigned August 9, 1935, and his resignation had been accepted to take effect September 1, 1935."

Services at Home

Regardless of the church upheaval, services were held with the pastor at his home, 1237 McCormick street, with a group of members who supported the cause of Rev. Brewer and urged his retention in the church.

The filed petition, recorded September 11, stated that "at the general assembly at Sedalia, Mo., the Rev. Brewer had submitted his resignation to the national church board and it was accepted on August 26, 1935."

Elder W. J. Lewis, general chairman, Elder C. O. Brown, state overseer; Mary Brown, general secretary; M. J. Cranshaw, general treasurer; Alice Turner, assistant general secretary and Elder Cranshaw were the officers who signed the acceptance.

In deciding the case, Judge Frank Shankland said the resignation was not accepted by the executive board of the churches general assembly, and that the matter was one of "local church jurisdiction." The temporary and permanent injunctions asked by the ouster group were also denied.

## History of Church To Be Dramatized

PLAN COUNTY S. S. PAGEANT Mrs. S. Joe Brown, program chairman, superintendent's council of Polk County Negro churches, is planning to present at the annual inspirational rally to be held at St. Paul A. M. E. church Sunday, November 10th, a pageant depicting the history and progress of the Negro church in America from 1773 to 1935.

A committee consisting of representatives of the thirteen churches in the county has been appointed to assist Mrs. Brown in selecting, training the characters and preparing the costumes. The first meeting was held at her office Wednesday. Seven churches were represented.

Another meeting of this committee will be held at the same place on next Wednesday evening at 8 o'clock, at which time it is urged that all Sunday schools that expect to participate in the pageant have their representative present.

## NEGRO ON JURY IN BURLINGTON CASE

Burlington, Iowa—James Bowles, Negro, of 1302 S. seventeenth street was summoned to serve on the jury this month for the first time in the history of this city, old residents say.

They were greatly surprised at his being called and many citizens expressed doubt as to whether he would be accepted upon hearing that Bowles was a Negro.

## Joe Louis' Trainer Held For Gun Play; Two Hurt

JACK BLACKBURN ARRESTED FOR SHOOTING MAN, GIRL

Chicago—Grave doubts that the Brown Bomber, Joe Louis, will be able to carry on in his devastating style in the ring were entertained this week after Jack Blackburn, 52, "Maker of Champions," and boxing godfather of the sensational Silent One, was jailed following a shooting scrape on Fifty-eighth and So. Parkway, in which one of the two victims is expected to die.

Five thousand dollar bond was put up for Blackburn when he was arraigned in felony court Monday. The case was continued to November 19 in Judge Hartigan's court, pending the condition of Enoch Houser, 69 years old, innocent victim of a bullet allegedly fired by one of the participants in the shooting.

Four men were involved in the affair, it was said. The second victim, a 9 year old girl, Lucy Cannon, was wounded in the left hip. Her injury was not regarded as serious.

Bomber To Aid

Joe Louis on Sunday night, it was reported, cancelled a social engagement and rushed with his wife, Marjorie, to Wabash avenue station, where he offered his boxing instructor and manager, the man who more than anyone else is responsible for the development of the race's idol, any aid he could in

## Selassie Mobilizes 500,000 to Front

KING LOSES HOPE—LEAGUE IS TOO SLOW

Addis Ababa, Ethiopia, Oct. 25.—Through hitherto untrodden paths and snake-like mountain passes, colored Ethiopian warriors march toward the greatest battle of this conflict will be fought.

Five hundred thousand native soldiers bent upon driving back the Italian invaders are taking their positions at various strategic points on the fluctuating front. With the Emperor Haile Selassie taking personal command, the present offensive may determine the final outcome of the war.

Dressed in brilliant uniforms and equipped with the latest weapons for modern warfare, 10,000 members of the crack imperial guard left Addis Ababa yesterday on their way to Dessaye, 200 miles south of the Italian front.

Haile Selassie bestowed his imperial blessing upon the officers commanding the guardsmen and shook hands with the Belgian military experts who had supervised their training. In a farewell speech the emperor inspired his men to defend the empire to the last breath. Two hundred motor trucks stationed on the outskirts of the city carried the soldiers away. They will be joined by 70,000 fighting men by the time they reach Dessaye.

The emperor has lost all faith in the ability of the League of Nations to save his country. He therefore resolved to leave for the Ethiopian front in order to direct personally the great offensive drive against Mussolini's men.

## WHITE AMERICANS OFFER SERVICE FOR ETHIOPIAN AIR FORCES

Addis Ababa, Ethiopia, Oct. 25.—(ANP)—Scores of American aviators, many of whom saw service during the world war, have offered their services to Ethiopia during the past ten days, according to reports here.

## Transient Held for Murder of Girl, 20

CAWLEY PLEADS NOT GUILTY TO ASH TRAY KILLING

Charges of first degree murder were filed Monday against Van Cawley, 45, transient from Louisiana, to which he pleaded not guilty in the death of Aletha Turner, 20, of Independence, Mo. The fight, which occurred at 207 Ridge street Saturday afternoon, began over a "crap game" and ten dollars, which resulted in the fatal beating of the young woman. She received a crushed skull, severe facial lacerations and bruises after being hit over the head with a cast iron ash stand.

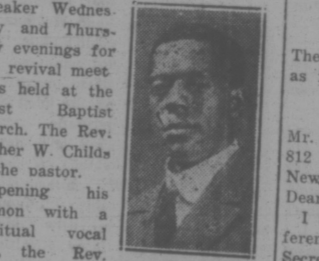

Captain Nels Pastels of the afternoon police shift said that Cawley admitted striking her following an argument over money. Cawley claims, police say, that the young woman took the money "trying to play him for a chump." "She got me wrong and I got her right," officers said the Louisiana Negro explained.

Mrs. Turner was dead upon arrival at the hospital. The body was taken in charge by the L. Fowler & Son funeral directors and shipped to relatives in Independence, Mo., Monday. She had just recently come from St. Joseph, Mo. Watkins Brothers, undertakers of Kansas City, conducted the funeral rites.

James J. Taylor, 39, who had been living at the airport transient camp at Norwalk, Iowa, with Cawley, is being held in jail as a material witness. The date of trial awaits action of the Polk county grand jury.

## Dr. Moore Gets Life For Torch Slaying Of Girl Sweetheart

ATLANTA PHYSICIAN DECLARED GUILTY OF MURDER

Atlanta, Ga., Oct. 26.—(ANP)—Dr. J. H. Moore, prominent young physician and surgeon, was declared guilty of the murder of his alleged sweetheart, Miss Lula Bowden, Wednesday morning, October 16, with a recommendation for mercy. Sentence of life imprisonment was meted out to the doctor. The murder of Miss Bowden, as well as the trial, attracted much attention due to the prominence of Dr. Moore, who, in addition to being one of the most prominent members of the medical profession, is a scion of one of Georgia's most prominent and oldest families.

The trial was held in Griffin, Georgia, near where the body of the slain woman was found. The state contended and proved its contention that the young woman was carried to the

## Rev. Campbell Awarded Property; Mays Ousted

(Special to the Bystander) Newton, Iowa—Trustee M. R. Mays was suspended from the membership, rights and privileges of the A. M. E. church Saturday by the Rev. R. C. Campbell, "the duly appointed" pastor as result of controversy over who had the right to rent the parsonage. Mays, who was legally authorized by Northwestern A. M. E. conference board, rented the property to Ralph and Ida Brooks last year. The church had been abandoned for about two years, Mr. Mays said.

Not Signed

At the recent annual conference, Bishop H. B. Parks appointed the Rev. Campbell to the Newton charge, which Mays refused to recognize because the credentials were not properly signed. Presiding Elder W. H. Ogelton, Des Moines district, was notified by telegraph, who declared that the appointment was cancelled.

A week later the Rev. Ogelton wrote Mays, informing him that Campbell was reinstated to Newton. For the second time the credentials were disregarded as the property had been leased for a year to the Brookins family. A suit was entered in Justice of the Peace Fred Meredith's court, which was won by the Rev. Campbell.

Appeal Filed

A notice of appeal was filed in the district court by the defendant's attorney, but the Brookins family were forced to move out. "A church matter brought into the district court is against the A. M. E. discipline. Rev. Campbell is unethical in his action," Mays said. "We are not through with this case by any means."

Mr. Mays turned in \$106.53 in rent money to the conference this year.

Full Authority

The authorization letter, in part, is as follows: 435 Jay Street, St. Paul, Minn., September 18, 1935.

Mr. M. R. Mays, 812 East 8th Street S. W., Newton, Iowa Dear Brother Mays: I am also instructed by the Conference Trustees, of which I am the Secretary, to advise you that you are duly authorized to continue to handle the property at Newton, as you have heretofore done; collecting the rent and keeping the property in good condition. Until further notice you are so authorized. Ever since the appointment of Rev. W. H. Ogelton as presiding elder (he also is one of the conference trustees) this matter was discussed with Bishop H. B. Parks on Monday, September 16th, being the date so you will fully understand and perform your duties and report to the next session of the Northwestern Conference at Waterloo, Iowa, September, 1936, unless this order is changed by the Conference Trustees.

Thanking you in the name of the conference. Very truly, Wm. E. Guy, Sec'y Conference Board of Trustees.

## Biblical Lecture To Tell of War

"ETHIOPIA REACHES UNTO GOD" IS SUBJECT SUNDAY

Consulting David, as it were, we read in his Psalm, "Ethiopia shall soon stretch out her hands unto God." Does this text reach its fulfillment in the present Italo-Ethiopian conflict? Will the cries of terror-stricken, haggard men, women and children, emerging from the smoking ruins of Ethiopia's devastated territory, touch the heart of the Deity, thus assuring providential victory? As a result of this combat is there to be another world-wide kingdom established with Emperor Haile Selassie or Premier Benito Mussolini, cetera, as its dictator?

These and other inquiries will be answered from the Bible at the opening meeting of the Bible Lyceum course, to be held at 1150 Thirteenth street, Sunday night.

Evangelist R. T. Hudson, formerly of Chicago, will be the speaker. Services are to be held every night except Monday and Saturday. Classes on "Home Nursing" and "Makers of the Home" will be conducted daily.

ENEMIES WITHIN OUR GATES

Norman Thomas, Socialist leader, spoke in Des Moines last week. The editor of the Bystander was on the panel along with four white people to question the speaker.

Following the meeting, the editor of the Bystander met a white attorney, high in political circles, who, after a formal greeting suggested "You are lining up with the Socialists."

Norman Thomas said as long as Negroes could be railroaded to prison, nobody was safe before our courts and I know you are too dumb to understand this principle or too big a coward to breathe it out loud.

You have been a big political leader around here for years, feasted on salaries raised in part by Negro taxpayers and yet you have never done anything in your life to help give a Negro a job or to secure other consideration for him.

Even though a leader in the community personally you are known—and this comes from some of your close personal friends—to be hostile to every interest of the Negro.

Now who after all is my best friend, Norman Thomas or you? The fellow was dumbfounded but eventually replied, "He gets his instructions from Russia."

The point demonstrates how some people think that the Negro can be fed sugar-coated friendship while behind closed doors at same time take every occasion to impede his progress. Such people are a menace to the Negro because of the very positions of their proposed friendship they occupy; to use the expression of the Republic Magazine they are: "Enemies within our gates."

REPUBLICAN VOLUNTEERS

The Republicans of Iowa announced the organization of the "Republican Volunteers" to conduct a twelve months' campaign to capture the 1936 election.

The plan is a fine one and will, if properly carried out, do a great good. The only complaint comes from the chairman of the state Democratic committee, who evidently saw no objections, except that it was headed by "stand-patters."

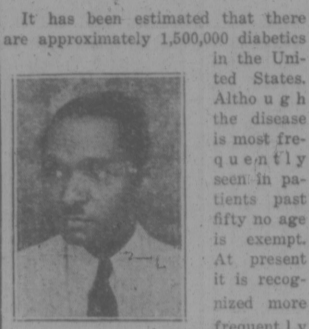

Of course, this is all bunk and a substitute for something better to say. This new organization is a membership proposition which carries with it some contribution for the support of party affairs.

Undoubtedly the movement will go a long way toward getting the party on its feet and at the same time awaken interest in those who join. The Bystander would suggest that Negro Republicans support the organization with their membership. Not only that but a financial interest in the party by contributing to its support will put members in a better position to receive and demand consideration.

Health Talks

DIABETES MELLITUS

It has been estimated that there are approximately 1,500,000 diabetics in the United States. Although the disease is most frequently seen in patients past fifty no age is exempt. At present it is recognized more frequently in the female than in the male.

Diabetes is greater among Hebrews than Gentiles. It is also greater among Negroes than was formerly thought. The symptoms and signs are easily remembered and kept in mind.

The first symptom usually noticed by the diabetic is the passage of large amounts of urine, frequently getting up several times during the night and a similar frequency during the day. The passage of large quantities of urine explains another frequent symptom of excessive thirst which is usually present.

The third most common symptom is loss of strength and the fourth is excessive appetite. Other complaints that arise are loss of weight, boils, itching of the body, numbness, tingling and pain of lower extremities.

Quite contrary to public opinion "that holds are significant of good health" they should always be looked upon as a suspicion since they are frequently the first evidence that an individual has diabetes. Atlantic City, N. J., Oct. 18—The annual address of President William Green and a 150-page report of the executive council featured the opening of the American Federation of Labor's fifty-fifth convention at the Hotel Chelsea recently.

Instead, the council's report and the message of Mr. Green dealt with the Italian-Ethiopian conflict and labor's attitude, with the proposal of left-wing groups to endorse a labor party in 1936, and with expulsion of A. F. of L. affiliates of all communists and communist-sympathizers.

Responsibility for action against Jim-Crow in unions was thereupon transferred to the floor of the convention, where Delegate A. Philip Randolph and Milton Webster of the Brotherhood of Sleeping Car Porters and Maids sat waiting for a chance to renew the attack made by Randolph at last year's convention in San Francisco.

OFFER CALLS FOR BRADDOCK MATCH IN NEW YORK JUNE 9 Detroit—When Joe Louis crawls through the ropes to fight for the heavyweight championship of the world the Brown Bomber will have proven himself to be the best man beneath the champion. That much was established early this week when the Louis' managers, Julian Black and John Roxborough flatly refused an offer to have their man meet James J. Braddock for the title early next June and shelve Max Schmeling for the time being at least.

When the offer came for the match with Braddock, signed by Jimmy Johnston and Madison Square Garden, Black and Roxborough advised them that they would have to see Mike Jacobs.

WILL IT WORK

When President Roosevelt asked Congress to pass the four and a half billion dollar relief bill last spring, he promised to put three and one-half million men to work by November 1. Now the estimate has been changed to two million men which will include the boys of the CCC. Of course, the number will not be reached. But if so, these men will be on the dole in a different form.

Unfortunately, the large sums of money spent in the PWA and CWA did not get us every far in the reduction of unemployment. The WPA is the last stroke for if industry is unwilling to pick up the slack after this is over then the system of saddling large debts upon the public without an appreciable reduction in unemployment will be repudiated.

President Roosevelt has spent a lot of money trying to pull the country out of the depression doubt that the money being spent wisely.

REPUBLICANS GIRD FOR STATE BATTLE

Iowa Republicans have inaugurated their 12 month campaign to capture Iowa in the 1936 election.

A united and militant organization is being formed in each of the 2,149 precincts of the state. Activities are being carried on under the title of the "Republican Volunteers of Iowa" with Judge Horace M. Towner of Corning, as president, George Lloyd of Dallas Center as secretary, and Senator W. J. Goodwin of Des Moines as treasurer.

The "Republican Volunteers of Iowa" was perfected as an organization through the efforts of National Committeeman Harrison E. Spangler of Cedar Rapids, National Committeewoman Miss Martha McClure of Mt. Pleasant, State Chairman Pressey H. Frank of Waterloo, Vice-Chairman Jane Frichard of Osage and Treasurer Stanley R. Smith of Osage, in cooperation with the Mid-West Republican Committee, the Iowa Republican Editorial Association, Republican Service League of Iowa, and the Young Republicans of Iowa.

Judge Towner was at one time professor of Constitutional law at the State University of Iowa, later a District Judge, member of Congress for 10 years and Governor of Porto Rico for 7 years. Senator Goodwin has long been prominent in Republican party circles. He has served as Polk County Republican Chairman, as Chairman of the Albert B. Cummins for President Club and as a member of the State Senate from Polk County.

W. C. Rhodes, 1028 Sixteenth street, received notice this week of his appointment as brigadier general of Iowa uniform rank of the Knights of Pythias lodge. The honor was conferred upon the Des Moines man by Robert G. Jackson, major general, of Chicago, Illinois.

M. H. O.—Do you think the change I made will turn out all right? Ans: Your aunt appears to be somewhat temperamental and you'll have to be rather careful what you say around her. However, you'll enjoy living there with her and she'll be glad to keep you with her until you are able to take care of yourself—this change was a very wise one.

L. M. C.—Did my husband have a wife at the time he married me? Ans: Just before you married your husband it appears that he had a woman with him that he called his wife but they weren't LAWFULLY WEDDED—He is too smart a man to commit BIGAMY.

S. R.—I am a poor man and can't get anyone to help me. Please advise me what is best to do? Ans: I can think of nothing better or more suitable for you to do than to farm. Life in the country will suit you fine and you'll enjoy it more than living where you are now. The time for you to make this change will be at the first of the SPRING months—you can find someone to farm with before that time.

A. W.—Does my boy friend love me? Will I see him soon or not? Ans: Your boy friend isn't very interested in you for if he were in love with you he surely wouldn't wait SIX WEEKS before coming to see you—

BIG TEN

Things were quiet on the Big Ten front this week but it was merely the calm before the storm. Iowa and her three Negroes will have dusted or got dusted by Illinois by the time you read this. Ozzie Simmons, Homer Harris and Don Simmons will have been cast as great players or bums, just some more footballers.

Rather smooth the way Dwight Reed was kept out of the Tulane game. We guessed that one wrong, for we were almost certain that Reed would play, however, there was no fuss, nor even mention in the Minneapolis papers about the boy not playing. He just didn't and no one noticed it. If we could do anything about it we wouldn't know whether to commend Minnesota for such smooth handling of an explosive situation or give them the devil for being so weak and vacillating.

Speaking of out of town papers, we heard that Ozzie Simmons got better writeups in the New York and Los Angeles papers for his work in the Colgate game than he got in our big local daily that covers Iowa news "completely." The Eastern and Far West correspondents gave the boy everything.

It is also our guess that his big tackle on the coast, Al Duval will be at least all Pacific Coast tackle and when he graduates will be a great coach if he takes up the work. He will be one of the very few Negroes who have had first hand contact with the Notre Dame system and if he can teach it, will become a power in Negro football wherever he coaches.

High School

Our high school boys continue to wallow in the mud. North, with Chet Simms at fullback playing nice ball and Ozzie Lewis doing his best, took another one on the chin last week from Centerville, 13 to 0. Centerville had a boy named Jones who played some end for his school.

Al Thomas, Harold Sharpe and Eddie Maupin all got in as one of the weakest East High teams in recent years waged a desperate ropeless battle against a mighty Roosevelt team, losing 13 to 0. Sharpe made some nice tackles for Lee township.

L. D. K. Gang

Our prospective opponents of last week broke up and we got in some much needed practice. Got some more Wednesday night preparing for our game with Easton Heights Sunday. They dusted us and yours truly would sure like to get even. If the boys get
