Bomber Aids Worthy Cause

JOE LOUIS BUYS N. A. A. C. P. CHRISTMAS SEALS—The Brown Bomber is shown in the living room of his cottage at his training camp in Pompton Lakes, N. J., purchasing N. A. A. C. P. Christmas seals from little Miss Ann Cooper, 4 years old, daughter of Mr. and Mrs. William H. Cooper of the Paul Laurence Dunbar apartments in Harlem.

'Anti-Lynch Veto Statement Won't Get South's Support' Writes Gould of Evening Star

Washington, D. C., Dec. 13—The belief that Senator William E. Borah's statement that he would veto a federal anti-lynching bill if he were elected president may lose him votes in northern and western states was expressed by G. Gould Lincoln, political writer for the Washington Evening Star. Mr. Lincoln also declared that Senator Borah's statement would not gain him any support in the south. His paragraph follows: "Senator Borah's letter declaring that if he were president and an anti-lynching bill, on the line of the Costigan-Wagner bill, were presented to him he would veto it, may have wide political effect. His flat declaration that he would not approve such a law, on the ground that it was unconstitutional and invaded state's rights, was made to the N. A. A. C. P. It was unequivocal. Considered from a practical political viewpoint, it may cost the senator delegates in the Republican national convention next year. It is not likely to get him the support of delegates from the southern states, and it might lose him delegates in states where the colored vote is considerable and holds a balance of power. In Ohio, for example, the colored vote is to be reckoned with. Mr. Borah's blunt reply on the lynching bill question, courageous as it was, did not have the sound of a man seeking to woo delegates to the national convention."

Flowers Named on All-State Eleven Again This Year

SMITH IS GIVEN SECOND AWARD HONORS By Everett Wadsworth Staff Writer Playing the entire twenty-six contests on the schedule for three years, William Flowers, 190 pound veteran tackle of East Waterloo, was selected on the 1935 all-state football team chosen by Jack Norton, sports editor of the Des Moines Tribune, this week for the second successive year. He was one of the main cogs in the Waterloo offense, blocking well and a bear at rushing the passer and kicker. In the season's final against West Waterloo his three touchdowns and dazzling runs clinched the city title for his school. "One of the best of the defensive players in the state," was consensus of opinion of the committee of 250 coaches, officials and writers. Jack Smith, one of the only three Negroes enrolled at Ames High school and who was elected president of the senior class of 200 last week, was placed on the second star eleven. The 195 pound tackle, who has been a standout in the "Little Cyclones" for two years, was a fierce tackler and mighty blocker. Smith is also vice president of the student council and president of his home room. Robert Pickett of Mount Pleasant, 170 pounds, was named as the other tackle on the second squad. He was a spectacular player defensively and was rated as the "tops" on the offense by the critics and experts. Bobby Franklin, four years halfback sensation at Clarinda; Maynard Black, end, Ottumwa; Oran Gray, end, Centerville; Jerry Pickett, halfback, Mount Pleasant; Booker King, halfback, Valley Junction; Gail Davis, fullback, Perry, and Henry Jones of Fox Dodge were some of the Negro grid luminaries mentioned for outstanding work during the season.

'Insurrection' Law Invalid; 20 Days Given State Appeal

Atlanta, Ga.—Another victory for the legal defense of the International Labor Defense was scored this week when Superior Judge Hugh M. Dorsey held Georgia's old "insurrection" law unconstitutional Saturday in case of Angelo Herndon, Cincinnati Negro communist, but ordered Herndon held twenty days to allow the state an opportunity to appeal. The court provided that Herndon could go free on bond of \$5,000 pending an appeal. Herndon was released from the jail later, the bond being furnished by the International Labor Defense. Indefinite Judge Dorsey, in ruling the act unconstitutional, said it was "too indefinite" and violated the due process clause of the United States constitution. The judge explained that if the state does not appeal within the twenty days allowed, Herndon will be released and given his full freedom. Assistant Solicitor General Ed A. Stephens said in all probability an appeal will be taken immediately. In 1932 Herndon was arrested in the Atlanta, Ga., postoffice a day after 1,600 families had asked additional relief. His room yielded communistic literature, and he admitted having organized the group. The state, contending the literature seized advocated an uprising, invoked a "carpetbag" law passed in 1866, which had been used but once, and convicted him of "attempt to incite insurrection." Herndon's trial and sentence to twenty year imprisonment, controversy throughout the United States. The U. S. supreme court affirmed the sentence of the lower court this year and refused to review the case.

Negroes Were First Explorers, Believes Howard Instructor

"RACE OF BLACK MEN PRECEDED VIKINGS TO NEW WORLD"—WESLEY Washington, D. C.—Negroes, as well as Vikings, preceded Columbus in his first explorations of the new world, according to the belief of Dr. Charles Wesley of Howard university. Studies of various historians strongly indicate that Africans had drifted across the south Atlantic, probably in canoes to land in South America and West Indian islands, he said Thursday. Dr. Wesley explained that Balboa found a "race of black men" during his explorations and a Spanish romance by Garcia De Montalvo, published in 1510, mentioned an island named California inhabited by Negroes. The instructor's beliefs are supported by evidence that certain African products were growing in the Americas in Columbus' time and have been thought to have an American origin. Dr. Wesley, who received his A. B. degree from Fisk university, A. M. degree from Yale university in 1913, Ph. D. from Harvard in 1925, has been an instructor in history and modern languages since 1913. He is the author of several books on Negro history and is an international authority on economics.

AROUND COUNCIL BLUFFS

With Manson L. James
 Mrs. Minnie Cave Herndon was re-elected president of the A. C. E. League of Bethel A. M. E. Church last Sunday evening. Other officers are: Manson L. James, vice pres.; Mrs. Missouri D. Slater, treasurer; Miss Lena Russel, secretary; Miss Virginia Nevin, asst. secretary. Chas. A. Redick, U.S.N., returned to Norfolk, Va., after visiting his mother, Mrs. Viola Stewart, here. There are three colored patients in the Mercy hospital: W. C. Russel, Henry Reynolds and Miss Thelma McDonald, all doing well. David Watkins, who suffered severe burns on the face, arms and hands when a cleaning fluid with which he was working did ignite and explode, has been returned to his home from the hospital. A few Council Bluffs Negroes were disappointed when Roland Hayes, concert artist, failed to make a scheduled appearance in Omaha on Dec. 5th. Calvary Baptist church has donated space to the adult education group in the church, to be used as a classroom. The air is filled with the prophecies of the local political prognosticators at the very mention of taxpayer or anti-lynch bill.

Mrs. Ida M. Giles is in charge of the N. A. A. C. P. Christmas seal sale, having a committee of five working with her.

A POOR SYSTEM

As a substitute for placing single men, who are physically able to work, on the relief rolls, the present system is to send them to the poor farm.

It may be a substitute for direct or work relief in the eyes of some people but the Bystander feels that the system will accelerate making tramps of men who want to retain their self-respect.

There is too much of a desire to cut relief rolls or embarrass applicants to keep them off, that a good showing may be made that times are getting better. The system ought to consider first the care of the unemployed, and then the expense afterwards.

A SQUARE DEAL

The New York Boxing Commission insists that contenders for a battle for the heavyweight championship must dispose of Joe Louis first if the fight is to be staged in that state.

This is not the first time that the New York Commission has taken a fair stand when Negro boxers were involved. They did so when Harry Wills was at the height of his career.

Of course it was the only logical thing to do and yet altogether too often logic is dropped out of the picture when a Negro is involved.

The members of the New York Boxing Commission are to be congratulated on their fair-mindedness. It is further evidence that the sporting world is taking the lead in breaking down racial barriers.

THE TERMS MUST BE FAIR

A great many people have accused England and France of selfish motives in their effort to halt Mussolini's ruthless war on Ethiopia. Be that as it may, it is no argument to refuse to punish a criminal because he is not liked by a prosecuting witness.

England and France have presented a peace proposal to Italy which includes concession by Ethiopia of certain territory desired by Mussolini.

The terms of the proposed peace treaty are not only unacceptable to Ethiopia, but the small nations in the League of Nations have protested them also. They realize that if Ethiopia's territory can be cut up at the demand of a strong nation, they themselves are not safe from the same treatment.

Both Ethiopia and the other small nations are right. One of the objects of the League is to rectify this very situation and it ought to live up to its principles or quit fooling the nations. We glory in their stand and although Italy may conquer their little monarchy and enforce her demands, she should not be allowed to accomplish her designs without a fight.

URTICARIA HIVES

Urticaria is characterized by the sudden appearance in the skin of a firm, elevated, whitish patch, which is surrounded by a pink zone and is accompanied by intense itching or stinging sensations.

The lesions may be single or multiple and resemble in size the wheal caused by the ordinary mosquito bite. The wheals last from a few minutes to hours, disappear, and are succeeded by others. In the cases known as "giant" urticaria the wheals are very large and elevated. They are irregular in shape and may appear all over the body and scalp.

The itching is very intense causing the patient to almost exhaust himself scratching and rubbing. The skin of individuals who suffer urticaria is marked by sensitive to all sorts of irritation. The majority of cases are produced through some disorder of the alimentary tract. Substances taken into the stomach may cause urticaria, either by irritation of stomach or bowel, or by producing a toxemia. The follow foods are sometimes apt to cause hives: Lobsters, crabs, cheese, sausage, eggs, tomatoes, milk, pork, oatmeal, and berries, numerous drugs often cause it.

HINT PLAN TO GIVE ALABAMA BOYS LIFE IN PRISON

New York, Dec. 6.—While Ruby Bates, white heroine of the Scottsboro case, remains in hiding, seclusion here practically in hiding, seclusion close to the prosecution staff in the case insist that the jury in the approaching trial of whichever boy is selected will convict the defendant again, but will not ask for a death sentence. By not asking for a death sentence the guilty verdict cannot under Alabama law be appealed to the appellate courts, as it has been in previous trials.

If, despite the failure of the prosecution to ask for a death sentence, such a sentence is pronounced which, it is understood that the governor of Alabama will commute the death sentence to life imprisonment.

If this procedure is followed, it means that the famous Scottsboro case will be disposed of right at its source and will not be carried from higher to higher courts, as in the past. It could not reach the U. S.

EMPEROR LINES UP HIS LEGIONS FOR A MIGHTY COUNTER OFFENSIVE

Dessaye, Ethiopia, Imperial Headquarters, Dec. 6.—Taking personal command of his troops since his arrival at Dessaye, Emperor Haile Selassie massed 500,000 warriors in battle formation for the first consolidated Ethiopian offensive, which began in the wee hours of the morning.

Although strengthening their resistance on both the northern and the southern fronts, the operations seem to indicate that the native chieftains are concentrating their major assaults on the north in the vicinity of Makale, where the Italians are reported strongly entrenched.

The emperor is in touch with Ras Seyoum and Ras Kassa, the military leaders of the north, whose armies have formed a Hindenburg line at Amba Alaji, south of Makale. While in the south, near Dolo, the Italians, under the command of Gen. Rudolfo Graziani, are facing 70,000 Ethiopians, who are ready to leap upon their foe with the latest implements of war.

COUNSEL FOR J. BLACK

BURN MAPS DEFENSE

Chicago, Ill.—Jack Blackburn, veteran trainer for Joe Louis, charged with manslaughter in connection with the fatal shooting October 20th of Enoch Houser, 69 years old, is scheduled to go before Judge Matthew D. Hartigan in felony court December 5. Counsel for the "maker of champions" announced early this week that their defense had been perfected and that they felt sure Blackburn would be free without further delay.

Blackburn, John Bowman, 369 East Fifty-seventh street, William Parnell, 5355 Calumet avenue, friend of Blackburn, and Edward Ellis, nephew of Bowman, had taken part in what police claim was a free-for-all gun battle following differences between the trainer and Bowman on Sunday, October 20th, in the early evening.

Houser, returning to his home at 324 E. Fifty-seventh street, was caught in the cross-fire and fatally wounded. Also wounded by one of the bullets was nine year old Lucy Cannon, who was on her way home from a store. She is said to be recovering. Blackburn, Bowman, Parnell and Ellis were later taken into custody by Wabash Avenue police.

An inquest later held into the fatal shooting failed to produce evidence enough to hold any one, and under Deputy Coroner Benjamin A. Grant, the jury returned a verdict of "death at the hand or hands of persons unknown." The defendants, however, still face technical charges of manslaughter before felony court.

NEGRO RUNNERS

FAVOR GAMES

Chicago.—"Preserve the Olympic Ideal" is the cry of the committee of Fair Play in Sports of New York City. Opposing the Americans' participating in Berlin Olympiad are various coaches and teachers. America forgets the Negro discrimination at the Olympic at Los Angeles in 1932. Jim Crowism and hatred was rampant in the good old U. S. A. from many of the southern runners.

President Avery Brundage, Chicago, of the American Olympic committee announced Monday night the committee's stand in favor of American participation in the 1936 Olympics at Berlin has received support of Eulace Peacock, Ralph Metcalfe and Jesse Owens—the three best known Negro sprinters in the United States.

Metcalfe, in his letter to Brundage, said: "In 1933 I spent ten days in six German cities, including Berlin, with a group of American athletes. Never once was I or any member of the team mistreated in any way."

S. B.—Do you see any money coming to me next year?

Ans. Only a small sum—This money will be your share of your NEICE'S INSURANCE. You are due to get this money about the latter part of spring.

E. L. A.—What happened to my boy's shoes? He can't find them anywhere?

Ans. It appears that your son took his shoes off to climb a PECAN TREE and when he came down he forgot to pick them up—before he got back there that afternoon to look for them, a dog had already carried them off.

M. E. P.—Please tell me why my brother won't run his business right?

Ans. Your brother isn't the type to run a business for he doesn't know how to manage one—he'll do much better to work for someone else, or hire someone to TAKE CHARGE of his business.

I. M. S.—Do you think I should work to buy the things I want?

Ans. That seems to be about the only way you'll get anything now, for it is hopeless to expect much help from your father—try to finish high school this year and you'll be able to keep yourself up—you won't get any more support from your father than you have gotten during the past EIGHT OR NINE YEARS.

C. H.—Please tell me how my daughter is for I often worry about her?

Ans. Your daughter likes a lot to contend with, for her husband is rather NO-ACCOUNT. However, she seems to be very satisfied—she has many friends there in CALIFORNIA.

PAULINO WILL FURNISH TEST

By the time you read this, the Louis-Uzudun fight will be history and Joe will have added another scalp to his increasing list of knockout victims. Paulino, which is much easier to pronounce and keeps the knots out of your tongue, doesn't rate an outside chance of capturing this aetio with the Bomber, but will furnish a decisive answer to the one remaining question concerning Louis' true greatness. Can he weather the lethal left of Jolting Joe and be on his feet at the end of fifteen rounds. The Bounding Basque has been around for quite some time, meeting all of the topnotchers in his career covering a period of over fifteen years, but as yet has never tasted resin as the result of an opponent's punch. Paulino went the route with Max Schmeling in Berlin last July and lost a disputed decision.

Louis has become the greatest drawing card in the sporting world, due to his dynamite-laden fists. He has mowed down all of the big boys in the heavy division in convincing fashion and has become known as a quick finisher. To maintain this crowd appeal, Joe must do what no other fighter could accomplish, that is, score an early triumph over the Spaniard, and further strengthen his claim to be the greatest fighter of the century.

All State Selections

Jack Smith, all around Ames High athlete, had the misfortune of playing the same position of Bill Flowers of Elst Waterloo and consequently had to be satisfied with a tackle berth on the second all-state team. Flowers making the first team, in selections named in the Sunday Register's all-state high school teams picked by Jack North, sports editor of the Tribune.

There doesn't seem to be much to choose between the two boys, unless Flowers was somewhat more consistent. He has been a standout on the East Waterloo team all season and was frequently named for his sterling line play on the high school honor roll published weekly by the Tribune.

East Waterloo and Ames were both represented by strong teams this season and suffered defeats to Roosevelt High of Des Moines by identical

OLD PEOPLE find way to keep breath wholesome

Halitosis (bad breath) quickly yields to Listerine, safe antiseptic and deodorant

Either because of stomach disturbance, food fermentation, or the wearing of false teeth, old people frequently have halitosis (bad breath). No wonder others consider them a nuisance.

But now Science has found that the regular use of Listerine will stop over-fermenting mouth odors due to the fermentation of tiny bits of food on mouth, teeth, or dental plate surfaces.

This safe antiseptic and quick deodorant works quickly. It cleanses mouth, teeth, and gum surfaces. Halts fermentation and putrefaction, a major cause of odors, and then counteracts the odors themselves.

Try using Listerine every two or three days. See how much more wholesome it leaves your mouth. How it sweetens your breath. Lambert Pharmaceutical Co., St. Louis, Mo.

scores, 6-0. A Roosevelt player tells us that Flowers and Smith were responsible for the west end team being held to close scores in these two engagements, and that both boys were a tower of strength on the line.

Cage Chatter

Jack Howard came through with two points to aid North High else out a close decision over the Marshalltown High quintet by a 14 to 11 count in a game played there Saturday night. Jack only played a part of this contest, but will undoubtedly see service as a regular after the middle of the school year.

After several seasons of inactivity, Earl Newcomb put in an appearance on the West High floor this week and in a brief scrimmage session made three buckets at one time. We'll reserve an opinion until Newkie has played oftener to state whether he was lousy or not.

Another ex-player who showed to advantage in his debut for the season, but hasn't been seen around since, is Rev. S. M. Riley, Jr. We understand Rev. Riley is sponsoring a team representing the Sprinx fraternity in the league this year, and we hope to get a line on his agility when "the going gets rougher."

The player referred to in the daily papers as Killer Johnson, Jr., who scored 18 points to lead the Globe Trotters in defeating Earlham 36 to 30, was none other than Tommy Finson. Young Finson accompanied the Trotters to Earlham due to the absence of "Killer" Johnson and proved to be the scoring star of the game.

COULD NOT DO HER HOUSEWORK
WHEN everything you attempt is a burden when you are nervous and irritable—at your wife's end—try this medicine. It may be just what you need for extra energy. Mrs. Charles L. Cadman of Tremon, New Jersey, says, "After doing just a little work I had to lie down. My mother-in-law recommended the Vegetable Compound. I can see a wonderful change now."

TOOK OFF 17 LBS. OF UGLY FAT
HEEDED DOCTOR'S ADVICE
Mrs. Robert Hickey, Roseville, Calif., writes: "My doctor prescribed Kruschen Salts for me—he said they would hurt me in the least. I've lost 17 lbs. in 6 weeks. Kruschen is worth its weight in gold."
Mrs. Hickey paid no attention to gossipers who said there was no safe way to reduce. She wisely followed her doctor's advice. Why don't YOU?
Get a jar of Kruschen to-day (lasts 4 weeks and costs but a trifle). Simply take half teaspoonful in cup of hot water every morning. All druggists.
