Wear Priceless Silks, Jewels at Buckingham Palace Pageantry

LONDON, May 13—Amid the pomp and pageantry of the British Empire coronation ceremonies in Buckingham palace Wednesday of King George VI and Queen Elizabeth of Great Britain paraded the tribal chiefs of the far East, resplendent in the cavalcade of colors.

Even more gorgeous was the panorama of the British empire which passed before the thrones. Indian princes attended flowing exotic robes.

Wealth of Color
African chiefs, in multi-colored costumes of priceless silks and with all the dignity associated with nobility, passed impressively before the thrones making their obeisances. From Ceylon, Burma, the Fiji Islands, British Somaliland from the Seychelles Islands (in the Indian Ocean east of Africa) and Zanzibar (an island east of Africa) came members of the far flung empire which is bound together solely by the young King and Queen they saluted.

Against this wealth of color and historical significance moved representatives of the Western World. Beautifully gowned women from Canada, Australia, New Zealand, South Africa, Newfoundland, and the Falklands were presented by the wives of their premiers.

Native Costume
King George appeared particularly interested in the African chiefs whose display of rich costumes combined with their excellent physique added an exotic note and color to the ceremony. The most colorful figures, wearing proudly their typical native ceremonial costumes were the African and Indian princes.

These colonial royalties came preceded by their attendants dressed in Western outfits. No less conspicuous were the tribal chiefs from British Somaliland who marched past the British thrones resplendent in their tropical red and green costumes.

Entertainer Forced From London Hotel

BECAUSE MANY AMERICANS PRESENT FOR CORONATION

London, May 13—(ANP)—The well known color prejudice of American citizens was used as an excuse last week for the refusal of a Park-lane hotel one of London's most luxurious hostesses, to further serve Joece Iyn Bingham, known both here and abroad as "Prisco," the entertainer and night club owner.

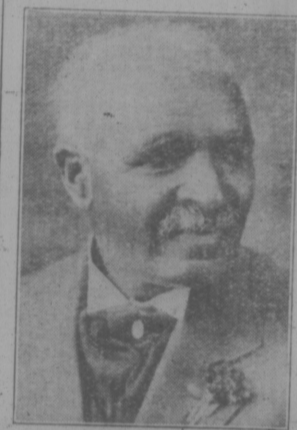

For two years Prisco has frequented the hotel regularly. He has usually been host to a large party, including members of the nobility, parliament and social leaders. But last Friday his generosity and entertaining were stopped. A barman politely hinted he was no longer to be served. Indignant, Prisco sought the management.

"We have many Americans here for the coronation," he was told. "The color bar in America is extremely strict, so that, to avoid offending guests from the states who are actually staying in the hotel, we are regretfully compelled to put the bar up against Negroes. After the coronation we shall, of course, be glad to serve you again."

MASONS BEGIN CELEBRATION

Fowler and Son Funeral Home pending arrangements.

Resents Senate Vote Trading on Anti-Lynch Bill

Washington, May 13—The expressions of resentment from the voters back home over the use of the anti-lynching bill for trading votes on the president's supreme court plan are beginning to be heard here in

It Can Happen Here!

LYNCH MOB FOILED

IN GEORGIA

Savannah, Ga., May 13—(C)—A lynch mob failed to get William Hopkins on Friday when two white farmers, Fred Pennington and Ben Falch, rescued the man and turned him over to Sheriff Herrington of Burke county, who brought the man here for safe keeping.

The two farmers took Hopkins into an automobile and drove around the countryside until they found the sheriff, eluding a mob gathered near Midville. Hopkins, accused of attacking a woman near Blytheville on Monday, had worked until he was recognized at work on a construction job.

Washington. Many veteran observers, even enemies of anti-lynching legislation, are conceding that this spring offers the best chance in many years to pass a federal anti-lynching law. Demands for action by the senate have been voiced in all the influential newspapers of the country, daily and weekly, and the prospect that the senate will use the bill for trading purposes is infuriating supporters of the legislation.

The N. A. A. C. P. is checking up upon the record of each senator who has played any part in the discussions and maneuverings upon previous anti-lynching legislation. The purpose of the survey is to determine once again, as of May, 1937, how much support the anti-lynching bill has. The survey thus far reveals that the bill could be passed easily if it could be got on the floor for a vote. It is emphasized here that all possible pressure must be brought to bear upon senators to have them prevail upon the senate leadership in order to see that the bill is brought up for a vote.

Jackson, Miss., May 13—Nothing will be done about the blow torch double lynching at Duck Hill, Miss., on April 13, it was declared last week by the Indianola, Miss., Sun-Lower Tocsin. "Nothing will ever come of any investigation the governor or anybody else will make and not one member of the mob will ever be arrested," the paper says in an editorial. "We do not condone lynchings, but if two persons ever deserved lynching, the two brutes at Duck Hill richly deserved what they got. We have no sympathy to waste on them. None whatever."

The Jackson, Miss., Daily News, of which the veteran Negro later, Colonel Frederick Sultens, is editor, declared editorially that the outburst over the Duck Hill lynchings was "a lot of tommy-rot." The Columbus, Miss., Dispatch declared editorially that it was "sick and tired" of the south being blamed for lynchings and also that it was "sick and tired" of some southern editors joining with the critics of the south.

By a 40-12 Vote

COLOR LINE DROPPED BY METHODIST GROUP

Boston, May 13—(CNA)—Zion's Herald, century old journal of American Methodism, asked editorially in its current issue: When will some white conference of the Methodist Episcopal church invite a Negro bishop to preside at its annual session as a demonstration of brotherhood? By coincidence, the question was answered before the magazine was off the press.

The New Hampshire conference of the church by a vote of 40 to 12 has requested that a Negro bishop be assigned to preside at the next session when the resident bishop is unable to preside. All members of the conference are white. This action was unprecedented in the 150 year history of American Methodism.

FATHER DIVINE ANGEL WINS \$2,739 JUDGMENT AGAINST HIM

New York City, May 13—(ANP)—Failure of Father Divine to appear in city court Monday in answer to summons resulted in the obtaining by Miss Jessie V. Birdsall, a former follower of a \$2,739.20 judgment by default. The summons ignored was the same one served April 20th, which resulted in the stabbing of Harry Green, white, friend of the process server.

CHICAGO—A colored congressman is just another Negro to this railway official.

Of far reaching importance to Negro travelers who have suffered gross indignities by being forced to ride in Jim Crow railroad trains and consistently denied the use of first class accommodations in certain sections of the south, the \$50,000 damage suit filed Monday against the Chicago, Rock Island and Pacific Railway Co. by Congressman Arthur W. Mitchell is attracting nationwide attention it was learned this week.

Demands Redress

The Illinois representative in Congress is demanding redress for being forcibly ejected from a Pullman car of the Chicago, Rock Island and Pacific Railway Co., on April 20 a few miles out from Hot Springs, Ark., where he was going for a brief rest. The suit was filed in the Cook County Circuit Court by Atty. Richard E. Westbrook of Ellis and Westbrook.

Forced Into Second Class

Mr. Mitchell alleges he purchased a round trip first class ticket from Chicago to Hot Springs from the defendants on April 20 which he was allowed to occupy through the states of Illinois, Tennessee and part of Arkansas where he was forced into the "second class" section of the train. In chasing the congressman from the sleeper, the conductor is accused of abusing and calling him vile and vulgar names in the presence of his friends.

Pulitzer Novel is Insult to Negroes

COMMUNISTS HIT PRIZE FOR "GONE WITH THE WIND"

New York, May 13—(ANP)—Terping the book "a deliberate insult to the Negro people," a Young Communist League in convention last week at Webster hall adopted a resolution protesting the Pulitzer prize award to Margaret Mitchell's novel, "Gone With the Wind." The resolution read:

"The eighth annual convention of the Young Communist League believes that the awarding of the Pulitzer prize to 1,037 pages of southern lingo and apologetics is a deliberate insult to the Negro people, whom the novel vilifies, and to all progressive, socially minded people. We urge intensive protests against any attempt to make a motion picture out of this book."

Ministers Pretest Public Baptising

250 WERE CANDIDATES DURING COTTON CARNIVAL WEEK

Memphis, May 13—(ANP)—With the protests of the Memphis Ministerial alliance, white organization, ringing in their ears, a mass Negro baptizing of 250 persons for Thursday, while this city observes the annual Cotton Carnival, was cancelled. Bishop C. H. Mason and the Rev. E. H. Cooper of the Church of God in Christ, who were to officiate, cancelled the proposed public demonstration before they were officially notified by a committee the white alliance had named.

Plans called for the use of a park on the bluffs of the Mississippi river as a "reviewing stand," and a broadcast at 2:30 Thursday afternoon over WHBQ. It was decided the baptism will be held privately at an announced site.

Assault on Young Teacher is Bared

WHITE RAPISTS FREED OR GIVEN SUSPENDED SENTENCES

Houston, Tex., May 13—(CNA)—Nannie E. Harris, beautiful 20 year old school teacher of Richards, Grimes county, Texas, was waylaid on Sunday night, February 21, and raped five times by four white men. The attack occurred while she was returning from Navasota to Richards, accompanied by two male friends, who were beaten into unconsciousness by her attackers.

The four white men, W. F. Isbell, Buster McFarland, W. A. Humphrey and Dan Allen, were enrolled at the Richards CCC camp, where the commanding authorities whitewashed the crime after discharging the men

IMPROVED UNIFORM INTERNATIONAL SUNDAY SCHOOL LESSON

Lesson for May 16

THE FORBEARANCE OF ISAAC

LESSON TEXT—Genesis 26: 12-25. GOLDEN TEXT—Blessed are the peacemakers: for they shall be called the children of God. Matthew 5:9. PRIMARY TOPIC—A Man Who Wouldn't Quarrel. JUNIOR TOPIC—Was Isaac a Hero? INTERMEDIATE AND SENIOR TOPIC—How to Promote Peace. YOUNG PEOPLE AND ADULT TOPIC—Promoting Peace.

In a world largely dominated by the philosophy that might is right, and in which men are urged to assert themselves and demand their rights, exacting them even by lawless and violent methods, it is increasingly difficult to proclaim the truth that meekness is not weakness and that the Christian virtues of patience and long-suffering are not simply outmoded theories which do not fit our modern world.

The story of Isaac, the second of the patriarchs, is instructive from beginning to end. The five chapters preceding this lesson merit careful reading. Isaac had come through many blessed experiences and had also sadly tasted the defeat of unbelief and sin before we reach the time of our lesson. Fearing a famine, and evidently not believing that God would care for him, he had gone down from the promised land, and was dwelling in the land of the Philistines. But God had not forsaken him, and even there he blessed him.

I. Peace, Prosperity, and Envy (vv. 12-17).
Isaac was at peace although he was in the enemy's territory. God had given him great prosperity with the result that the Philistines hated him. Times have changed, but men are the same. Many are they who will not have the Lord Jesus Christ to rule over them, but who cast envious glances toward those who because they have honored God have been honored by him with peace of heart and have prospered in whatever they do. (Read Psalm 1.)

Note that Isaac's testimony is strengthened by his willingness to give even what was his right, rather than cause contention. Undoubtedly there are times when one must defend his name and his possessions, but all too often those who "stand up for their rights" have wrecked homes, churches, and nations, and have gained nothing but an empty victory.

II. Peace in the World Is Temporary (vv. 18-21).
Isaac moved on and dugged more wells, and for a time he was again at peace, but not for long. He was still in the land of the Philistines. We are in the world. We long for peace, we would throw all our influence on the side of peace. But let us not be misled, for as long as sin is in the world there will be strife and war.

Many noble Christian men and women have permitted their God-given hatred of war and killing to mislead them into support of unscriptural and impossible peace programs, often to the loss of their interest in the preaching of the gospel and the winning of souls to Christ.

III. Perfect Peace in the Presence of God (vv. 22-25).
When Isaac came up into Canaan the land which God had promised him, he found permanent peace and renewed fellowship with God. Even so, the Christian man and woman who will step out of a spirituality-destroying fellowship with the world and will come wholly over into the spiritual Canaan will find true peace and intimate communion with God.

A broader application of the same truth brings before us the teaching of Scripture that when the One who has a right to reign, the Lord Jesus Christ, returns to take his throne, then and not before, will peace cover the earth. In the meantime those who bear the beautiful name Christian, who are true followers of the Prince of Peace, will give themselves to such patient, loving, and long-suffering testimony to Him that their personal influence will be toward peace in the home, in the church, in the community, in the earth.

Always remember that God's Word, the Bible, is our guide. Let us read it diligently, intelligently, prayerfully. To help the reader to do this, the writer of these notes will be glad to supply without cost or obligation a Bible-reading calendar with a workable plan for reading the blessed Book through in a year. If possible enclose a stamped and self-addressed envelope with your request.

Faults Showing Up
The good often sigh more over little faults than the wicked over great. Hence an old proverb, that the stain appears greater according to the brilliancy of what it touches. —Palmer.

Sin of Not Doing
Doing nothing at all is often the worst kind of wrong doing. Simply failing to do what we ought to do may be more measurable than any mistake in our best methods of doing.

CHICAGO AMERICAN GIANTS, CINCINNATI TIGERS TO CLASH AT WESTERN LEAGUE PARK

By the Staff Writer
Des Moines baseball fans will get a chance to see two Negro major league nines in action when the Chicago American Giants and the Cincinnati Tigers, both of the Negro American League, will tangle in a two game series Wednesday and Thursday evening at the Western League ball park at 8 p. m. The eastern circuit of colored teams is known as the Negro National League. Featuring Joe Lillard, former Iowa boy, who may pitch and play out field, the Tigers will bring a strong lineup fresh from the southern training camps with a 1932 record of 102 runs against twenty losses. "Jelly" Taylor at first base, "Pee Wee" Carter at short, with "Cannon Ball" Moss on the mound will provide the thrills. The Giants are known to Iowans by their previous appearances here with such stars in their lineup as Bill Foster, Willie Cornelius and Ted Trent, pitchers; Wilson Redus, slugging outfielder; Alex Radcliffe, third baseman, all batting over .300. Out of sixteen training camp games played this season they have scored thirteen victories.

WILSON REDUS
American outfielder of the Chicago American Giants, who batted .320 in 1932, and .357 in 1936 will be seen at the Western League ball park here Wednesday and Thursday against Cincinnati Tigers.

University of Iowa collared honors with Skinner winning the two-hundred and finishing second in the hundred. He also ran with Wiggins on the winning mile relay team. Homer Harris finished third in the shot and Langston Parks won the high jump for Parsons College.

Got a letter from Mack Robinson the other day. He said he defended his individual scoring honors in a meet at Santa Barbara last week. This was the third time he has won honors there. He won the hundred in 1:08, the 220 in 2:13 for a new meet record. Mack also held the old record of 2:14. He also grabbed the broad jump at twenty-four feet four inches. He told us that Seward Moundy, the chap who had yours truly upsetting the town trying to find him, won the half mile in 1:56.4.

Tennis
The racket season is on us. We got out the old war club and made a few practice swings. Our leg, which hand-capped as some last year is all right and we look forward to a fine year. Bill Ashby and Chet Williamson are hurling wild challenges, at each other and Earl Newcomb and Paul Woods are sawing wood and keeping still. Paul Williams is after the number one singles post at North; girls 3-1829 Bystander at May 12 on both sides of the river want to form tennis clubs and so does your scribe.

Oh yes! the golfers are getting ready to let themselves go. They also look for a busy season and a good one.

Looking Over the Hawkeyes

By J. Braddie Storr

Greetings and salutations, friends! We are drawing toward the close of this semester. Final examinations start on the 27th of May and end on June 3rd. Our final big social event is coming off Saturday evening, the annual spring party. It will be given at the university music hall. The music will be furnished by the Swing Maniacs. We are expecting many guests from out of the city.

Iowa walked off with the state inter-collegiate track meet Saturday. Much to our disappointment Drake did not send its team and we were unable to witness the sprinters' duel which I predicted last week between Robinson of Drake and Skinner of Iowa in the 100 yard dash. Parks of Parsons college won the high jump. Parks and Black of Parsons also placed in several other individual events. Harris of Iowa got third in the shot and R. Nelson of Iowa got second in the two mile run. Next week Iowa travels to Wisconsin for a dual meet.

Sunday we played a softball game. A team composed of Kappas and pledges tangled with a team composed of Alphas and townsmen, the Kappas coming out on the long end of a 14.7 score. This promises to be a regular Sunday affair.

Well, I'll see you all again next week in the column.

Malone A. M. E. Church

A great revival is being launched in Malone A. M. E. church which will be conducted by Dr. J. G. Robinson and Mrs. J. G. Robinson.

Dr. Robinson is the editor of the African Methodist Episcopal church. His Evangelistic career is well known to the entire country for during the course of 59 years of ministerial service 50,000 souls have been brought to Christ through his preaching. In spite of the fact he is not a young man he is still a power in the pulpit. Monday morning he was presented to the ministerial association at the Y. M. C. A. and delivered an effective message on "The Elements of Effective Preaching."

The ministerial association is composed of three race ministers and the rest white. The courtesy extended by the entire group toward this towering giant of African Methodism was truly appreciated. Truly we say we have a group of Christian brotherly ministers in Sioux City. The pastor, Rev. W. R. Stewart and family, and Mrs. Minnie Hubbard were in Minneapolis last week attending the district conference. The bake sale by the missionary ladies last Saturday was a success. An entertainment and social were given by the Steward board at C. F. William's place last Thursday night with success. The funeral of Mr. Charles Marzett was held at Malone with the pastor in charge. Members and friends of Malone unit in sympathy with Mrs. Marzett and children. Mrs. Albert Williams, president of the Senior gospel choir united with the church.

COSMETOLOGY BOARD REUSES TO EXAMINE COLORED GIRLS WITH WHITES

Cleveland, May 6—(ANP)—Condoning the discriminatory practices of the Carter hotel management, the Ohio cosmetology board refused to examine thirty-five colored girls here as scheduled. Receiving admittance notices from the Columbus office, three girls went to the Carter hotel on the day designated for the exams to be held. The management told Miss Healin and Mrs. Bruce of the state examining board that he would not permit colored girls to be examined in his hotel.

Board members proceeded to examine the white girls present and informed the colored girls they would have to take their examinations in another place, suggesting the Wilkins School of Cosmetology, from which most of the girls had graduated.

You can become peppy this easy way

If you are happy and peppy and full of fun, men will take you places. If you are listless, they will leave you to yourself and parties. BUT, if you are cross and listless and always tired out, men won't be interested in you. Men don't like "sulky" girls. Men go to parties to enjoy themselves. They want girls who are full of pep.

LYDIA E. PINKHAM'S VEGETABLE COMPOUND helps give you pep and energy. For over sixty years girls and women have been taking this famous old medicine to pep them up, to help give them strength, energy, sparkle. Notice the girls and women about you who are full of pep. ODD FELLOWS THANKSGIVING AT CEDAR RAPIDS

The following report of the Odd Fellows and Household of Ruth exercises was written by F. J. Harris, D. G. Mas., of Des Moines.

Sunday, May 9th was spent in Cedar Rapids in the Thanksgiving Exercises of Odd Fellows and H. H. of R. from Des Moines, Davenport, Ottumwa, Cedar Rapids and Pershing, Iowa. We were found in the midst of a beautiful day and a large representation was present. The line of march was formed at the hall at 1:45 P. M., escorted by the policemen of the city and marshaled by J. R. Roberts of Charity Lodge No. 3192, Des Moines, who creditably handled the procession of fifty-five in number attended the Mt. Zion Baptist church for supervision of J. O. Winston of Ottumwa, Iowa, as master of ceremonies in arriving at the church.

FRANK G. HARRIS

The inmates of the H. H. of R's forming a line of march, directed by the D. G. M. N. G. Mrs. Rosabell Sample of district 21, Davenport, Iowa, filing in through the Brethren into the church. The church choir was in its place and rendered music for the occasion. Brother Louis Braggs the N. G. of the B. K. Bruce Lodge No. 6111 made some timely remarks and introduced Mr. J. C. Winston as master of ceremonies. He spoke in a well chosen way asking for invocation by the Lodge chaplain and in prayer offered by the chaplain all eyes were dampened with tears and it was the beginning point of a joyful day.

Mrs. Hattie Williams of Beautiful Light H. H. of R. No. 4837 was introduced with honors to give a history and life of the Ruthites which was so well handled it is not a wonder that we use the correct phrase by saying that older people are for counsel and the young people are for service. Vocal solo was rendered by Mrs. Opal Dorsey of Des Moines at this time Mr. C. F. Conway the master mind of the B. K. Bruce Lodge No. 6111 and district grand direction of district No. 30 G. U. 60 F. were introduced with high honors to give a history and life of the Odd Fellows and Peter Ogden. He gave to the audience his best. We are justified in saying that he has given these subjects more thought and study than any one in the state. Music was rendered by the choir after which Mr. D. T. Mosely, inmate of Maggie Boewic and Louis Braggs lifted a collection of twenty-two dollars and expressed thanks to the loyal workers and audience for their financial support.

The sermon was delivered by Rev. A. M. Smith, pastor of the Mt. Zion Baptist church and recorder of the Iowa Minnesota and Nebraska Baptist Association was introduced with honors as speaker of the day. He gave a strong and fruitful message of love-instructing us to carry out the principals of the things that we are today showing forth to the public and the same we owe to our God. The district grand most noble governor, Mrs. Rosabell Sample of Davenport and district grand right noble governor, Mrs. Virginia Mosely of Des Moines were present and they were specially introduced by F. J. Harris.

Reading from left to right those at the meeting were: Dr. Chas. S. Johnson, Flak University; DeWitt Smith, in charge of Red Cross operations; Miss Mary Williams, Secretary Tuskegee Red Cross Chapter and representing Pres. F. D. Patterson; Mrs. Margaret Davis Bowen, Grand Basileus, Alpha Kappa Alpha Sorority; Mrs. Estelle Massey Riddle, President National Ass. of Negro Nurses; Claude A. Barnett of Chicago; James L. Fiensier, Vice-Chairman American Red Cross; Eugene Kinckle Jones, Executive Secretary National Urban League; Dr. George E. Haynes, Federal Council of Churches; Roy Wilkins, Asst. Secretary, N. A. A. C. P. and J. B. Gwin, director Personnel for the Red Cross. (A. N. P.)

Study American Red Cross Activities

The committee above, representing a number of national organizations important in Negro life, met with Red Cross officials in Washington, Monday and surveyed the activities of the Red Cross insofar as they affected Negroes during the recent Ohio and Mississippi Valley Flood. Immediate correction was promised where inequalities were reported.

in South Carolina, later attending Howard and Temple Universities. He was married to Miss Leona Crockett of Corpus Christi, Texas, in 1912. His three sons are attending college: Owen Edward, at Morehouse; George Warren, Jr., Drake, and Harold Crockett, at Arkansas State.

A pageant revealing Religious Education teaching youth and, also depicting the thirty-nine years of progress of Corinthian church was presented as one of the outstanding evening attractions. The closing night of the anniversary celebration on May 7, was witnessed by approximately six hundred people. The Four and Twenty Elders marched in and seated themselves around the throne; approximately two hundred virgins seated themselves in back of the Elders. Following the Virgins were one hundred cup bearers. After the sermon on the Four and Twenty Elders by the Rev. C. K. Brown of Burns M. E. church, each Elder made his report and as a result \$1100.00 was raised which will go on the building fund of the church to help defray an \$38,000.00 debt from which the creditors deducted \$8,000.00.

ETHIOPIA IS STILL RESISTING INVASION

Jibouti, French Somaliland, May 6—News has trickled through here in the provinces of Kaffa, Sidamo, Wollega and Bali, large bands of Ethiopians are still operating against the Italian forces. The largest unit is led by Blatta Takoka, former mayor of Addis Ababa, who is successfully holding his ground, but the activities generally are directed by Bedjronde Tecla Hawariate, former Ethiopian minister to Paris, from the safety of the Ethiopian consulate here. A short time ago Tadessa Mashesa, Emperor Haile Selassie's former secretary, and Ato Marros, former Ethiopian minister at Angora, made their submissions to the Italians and were allowed to return to Addis Ababa. They soon disappeared and are now with the Ethiopian guerrillas in the mountains.

The subject for next Sunday is "Girls' Ideas About Boys." The "Win My Chum" campaign opened last Sunday with several more people in attendance. Sunday night a near capacity crowd witnessed the League's special Mother's Day program.

SET HEARING DATE FOR ALABAMA LYNCH SHERIFF

Believed to be the first case of its kind in the south, the charges were preferred by Governor Bibb Graves, who alleged the sheriff failed to notify his office for twenty-four hours after a mob of fifty men stormed the Abbeville jail and kidnaped Johnson, and also charged the official made no effort to halt the lynching.

Rivers is now "classed with Bojangles Robinson and Bill Bailey of the Cotton Club fame and has had attractive offers from Hollywood.

William Kyle, velvet-voiced vocalist, also did the Susie-Q with Georgia Watkins of Des Moines. Miss Watkins did a "Tanya" hip swinging act of "Muggin' the Bugle Call Rag." A big share of applause also went to Frank Massey, a young local tap dance artist.

The Royal Senators club, an organization of young men, who sponsored the dance, is composed of fifteen members and was organized last fall. Oliver McKay is president. They expressed deep appreciation to the patrons of their initial affair and are planning for more in the near future.

OLD PEOPLE find way to keep breath wholesome Halitosis (bad breath) quickly yields to Listerine, safe antiseptic and deodorant

Either because of stomach disturbances, food fermentation, or the wearing of false teeth, old people frequently have halitosis (bad breath). No wonder others consider them a nuisance. But new science has found that the regular use of Listerine will often remove offensive mouth odors due to the fermentation of tiny bits of food on mouth, teeth, or dental plate surfaces.

This safe antiseptic and quick deodorant works quickly. It cleanses mouth, teeth, and gum surfaces. It kills fermentation and putrefaction, a major cause of odors, and then counteracts the odors themselves. Try using Listerine every two or three days. See how much more wholesome it leaves your mouth. How it sweetens your breath. Lambert Pharmaceutical Co., St. Louis, Mo.

Don't offend others - Check halitosis with LISTERINE CHEST COLDS Rub on Musterole. Used by millions for 25 years. NOT just a salve, but a "counter-irritant." All druggists. Three strengths.

THAT TAX EXEMPTION

The Iowa legislature passed a bill at the session just closed authorizing homestead exemption available for taxes payable in 1937 and 1938. While the law provides for an exemption to the extent of \$2,000 it cannot be determined definitely at this time just what the exemption will be.

For the past few weeks, The Bystander has run a notice on the front page urging home owners to go to the office of the auditor of their respective counties and make the necessary application for exemption. May 31 is the last date the application will be received. It will not pay to wait until the last minute. The job should be done NOW.

Most people complain that their taxes are too high. Here is an opportunity to get a reduction. The Bystander hopes that the people will not allow their negligence to bar them from securing the benefits to which they are entitled.

RED CROSS REPORTS ON FLOOD SUFFERERS

While Negro newspapers of the country were carrying banner headlines about the recent flood in the Mississippi and Ohio river basins they carried stories about racial discrimination practiced by the Red Cross in some communities. This discrimination ranged from differential in payment to Negro physicians as compared with that received by white physicians and refusals to rescue Negro sufferers and to aid in providing safety for them.

The existence of these conditions was taken up by Negro welfare organizations with the result that many of the inequalities complained of were corrected.

Recently a committee representing various organizations met at the American Red Cross headquarters in Washington where these complaints were discussed with candor with the officials. Of course these complaints were based on the conduct of local officials. These Negro representatives reported that in almost every instance the conditions complained of were rectified and on the whole Negro sufferers were being assisted in their effort to rebuild their losses in a very satisfactory manner. National officials assured the group that it was not the policy of the Red Cross to tolerate discrimination and that they would rectify unfair conditions whenever they occurred.

Some papers, The Bystander in particular, were criticized for raising this issue while untold suffering prevailed, but they felt that to have waited until the situation had passed would not give these unfortunate any benefits of their efforts.

The Bystander feels that the American Red Cross has done its best to see that unfortunate are helped regardless of race; it also knows that local units must be watched in order that this policy is adhered to.

DOES THE LABOR LAW MEAN THIS?

David Lawrence, able columnist writing in the Evening Tribune Tuesday on the many puzzling questions that are vexing employers brought on by the Wagner labor acts, says:

"There is, of course, nothing in the law (Wagner) which compels an employer to sign an agreement with his employees if he does not wish to do so. But once he signs a closed shop

agreement, no matter how broad is the exception stipulated in the Wagner act, a citizen would have a right to ask the courts to remove as a barrier to his securing employment the existence of a discriminatory agreement which makes it a condition of his acceptance of employment that he must join the existing labor organization."

Granting that what Mr. Lawrence says is true, a citizen would find it very difficult to force his way into a job even by court action if the bargaining union was opposed to the applicant, for labor has set a precedent in some communities that they don't have to obey court decrees.

Or take this situation, suppose as is true in many instances, Negroes were barred from a union and yet that union was the bargaining unit for the employees of the shop; does the act provide that a Negro applicant may go into the shop and brush aside the discriminatory regulation which keeps him out of the union and consequently out of the job? This is very interesting and well worth investigating.

AFTER YOU'RE GONE

By Irene Ross

You said I would forget you, Forget your aching heart, For other eyes and curlier hair, Could easily take it apart.

The days and night go slowly, I meet new folks each day, Trying to hide the ache inside I smile at the things they say.

If you come back, I'll laugh again, At the things we used to do, But if you don't and say you won't I hope you feel this way too.

Although the weeks grow into months, And days grow into weeks, I hope you will forget me not, As a bird forgets his beak!!!

diseases (if Tuberculosis is excluded) and if the heart does not fail the pathology of the kidneys ends in Uremia or Coma. Young persons or persons in middle age or past middle age and any person over forty who has had scarlet fever or heart disease or in whose families there has been the existence of kidney disease or Bright's disease or Arterio-Sclerosis are susceptible to Uremic Coma and should be examined, the heart and kidneys looked after and the preventive treatment given. Vegetables, and fruits which play such an important part in the treatment and management of kidney disease or Bright's disease should and must be taken in greater amounts than ever and are given in great amounts accompanying and along with the treatment. "Let-tuce, head lettuce has been found to be of inestimable value in the dietary management of kidney or Bright's disease and must be eaten in large amounts daily or several times daily to prevent the occurrence of Uremia in Bright's disease or kidney disease, must be taken in connection with the treatment and must be continued and used permanently after the treatment is over."

Dr. London is planning to make his discovery available to the public within a short time. However he will be glad to talk with those suffering with this ailment and will be available by calling phone 3-6912.

Teacher Attacked

Continued from Page 1. from the camp. Miss Harris is now in a serious condition as a result of the attack and physicians describe her as a "nervous and physical wreck."

At the examining trial the young teacher, barely out of her teens, testified that two of her attackers had raped her simultaneously in a bestial manner. Physicians corroborated her testimony.

In a hushed court proceeding at Anderson, Tex., two days later, two of the rapists were given five year sentences, but were later set free. A third case is to come up at Madisonville, Tex., at the next term of the court. Informed sources connected with the district attorney's office stated that the third defendant will also be given a suspended sentence.

Attorneys Refuse Aid The fourth case is scheduled for early trial at the county court at Grimes county. Although the attack were set free, it was said that indignation among progressive citizens of both races was so high that the court felt some sentence had to be imposed although suspended later.

Miss Harris's parents and indignant citizens sought vainly to secure legal assistance to aid the prosecution

DIARRHEA IN INFANTS AND YOUNG CHILDREN

Sterilization of utensils used in the preparation of food, pasteurization of milk, improved water supply, better refrigeration, decrease of the house fly menace, and better garbage disposal are factors which have helped to decrease the incidence of diarrhea. Diarrheas caused by over- or under-feeding are easily detected and treated. If the food mixture has an excessive amount of protein the stool is soft purriform one, but if caused by an excess of carbohydrates fermentative stool is produced.

Spoiled food may cause diarrhea from the bacteria present or food toxins caused by decay of organic material may cause it. Food toxins usually cause very acute symptoms accompanied often with prostration and later death. When diarrhea is due to ingestion of indigestible foods, such as green fruits, the diarrhea is mechanical, because the hard undigested pieces of fruit overstimulate the intestinal tract causing cramps and later the diarrhea.

The great number of cases of diarrhea in hot weather is attributed to the fact that all the factors acting together are augmented by hot weather; namely, overingestion of food by a thirsty infant or child, ingestion of partially spoiled food from improper refrigeration, and the more rapid growth of bacteria in warm weather. Since the body loses large amounts of fluid through the liquid stools every effort must be made to furnish the patient plenty of liquids by mouth such as water, barley water and weak tea.

of the attackers. White attorneys in Navasota and Grimes county refused their services, since all are members of the "White Man's Union," a fascist group organized to maintain the suppression of the Negro people.

L. S. C.—My daughter has been sick since last August and I want to know if she can be cured?

Ans.—I should think so. Take her to a bone specialist and also to a good physician. Her condition, I believe, is one that could be controlled with the proper medical attention. Do not put this off much longer, for she needs medical attention.

V. F.—Please tell me in your next answers if I should marry the man that I am going with?

Ans.—Don't marry anyone just yet, child. Your parents would not consent to your marrying and it would be one heart ache after another. A child of your age, thirteen, should not get married. Wait at least four years.

H. E. W.—For the past two years I haven't been able to hear from my husband and get support. Will I ever?

Ans.—The reason you haven't heard is because he didn't have the money to send you and did not want you to know his whereabouts. When

MICHIGAN, KENTUCKY POSITIVE ON "WHAT IS A NEGRO"

Chicago, May 6.—(ANP)—Both Michigan and Kentucky have definite ideas on what constitutes a Negro in those states, according to statements of their attorney generals made in connection with a nationwide survey conducted by the Associated Negro Press.

At the same time, similar officials in Wisconsin, California and Massachusetts declared those commonwealths had no legal definitions or statutes telling what percentage of Negro blood is necessary to classify an individual officially as a Negro. Altogether thirty-five states have stated their positions, reactions of the first thirty being given in a previous article.

Accordingly a person with "one-fourth or more Negro blood is classified in Michigan as a Negro, while a person with less than one-fourth colored blood is legally considered white. Kentucky, despite its laws preventing intermarriage and mixed schools,

has no statute of its own defining "Negro," but has incorporated, like Michigan, the Virginia interpretation which calls a person with one-fourth or more Negro blood a Negro and those with less than one-fourth Negro blood white persons.
