Gov. Landon Takes Stand Against Lynching, Blasts Relief Policies Over 35 Will Compete For Honors and Cash Prizes

Outlaw Group Seeks to Oust Negro Clergyman with Note

Lexington, Ky., Oct. —The Reverend William H. Brown, rector of St. Andrew's Episcopal church here, has received a threatening letter signed "KKK" from Moore's Hill, Indiana, because he has purchased a farm in the vicinity of that town.

Mr. Brown is a World War veteran and in June received his bonus money. He decided to invest a portion of it in a farm for his family and, after investigation, completed negotiations for a piece of property in Indiana.

During the transaction with real estate agents and others Mr. Brown voluntarily brought up the question of color, so that he would be assured of peace for his family. There was no indication from anyone concerned that a colored family would have any trouble in that section of Indiana.

However, two days after the deal was completed, Mr. Brown received the following letter, printed in capital letters by hand:

"Mr. Brown: I am taking time to drop you a few lines, as I understand you are dealing for a piece of property near Moore's Hill, Ind. I would like to let you know before it's too late that there are no other colored folks in this community and I think this will not be a desirable place for you and your family, as the feeling is running very high since the news has come out that you were coming into our community. I would advise you for your own benefit not to buy property here.

"Yours truly, "K. K. K."

Mr. Brown has been an active worker for and supporter of the N. A. A. C. P. and has communicated with Walter White, national secretary in New York, who in turn has placed the matter before Governor Paul V. McNutt of Indiana, the two Indiana senators and all the representatives of the state in congress.

U. S. REFUSES TO ACT ON IN-SULT TO SELASSIE'S IN

New York, Oct. 8.—(CNA)—In a wire to the All Peoples Party at Harlem, Secretary of State Cordell Hull deplored the affront offered by the Hotel Delano, 108 West Forty-third street, to Dr. Malaku Bayen, cousin of Emperor Haile Selassie and his personal representative in this country, but refused to intervene on the pretext that the state department had "no authority under the law to intervene."

Tatum Guilty of Hughes Murder

Layman Tatum was found guilty of first degree murder Thursday by a jury in District Judge John Halloran's court after twenty-four hours of deliberation. He was on trial for the murder of Earl Hughes, who died several days after a fight in which he suffered knife wounds in the neck.

The altercation occurred at 748 Tenth street, where Tatum lived, witnesses said. Hughes is alleged to have patted Tatum's housekeeper, Sarah Arnold, on the shoulder and called her "honey," which made Tatum sore. County Attorney Carl Burkanan introduced two alleged confessions which were admitted Monday over the protest of the defense.

Among the exhibits were the knife allegedly used by Tatum in the stabbing and a jar containing the spinal cords of Hughes, which were severed in the fight.

James Commodore of Valley Junction, who was found guilty last week of manslaughter in the slaying of his wife, will be sentenced October 10th. Attorney Howard will appeal.

'White Democratic Children, Only'

CAROLINA GOVERNOR SLURS NEGRO KIDS
Columbia, S. C., Oct. 8.—(CNA)—Gov. Olin Johnson did not invite Negro children to become solicitors in the drive for Democratic funds last week.

In proclaiming last Friday as "Roosevelt Day" in the public schools and colleges of the state so that the children may "help by asking their parents for contributions" to meet Carolina's \$50,000 quota, the governor said:

"I am asking every white Democratic child in South Carolina to lend his support to this cause."

ALL-NEGRO JURY IS QUESTIONED BY N. A. A. C. P.
New York, Oct. 8.—The question of whether an all-Negro jury to try a case involving Negroes is constitutional or a guarantee of justice, is being considered by the National Association for the Advancement of Colored People following the announcement last week of a judge in Murfreesboro, Ark., that he had ordered such a jury to be called for service in a murder case.

G.O.P. Leader Speaks Here

MRS. TRACY MITCHELL

much of her political experience working directly with Governor Landon himself. She was speaker at a rally in Des Moines Tuesday.

REPUBLICAN NOMINEE BLASTS CIVIL SERVICE DISCRIMINATION

(Special to the Bystander from ANP)
Topeka, Kansas.—In an interview Monday with Robert E. Church of Memphis, Republican leader, Gov. Alf M. Landon took an unqualified stand in opposition to lynching and racial discrimination of all kinds. "I subscribe fully to the Republican platform a plank of which declared for better economic opportunity for Negro Americans," governor further revealed.

Landon asserted that he would do all in his power to correct civil service abuses which have served to limit colored applicants from receiving government jobs. He further stated: "In common with all law-abiding citizens of this country, I am unalterably opposed to lawbreakers in all forms, including lynching, a blot on our American civilization. We must devise some legal means to end this great menace."

Reiterates His Position

The governor reiterated his position with reference to relief by saying: "Until private employment can fill the need our government must see that no Americans suffer because of the lack of the necessities of life."

Landon stated that the Republican party insists that the colored man shall receive equal treatment in receiving relief and not to be discriminated because of his race and political faith.

"Great People"
The attempt of the New Deal to use relief rolls as modern reservations on which the colored race is to be confined forever as a ward of the federal government . . . is not only disastrous to a great people but of alarming consequence to our entire economic and social life, Landon told Church.

In conclusion, the governor declared "a restored and honest system in the federal service can do directly to further economic opportunity for the colored men . . . I am happy to subscribe wholeheartedly to any such endeavor."

From the Boxing Ring to the Stage

JACK JOHNSON IN GRAND OPERA
New York, Oct. 8.—(C)—Quite a stir was created here last week when it was announced that Jack Johnson, former champion of the world, was to make his debut in grand opera at the Hippodrome Friday night, not as a singer, however, but as general of an army of Ethiopians.

Jack is scheduled to put up a terrific struggle on the stage when he is captured by the Egyptians and carried off from Ethiopia to Memphis, the ancient Egyptian capital. The opera in which Johnson appears is "Aida," which he says is his favorite, and Verdi his favorite operatic composer. Jack finds Wagner "very heavy," and Caruso remains to him the greatest male singer and Tetraxini the greatest woman singer.

EMPEROR TO CONTINUE FIGHT

London, Oct. 8.—The Ethiopian legation in London denied reports that Emperor Haile Selassie intended to abdicate. "The emperor will never abdicate," declared his London diplomatic representative. "He will never give up his sovereignty. He will not withdraw his delegation from Geneva."

A.M.E. Ministers Plan G.O.P. Rally

REPUBLICANS CONFER ON WRIGHT'S MOVE
New York, Oct. 8.—(C)—The immediate reaction in the Republican camp to the monster Madison Square Garden Roosevelt rally staged by Bishop R. R. Wright, Jr., under the auspices of the Good Neighbor League, was the calling of a group of ministers to Republican state headquarters, 41 East Forty-second street, and the passing of resolutions condemning the idea of calling President Roosevelt a second emancipator, and announcing that Republican rally would be staged in the Garden toward the end of October.

Bishop D. H. Sims, one time schoolmate of Bishop Wright, who graduated from Georgia State college when Bishop Wright's father, Major R. R. Wright, was president, was spokesman for the Republican ministers.

TELEGRAMS POUR IN ON GOOD NEIGHBORHOOD LEAGUE
New York, Oct. 8.—(C)—Telegrams of congratulation on the success of the great Madison Square Garden mass meeting are pouring in on the Good Neighbor League, 103 Park avenue, and Bishop R. R. Wright, Jr., who is chairman of the national colored committee. The wires are coming chiefly from those who heard the radio broadcast.

Mrs. Tracy Mitchell Addresses Meeting

"In his every public act in Kansas I know from experience that Gov. Landon has been fair to the Negro and we now have on the public payroll more Negroes than ever before," said Mrs. Tracy Mitchell of Topeka, Kansas, speaking at a Republican rally in the Amory Hall in Des Moines Tuesday night.

She gave a comprehensive statement of her association with Gov. Landon both before and after he became Governor of Kansas and said he has never failed to include the Negro in his program and of course on the same plane with others.

Negro stenographers, clerks, etc., are employed at the capitol in Kansas and she predicted that if elected that same sense of fairness would be carried to Washington.

Mrs. Mitchell is vice chairman of the Negro Division of Western Republicans headquarters in Chicago. The meeting was under the auspices of the Negro Women's Republican Club of which Mrs. Mattie Gould is president. Mrs. Francis Hall, vice chairman of the Polk County Negro Division presided. Others who spoke were J. G. Brown, state chairman and Rev. J. W. Tutt, county chairman.

The stage is all set, everything is in readiness—actors nervously await in the wings, theater is darkened—curtain prepares to rise, the orchestra director's arm is uplifted awaiting the signal to swing his baton into the largest and most elaborate extravaganza of music, song and dance for the grand finals of the second annual Iowa Negro Talent week at the Jewish Community Center, 8th and Forest streets, Monday evening at eight o'clock. Thirty-five amateur and professional aspirants of stage and radio will be vying for honors and cash awards in this all-star program sponsored by the Iowa Bystander, daily Negro newspaper in the state.

For the second successive year, business and professional leaders in the field of drama, music and other fine arts have cooperated to make this affair the outstanding event of the season. After a careful consideration the following, each one an expert, will view the performance and pass on the merits of the coming stars:

Judges
Miss Lois Bumgardner of Drake university, popular dance instructor of the Hilland Dance Studio, 3138 Seventh street and prominent in the terpsichorean circles of Iowa and the middle-west, expressed her delight to act as judge again, predicting an even greater show this season.

Alonzo Leach, owner of the Leach Music Company of 805 1/2 Locust street, music critic, instructor and composer, former director of the Drake University band, gladly consented to serve for the second time.

Harry Heister, manager of the Family Theatre, said "he was indeed happy to be a judge again," and to see such a grand display of talent.

Drake Graduate
Miss Roberta Maupin, graduate of Drake University, former music supervisor of public schools in Columbia, Missouri, and well-known soprano soloist and pianist and

Lynch Victim Shoots 15 In Brave Defense of Life

STANDS OFF MOB OF 2,000 FOR TWO HOURS
Windsor, N. C., Oct. —(Special)—Dennie Throver, 30 years of age, a respectable citizen of this city, wrote his own anti-lynching bill here Sunday when he refused to be lynched without some kind of a protest.

A mob of 2,000 persons led by Mayor J. A. Pritchett and Assistant Chief of Police W. L. Smallwood went to Throver's home and attempted to take him out and lynch him. It was held back five hours.

Throver, who had committed no offense, refused to be lynched and in his refusal fifteen of the would-be lynchers were shot down. Throver was finally shot and killed, but it was not until he had made a determined effort to protect his home and family.

TALENT CONTESTS ON KSO SUNDAY AT 5:30 P. M.

Several contestants who will appear in the grand finals of the second annual Iowa Negro Talent week Monday will be heard in a fifteen minutes' program over radio station KSO Sunday evening at 5:30 o'clock.

It is obvious, with the large number competing, that all who fail to be on time must be automatically ruled out. All contestants with tickets must report at the box office previous to the performance to Walda Wheels, cashier. A capacity crowd is expected, and tickets sales are increasing daily.

LANDON DOES NOT HIDE

In an interview with R. R. Church, Tennessee business man and political leader, Gov. Landon made some pertinent remarks Monday with regard to his stand on questioning pertaining particularly to the Negro.

The Republican platform of 1936 goes further on that question than for many years in that not only has it stated that injustices—and economic injustices are dealt with in it—should be eliminated but also pledged itself to help see that the job is done.

Naturally people on relief are wondering what will happen to them should Gov. Landon be elected. About this he said:

"I say again as I have formerly stated until private employment can fill the need our government must take whatever steps necessary to insure that no Americans suffer because of the lack of the necessities of life. Furthermore our party will insist that the colored man shall receive equal treatment in the receiving of relief and not to be discriminated against because of his race or political faith. Now although I consider this relief of importance still I feel with the colored citizen that the one-hope-of-the-Negro for the future lies in his being re-employed and integrated into the great productive life of our country."

In his acceptance speech Gov. Landon very aptly said that there is no future on relief. After all everybody with any brains knows that all of this made work is not going to last so it is highly important just to what the long time program of the parties is going to be.

This much is sure: Gov. Landon's dealings with Negroes in Kansas has been on a high plain; he has made himself unequivocally clear on all the great questions perplexing the Negro group. All of which present the best argument in the world why he should get the great bulk of the Negro's votes.

DANGER AHEAD

An all-white grand jury indicted a Negro for killing another in Arkansas hearing attorneys for the defendant last week. When the case came on for asked that the indictment be quashed upon the ground that no Negroes sat on the grand jury which returned the indictment.

The judge overruled the objection, but in an effort to conform to a recent ruling of the United States Supreme Court that a systematic exclusion of Negroes from juries violated the due process clause of the Constitution, ordered an all-Negro petit jury summoned to try the case. The all Negro jury was selected, heard the trial and found the defendant guilty as charged in the indictment.

On the surface this procedure looks to be alright but The Bystander thinks that it is loaded with dynamite. If an all-Negro jury can be put in service then somebody must have manipulated the jury list. If a jury list can be manipulated to get an all Negro jury, the list can be so manipulated to get an all white jury or race to serve. For instance had the murdered man been white, an all-white jury may have been selected. Such procedure is certainly contrary to our system of jurisprudence.

The result is that the decision of the Supreme Court is not being observed no matter who is on trial. The trial ought to go to the Supreme Court for review.

NO FORCED VOTING

All campaigns bring new problems. They must be met and solved by persons with convictions; they never can be solved by those who try to stay on the fence and keep from their friends and neighbors their stand on questions of the day.

The Bystander has never had a personal quarrel with anyone about his politics. This is a free country and one of the fundamental principles of freedom is the right to cast the ballot uncontrolled by fear or favor from any source.

There is much being said today about kicking people off jobs—relief—because of their political affiliations. If it is true the practice should be stopped at once for the fellow does so is not a good citizen by any means. We hear a lot about rotten politics in large cities; about bosses voting dead people, absentees, etc. Neither of these equals forcing a man to vote a certain ticket in order to get a relief.

Campaigns such as we are experiencing today get opposing forces stirred to a high pitch but they must not go to the extent of forcing voters to cast their ballots other than with their own free will.

What Others Say

STEEL WORKERS ORGANIZING COMMITTEE

Maplewood, Mo., Sept. 30, 1936. Editor Bystander, Des Moines, Iowa

Dear Mr. Morris:—People generally are prone to complain at the least little things which fail to satisfy and please. For instance, we complain of our food, our job, our church, our neighbor, our government, and so on all down the line until we reach our newspaper, and then we cuss and fuss.

However, this is not a communication of complaint, but a word or so of commendation.

The Bystander of the week of the 18th of September is to be praised in the very highest terms of recognized improvement. I have been a subscriber of the paper for many years, and I know its struggles, its ups and downs as it were, and I am very proud to watch with pride its steady growth and improvement.

Keep it up. I am with you, even if not for Landon.

Sincerely yours, Geo. H. Edmunds

YOUR BIRTH RIGHT

Eeas, sold his birth right for a mess of pottage. What are you going to do with yours?

The New Deal is having a pamphlet distributed among the Negro voters of Iowa under title of—"The New Negro." We wish to furnish our readers the names of this editorial staff, Jack Smith, Allen Ashby, Henry Mease, Luther H. Smith and Mrs. I. U. Evans. In weighing the merits of propaganda given us for our guidance in such an important duty as casting our ballot it is well to know who our advisers are.

The issues in this campaign go to the fundamental principles of our form of government. As a result of these principles the citizens of the United States of America enjoy a higher standard of living than the citizens in any government in the world; it is not perfection but it is the best there is, therefore it is better to improve a good start than to start over on something new that might not work at all.

Now back to the issues; who is running our government? What is their plan? What have they accomplished? What do they intend to do if re-elected?

We find a lot of unknown persons full of many divergent, visionary ideals, experimenting with the public funds at the expense of 130 millions of human beings, and not any one of them that has not been tried and proved failures.

Look at Russia, Italy, Germany and Mexico. Those who differ with the government are arrested in the after-

PAIN IN THE BACK (Kidney Trouble?)

Pain in the back and the use of kidney pills to alleviate the pain, as it is usually thought the trouble is caused by "bad kidneys" has become a most pernicious habit among the lay. Paradoxical as it may seem, pain in the back is seldom, if ever, caused by diseased kidneys.

Nature has been kind by giving us certain danger signals when different parts of the body becomes sick and if these early symptoms are recognized by the patient frequently early medical care will prevent a prolonged illness in bed.

Some of the early symptoms that one can recognize as a beginning disturbance of the kidneys are: Getting up at night to urinate two or more times, shortness of breath on exertion, dizziness, spots before the eyes, low grade headaches, and a general decrease in physical and mental efficiency.

Treatment

As to treatment drugs play a very insignificant part so the use of kidney pills is usually contraindicated. The most important features in treatment are confinement to bed, free bowel movements, use of a bland diet to rest the kidneys and the free use of milk and necessary water. Water when indicated is the best and least irritating stimulant that can be used, and causes increased elimination of toxic substances through the kidneys. All physicians discourage the promiscuous use of kidney pills.

noon, tried at midnight, convicted, sentenced and executed at dawn. Those dictators always ride into power on the pretense of their love and affection for the common people. Then after the power is given they use it to shackle those who gave it by denying freedom of thought, freedom of speech, freedom of religion, that is the present history of everyone of these nations.

If you read the papers, absorb carefully the news from Spain, also inspect France on the verge of a similar catastrophe.

The trend of the New Deal is toward communism. We do not want that in America, and those in our citizenry who do we will advise them to go to those countries that do have it. There are many to choose from enough to get any variety of it that you desire. Jesse Owens, our great athlete, who was on the New Deal payroll in Ohio, after his contact with it in Germany concluded that he had enough and forthwith, came home and took up the battle for the continuation of the American form of government, as it is or was before this innovation. Therefore before you allow yourselves to be swayed by any editorial staff however eminent or well advised, acquaint yourself with the facts in the case by listening to those who have reason, and not the dollar as their incentive to act.

SPORTS

by Allen Asay

FOOTBALL

Ozzie Simmons and his benchmen, Don Simmons and Watson, ran into week to be ready for Nebraska this fall. A couple of our boys at Northwestern last week and were surrounded and scalped. Clarence Hinton and Jefferson were the villains. Ozzie showed he could star on a losing club. Bell and Reed of Minnesota rested just week-end.

Our old school, Arkansas State college, at Pine Bluff, has a good chance to finish in the money in the Southwest Conference from the way the teams tied and upset each other down there. State played Jarvis last week and kicked 'em around, 38 to 0.

High Schools

Charley Swink and Booker King helped keep Valley undefeated last Friday. King scored twice and Swink made a couple of nice runs. Chet Simms and T. Avant of North High had their debut ruined at Perry last week. They missed that cancelled East Waterloo game, but maybe they will click this week.

At East, Mike Augustine uncorked a dusky combination to help upset

Mason City, 13 to 0. Harold Sharpe, Harry Saunders and Al Thomas, who was captain, took charge of things and made them look dark for Mason City. The way those kids blocked and hustled for each other would make them tough against anybody. This combination wasn't used offensively against Valley Junction. And Eddie Maupin fought and yelled his head off to fit in with the backs.

Professional

Bob Vandever showed the guys that he was just as tough in mud as on dry ground. Bob scored both of Des Moines' touchdowns against Rock Island in a rain battle Sunday. Quite a bit of discussion around town comparing Bob and Ozzie Simmons. They are both two different types of runners. Simmons is of the elusive dancing type, who depends on fancy foot work to get him out of tight places, while Vandever is a hard, slashing runner, who changes direction without losing speed.

NEGRO NINE BEATS HORNSBY'S CLUB—CHARLESTON CLOUDS UMPIRE

By Everett Wadsworth Staff Writer

Further justifying their claims to a chance in the big time loop, the National Negro League all-stars defeated Roger Hornsby's major league nine at the Western League ball park here Friday night, 5 to 2, before 4,000 fans. Behind the southpaw curves

and fast balls of LeRoy Matlock, winner of twenty-four victories and no defeats this season, the National and American League battlers were helpless with their scant four hits, including doubles by Johnny Mize, first sacker, and Heinie Mueller, shortstop, both of the St. Louis Cardinals.

Satchel Paige, the world's greatest pitcher, was not called for mound duty because of the perfect work of Matlock, who would have scored a shutout but for two errors by Scenna Baseman Hughes in the second and seventh innings, when he allowed two fluke singles by Todd and Suhr, both of the Pittsburgh Pirates. Jim Weaver, of the Pirates, fanned eleven, but was nicked for nine hits. Mike Ryan, St. Louis Cardinal hurler, finished the game, permitting two hits in two innings.

Batting honors went to Bell, Wright and Oscar Charleston. Umpire Les Williams seemed to have had it "in" for the colored team, as the decisions were "rank," drawing boos and derision from the crowd. Several times his attention had to be called to the number of strikes and balls called. In the eighth when Catcher Perkins protested to Williams, the latter became abusive and ordered the players off the field.

When First Baseman Charleston came in from his position Williams made a threatening gesture. In the exchange of words witnesses say he called the Race's first sacker a black you-know-what, whereupon (Joe Louis) Charleston led with a right cross to the chin. Fans surged on the field as the two battled until separated by police. After a ten minutes' interruption the game was resumed.

score of the Simpson game in a crushing 53 to 6 victory before 5,000 cheering fans.

The Bulldogs conclude their early season pre-conference schedule this week-end against Central, Creighton opposing Drake here the following Friday in an all-important Valley conference encounter.

Bobby Underwood, a sophomore halfback who scored two Drake touchdowns; Bud Suter, star halfback; red-headed Church Orebough, although injured, and Pur Manders bore a big share of the Drake offensive brunt.

BRUNDAGE SPEAKER AT AMERICAN NAZI RALLY

New York, Oct. 8—Avery Brundage, who barred Jesse Owens from amateur ranks because Owens objected to barnstorming through Europe after running and jumping his heart out at the Olympic games in Berlin, was scheduled as speaker at a rally in Madison Square Garden October 4 of American Hitlerites using the name "The United German Societies of Greater New York."

Reports Indicate Innocent Man Is Lynched; Victim's Family Threatened

New York, Oct. 8.—Communications to the N. A. A. C. P. here indicate that A. L. McCamy, lynched at Dalton, Ga., September 6th, was certainly not guilty of "attempted rape" and might have been a man innocent of any crime whatsoever. The white woman who is supposed to have been attacked has denied that the man in her home molested her. She has denied also that she could identify the person.

A check upon the movements of McCamy on that night shows that at the time the woman claims she saw a man in her room, McCamy was home in bed. He left the north end of Dalton before ten o'clock and went to a cafe in South Dalton in a taxicab with another man. From there he walked home and is said to have been there continuously until two o'clock when officers came and arrested him.

The family attempted to get a hearing for him on Friday, but the authorities put it off until Saturday. On Saturday they put it off until Monday and on Sunday he was lynched. The dead man's relatives are said to have been warned by deputy sheriffs that they would "get the same thing" if they did not get off the streets.

DR. BAYEN THANKS PUBLIC FOR ETHIOPIAN AID

New York, Oct. 8.—(Calvin Service)—At the Rex hotel, 106 West Forty-seventh street, his headquarters, Dr. Malaku E. Bayen, special representative of his majesty, Haile Selassie I, commenting on the mass meeting held at Rockland palace, One Hundred and Fifteenth street and Eighth avenue, Monday night expressed his very

deep appreciation for the warm and sympathetic way in which the public received him.

Dr. Bayen expressed himself as being grateful for the very hearty cooperation of the United Aid for Ethiopia and stated also that he is anxious to secure the co-operation of all organizations interested in his country, and will be pleased to accept invitations from all such organizations who really are interested in the cause.

HEARST PRESS WHIPS UP LYNCH SPIRIT

Chicago, Oct. 8.—(CNA)—A wild man hunt and lynch hysteria was initiated here by Prosecutor Mal Cogan and taken up by the Hearst press in connection with the attack and attempted slaying of Aida Deery, 22 year old white vaudeville actress. Miss Deery was attacked and left unconscious in a hotel room to which her assailant had set fire. Prosecutor Cogan asked the police to search the loop and South Side for "possible Negro suspects." No Negroes worked at the hotel, nor was it possible for them to gain admittance under normal conditions.

LIFE IMPRISONMENT FOR \$150 THEFT

Birmingham, Ala., Oct. 8.—James Thomas was sentenced last week to life imprisonment when a white jury found him guilty of a burglary which netted \$150. The jurors heard a strong plea from the prosecutor for the death penalty.

SECRET LYNCHING EXPOSED

Tallahassee, Fla., Oct. 8.—(C)—A secret lynching at Greenville on September 11th of Buckie Young, who is

claimed to have attacked a woman, was revealed Saturday when Governor Sholtz directed Sheriff Morrow and Prosecutor Kelly of Madison county to make every effort to apprehend the lynchers.

Flush Kidneys of Acid and Poisons

Gain in Health and Stop Getting Up Nights

When kidneys are clogged they become weak—the bladder is irritated—often passage is scanty and smart and burning—sleep is restless and night visits to the bathroom are frequent. The right safe harmless and inexpensive way to stop this trouble and restore healthy action to kidneys and bladder is to get from any drugist a 35-cent box of Gold Medal Haarlem Oil Capsules and take as directed—you won't be disappointed. But be sure to get GOLD MEDAL Haarlem Oil Capsules—the original and genuine—right from Haarlem in Holland—a grand kidney stimulant and diuretic. Remember also that either backache, leg cramps, puffy symptoms of kidney and bladder trouble, moist palms and nervousness.
