That is what Clarence Mose, actor (right) is probably telling Spencer Elliston, Bystander advertising manager (left) about this year's Talent show.

Ex-Veterans Have Gay Time in N.Y.

LEGION ARMY TAKES HARLEM New York, Sept. 30—(C)—Harlem was "taken" by an army of American Legionnaires last week. From north, south, east and west they came—from Michigan, Los Angeles, Chicago, Ohio, West Virginia, Indiana, Washington, Maryland and many other points.

Harlem had its own special parades of colored legionnaires, but when the day of the big parade dawned town came, the colored contingents swung out and received storms of applause. It was estimated that 10,000 colored legionnaires were in the main parade. North Carolina, Washington and other contingents gave special parades in Harlem.

Scottsboro Boy

STAY GIVEN PATTERSON Montgomery, Ala., Sept. 30—(C)—The state supreme court granted a stay of execution of the seventy-five year penitentiary sentence of Haywood Patterson, one of the Scottsboro boys, Monday, pending outcome of the appeal to the U. S. supreme court. The stay automatically takes Patterson off the Alabama chain gang and remands him to a jail cell.

Tenants, Sharecroppers In Federal Pay Increase

SECRETARY OF AGRICULTURE ANNOUNCES FARM PAY INCREASE Washington, D. C., Sept. 30—(ANP)—Colored tenants and sharecroppers throughout the south were gratified this week to learn that under the provisions of the 1938 soil conservation program just announced by Secretary Henry A. Wallace that they, along with the thousands of white farm tenants and sharecroppers, will receive a larger share of government payment checks than in previous years.

Stiff Battle Is Predicted When Measure Comes Before Congress

SOUTHERNERS WANT TO DISCRIMINATE NEGRO LABOR

Washington, Sept. 30—Negro voters in the northern and western states were warned today that a stiff fight must be made at once against any wages and hours bill which discriminates against Negro labor. It is reported here that the wages and hours bill sponsored in the last session by Senator Hugo L. Black, which was fought tooth and nail by practically every other southerner, must be made "more palatable to the south" in order to get it through the next session of congress.

Southern congressmen and senators raved against the wages and hours bill for many reasons, but principally because it proposes to give Negro laborers in the south shorter hours and higher wages and in some instances make them equal to white workers.

It will be recalled that during the period of the NRA many geographical wage differentials were made in the courts, and while some of these were legitimate, geographically, most of them were discriminations against the Negro workers, without using the word.

If the bill is to be changed in the next congress to make it more acceptable to the south, Negro citizens may be sure that one of the first things to be done will be to fix a social wage level for Negroes. An attempt will be made to create separate standards for Negro workers and have the federal government sanction this subsistence wage level. This will mean that for years to come the standard of Negro wages will be fixed by government decree.

Unusual Tribute

TEXAS COURT ADJOURNS TO HONOR DEAD WOMAN

Houston, Texas, Sept. 30—(ANP)—An unusual tribute was paid an aged colored woman here last week when the federal court for the southern district of Texas adjourned so that judges, lawyers and court attaches might pay their last respects at the home of Mrs. Pattie Adkins. She is the wife of Court Messenger John Adams, a veteran of thirty-five years' service, who daily brought her husband's lunch at noon, and invariably brought cake, cookies or other homemade delicacies for the court attaches.

\$10,000 BEQUEATHED TO PROVIDENT HOSPITAL Chicago, Sept. 30—(ANP)—Former Congressman Norton D. Hall, who died last month, left Provident hospital of Chicago \$10,000 in his will, it was announced last week.

Civilized--At Last!

SOUTH AFRICA WHITES TRY LYNCHING, MENACE NATIVE SETTLEMENT

Capetown, South Africa, Sept. 30—(CNA)—A mob of 2,000 whites beat and hacked a Negro almost to death in an unprecedented wave of lynch terror against the native population in the town of Vereeniging this week. The victim was found in a hospital after it was reported he had been lynched. He was chased through the streets under a barrage of sticks, knives and stones from the mobsters, who were largely landowners.

The native was sitting near the scene of a meeting of whites at which speakers demanded the extermination of the native population in the settlement of Vereeniging in retaliation for the death of two white policemen killed a week before in fighting between natives and whites.

Horse Is Lynched

FOR WHITE SUPREMACY Raleigh, N. C., Sept. 30—(ANP)—A story of the week in this state's tobacco region: A frisky, spirited black horse, drawing a buggy, became excited, ran away with the beautiful white woman driver.

She was later lured, unhurt but frightened. That night an incensed mob, bent on revenge, shot the horse and lynched the buggy, thus scored another victory for "white supremacy."

'Burly Black Rapist' Is A White Business Man

CHICAGO HOTEL MORON CAPTURED—DAILY PRESS EMBARRASSED

Chicago, Sept. 30—(ANP)—A "burly black man," who recently attacked several white women in a loop hotel has, much to the embarrassment of the white press, been found to be a respectable white business man by day and a rapist by night. Thomas McCall, 39, an engraver, was arrested Wednesday and confessed he assaulted Virginia Austin, 25, artist and sculptor, in her room at the Washington hotel August 15th.

He was jailed after Miss. Natalie Ortuno, 16 year old dancer, described him as the prowler who tried to get into her room a week ago Saturday night. He is also being quizzed in connection with the rape of Aida Deery, an actress, attacked on September 25, 1936. All of these occurred in the Washington hotel, where McCall had lived intermittently for five years. Negroes were blamed in the Austin and Deery cases.

Home Beauty Spot In a White District

DOCTOR FOUGHT IN HOUSING ROW, WINS GARDEN PRIZE

White Plains, N. Y., Sept. 30—Dr. Errol D. Collymore of this city, who a few years ago had a bitter fight when he bought a home in a white neighborhood, this week was announced as the winner of the second prize in the Herald Tribune garden contest.

At the time that Dr. Collymore was having his housing troubles, the argument was made that a Negro family in the neighborhood would depreciate property and eventually provide an eyesore in the community. Instead, Dr. Collymore has become one of the most respected citizens of White Plains and his home a beauty spot in the neighborhood.

Governor Is Asked To Probe Vagrancy

NEGROES FORCED TO COLLECT GARBAGE AND TRASH FOR CITY

Miami, Fla., Sept. 30—A promise that the arresting of Negroes as vagrants in order to work them in collecting trash and garbage for the city of Miami will be investigated was made to the N. A. A. C. P. of New York, today by Governor Fred P. Cone of Florida.

Governor Cone, while promising to investigate the situation, apparently chooses to miss the point of the whole situation by stating in his letter that Florida and other states have laws against vagrancy and local officials feel that they have to control this class in order to hold down crime.

NEW YORK U. DROPS PLAN TO USE "BIRTH OF A NATION"

New York, Sept. 30—After a protest by the N. A. A. C. P., Dean Ned H. Dearborn, of the division of general education of New York university, has decided to drop plans for using the film "The Birth of a Nation," in a film course for adults.

New York U. plans to give a course covering a survey of the development of motion pictures and thirty film classics were selected for classroom use dated back to 1898. "The Birth of a Nation" was to have been one of the films, but Dean Dearborn has stated that a substitute film will be used.

LOSES LIFE WHEN CAR UPSETS ON HIGHWAY IN SOUTH

Clarksdale, Miss., Oct. 1—(Special)—The "Queen" of the blues singers, Bessie Smith, died Sunday in the G. T. Thomas hospital here, where she had been brought for medical treatment following an automobile accident.

Even in her last minutes Miss Smith maintained that real trouper spirit. She made a valiant fight against death to make the evening performance of the Winsted Broadway Rascal minstrel show in Memphis.

Auto Overturns Miss Smith suffered bruises about the face and head and internal injuries when the automobile in which she was riding overturned on the outskirts of Cohoma, Miss. A passing motorist rushed her to the hospital for medical treatment.

Miss Smith had to come to Memphis two weeks ago to appear in the minstrel show. It was on Beale street that she won her fame as a blues singer in 1917. The way she sang "Beale Street" blues, "Muddy Water" blues, and "Back Water" blues attracted the attention of eastern theatrical agents and soon she was famous.

Born in Chattanooga Broadway welcomed her as the "Queen" of the blues and the bright lights of other cities added to her glory. She made scores of phonograph records and her financial earnings ran into thousands of dollars.

Born in Chattanooga, Miss. Smith was said to be about 47 years of age. She started in show business, playing small time vaudeville in 1910 and since that time has been hailed as the "Queen" of blues singers.

Protect Prisoner

TROOP'S GUARD COURTS AS TRIAL OF TEXAS YOUTH

Marshall, Tex., Sept. 30—(CNA)—Twenty national guardsmen and several Texas Rangers defended the Harrison county court house here this week for the trial of Henderson Young, 18, one of the two brothers charged with assaulting a white woman.

Lynch mobs were reported to be in the vicinity, and the troops set up two machine guns on the court house lawn to prevent any attempt to remove Young from the court house.

HITS AL JOLSON AND CHICO MARX; 30 DAYS SENTENCE

Los Angeles, Oct. 1—Despite a lengthy plea on the part of District Attorney Harry Johnston in an effort to obtain conviction on charges of assault with a deadly weapon against Clarence "Buddy" Watts, here this week, Judge A. A. Scott minimized the conviction to one of simple assault after hearing an eloquent plea from the defense counsel, Curtis C. Taylor. Watts was sentenced to thirty days.

Watts was brought to trial as a result of throwing a gin bottle at contestants in the ring during a prize fight at Olympic auditorium August 10th. "The missile struck one of the posts of the arena and shattered, fragments striking Al Jolson, stage and screen star, and Chico Marx, member of the famous Marx brothers, also of the films.

G.O.P. Leaders See Naming Of Black a Campaign Issue

SEAT ON SUPREME BENCH IS A DEATH BLOW TO NEW DEAL

Washington, Sept. 30—(ANP)—Republican party leaders, and the county chairmen or their assistants from every city in the country having more than 500,000 population, last Tuesday heard the rallying cry here of Republican National Chairman John D. M. Hamilton to make the 1938 congressional campaign the most intensive in the party's history.

All present at the confab were agreed that appointment of Senator Hugo L. Black to the U. S. supreme court was good "campaign thunder" for the republican party and some openly declared the Black appointment would sound the death knell for the democratic party in 1940, the next presidential year.

entitling them to stake three claims each, rushed immediately to the Blousbanks farm to participate in a new "diamond rush."

Supreme Justice Has New Problem

NAME COLORED CATHOLIC AS MESSENGER FOR KLANSMAN BLACK

Washington, D. C., Sept. 30—(ANP)—Colored citizens in the capital city this week pondered the possible reaction of Klansman Hugo L. Black of Alabama, newly appointed associate justice of the U. S. supreme court, when he learns that a Catholic, and a colored one at that, has been selected to serve as his messenger. Mr. Black, it is said, can veto the selection should he so desire, in which case it was predicted that he would scan the list of "active Klan members" with an eye singular to selection of one worthy of Klan traditions. It was explained here that a colored messenger is assigned to each justice of the high court. Smallwood has been connected with the supreme court marshal's office.

College Youths Discuss Problems

JAMES B. MORRIS, JR. TELLS OF PLIGHT OF THE YOUNG NEGRO

By the Staff Writer Waterloo, Iowa—At the thirty-seventh annual Iowa Conference on Social Welfare, sponsored by Mrs. William H. Morgan, discussion group leaders in family and personal relationship at Iowa City, six University of Iowa students from all walks of life were heard in forum discussion Friday, September 24th.

In the group, which included a young married business woman, housemaid, industrial worker, farm youth, school teacher, daughter of foreign parents, was James B. Morris, Jr., of Des Moines, son of Atty. and Mrs. J. B. Morris, editor of the

Iowa Bystander, who took the issue of race prejudice.

The Negro youth has all the problems of white youths and many more, he told his audience. "It's an uphill fight for the Negro youth," he said. "Brilliant students are rarely given a chance to show their ability. A serious situation exists in industry because he is excluded from the labor unions," he continued.

There is no future for the Negro in janitor, elevator boy and bootblack jobs, the speaker contended. "He marries and produces children that face the same obstacles." The lack of recreational facilities resulting in low morals and crime and the civil liberties denied the Negro were decry by young Morris.

IMPROVED UNIFORM INTERNATIONAL SCHOOL LESSON

By REV. HAROLD L. LUNDQUIST, Dean of the Moody Bible Institute of Chicago, and Western Newspaper Union.

Lesson for October 3 CHRISTIAN SONSHIP

LESSON TEXT—1 John 3:16, 18-24. GOLDEN TEXT—But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name. John 1:12. PRIMARY TOPIC—What John Learned From Jesus. JUNIOR TOPIC—John's Way. INTERMEDIATE AND SENIOR TOPIC—What Makes Us Children of God? YOUNG PEOPLE AND ADULT TOPIC—Christian Sonship.

"Studies in the Christian Life." What an attractive title, and what interesting and instructive studies we are to share during the coming three months! When setting out on a journey we want to know just where we are going. Just so when we take up a new study we need to define the limits of our subject. We are to study the Christian life—not life in general, nor religious life, no, not even life as a Christian, but life as the Christian era. It is therefore most appropriate that our first lesson in this series should tell us who the Christian is and how he lives.

1. God's Children—Who They Are (vv. 1-6). They are "born ones" (v. 1). The Revised Version correctly translates "sons" as "children." We are sons in our position, but we are children by the new birth. A man may attain the legal relationship of a son by adoption, but he can be a child only by birth.

2. They are separated ones (v. 1). The world, that is, unregenerate man, does not belong to this family of God. How hard it is for even church people to understand that fact. They do not appreciate and cannot understand God's children, because they themselves do not know God.

3. They are glorified ones (v. 2). "We shall be like him for we shall see him as he is." What a glorious hope, realized even now by faith in the hearts and lives of God's children. The present of God's children is to become even greater, for in that day when Christ "shall appear" (for he is coming again!) God's children shall be like him. Spiritually and morally—yes, and even their bodies shall be transformed.

4. They are purified ones (vv. 3-6). The standard whereby the Christian measures his life is the purity of Christ. The question is not "How much purer am I than my friends and acquaintances?" No, the norm for the Christian life is far higher, we are to be purified as "he is pure."

All sin is a disregard of God's law (v. 4). His children do not thus defy Him. They have taken as their Saviour the one "who was manifested to take away sins." There was no sin in him, and the one who abides in him has victory and does not live in sin. He may fall into some act of sin, but in utter misery and repentance he turns from it to his Deliverer.

5. God's Children—How They Live (vv. 18-24). Love is the supreme test of Christian profession. "We know we have passed out of death into life; because we love the brethren," says John in v. 14 (R. V.). How far should love go? "We ought to lay down our lives for the brethren" (v. 16).

6. Such a sacrifice is not often demanded of us, but the writer goes on to say that we may show that spirit in daily service to those in need.

7. In loving and sacrificial service (v. 18)—Words may comfort and strengthen, especially when they are words of love. Love does not stop with words, however, but acts, reflecting the spirit of God. Who not only is good, but does good.

8. In the assurance of faith (vv. 19-21). Assurance is the blessed privilege of the child of God. Well may we feel condemned when we measure our lives by his divine tests. But after all, even "if our heart condemn us, God is greater than our heart. Salvation does not depend on either our works or our feelings. It is of God. Does this condemn sin? God forbid. We are rather so to walk that "our heart condemn us not."

9. In unquestioning obedience (vv. 22-24). The hallmark of character in a child is obedience. Scripture does not condemn the unfortunate, name standards of men on this point. The children of God "keep his commandments" which are beautifully summed up in v. 23 as believing in Christ and loving one another.

10. Divine Purpose. What is it after all which gives men the energy to do things seemingly impossible? It is, and always has been, the result of the divine purpose.

11. Bond of Perfection. And above all these things put on charity, which is the bond of perfection.

12. Honesty the Best Policy. Unimpaired integrity is an in-comparable asset.

SHE LOST 20 POUNDS OF FAT

Feel full of pep and possess the slender form you crave—you can't if you listen to gossipers. To take off excess fat go light on fatty meats; butter, cream and sugary sweets—eat more fruit and vegetables and take a half teaspoonful of Kruschen Salts in a glass of hot water every morning to eliminate excess waste. Mrs. Elma Verille of Havre de Grace, Md., writes: "I took off 20 lbs.—my clothes fit me fine now. No drastic cathartics—no constipation—but blissful daily bowel action when you take your little daily dose of Kruschen."

SPORTS

BY ALLEN ASHBY

FOOTBALL

High School

Everyone took off the wraps and had at each other last week as the football season roiled merrily along. For our local high schools, East, with Eddie Maupin, Harry Saunders, Frank Kaiser and Fred Williams, all seeing action, downed Valley, 6 to 2, at Varsity Junction on Friday night. Charlie Swink gave his Valley rooters something to cheer for when he ran down the East quarterback, who had broken away for what looked like a sure score. Charlie came up from nowhere and hauled down the flying Wohlwend after a mad chase.

North went to Waterloo and like Miller, Tom Avant and Melvin Madison all got into things as North hung up her first 1937 game on the winning side, 7 to 0, over East Waterloo.

College

In the college circle, Reed and Bell of Minnesota didn't see too much action as the Gophers rolled over North Dakota State. Homer Harris and his Iowa mates battled grimly, only to come out second to Washington at Seattle. Don Thompson did his little bit to Washington's cause as the Huskies scored 14 to Iowa's 0. Kenny Washington and Woodrow Strode lined up to advance notices as U. C. L. A. marched to their first win in their opening battle. Bud Holland helped Cornell dust Penn State in a thriller.

Next week will begin our summaries of Negro schools. There is a lot of controversy raging over whether our Negro schools could defeat any of the leading white colleges, Notre Dame, Northwestern or other schools. We were once asked this question by a group of white sport writers. The big difference between the major white and Negro elevens is man power.

A top Negro college might have a first eleven men who would be in a battle with the white school's starting eleven, but when the question of replacements came up, things would begin to happen to the Negro school, as the white coaches send in man after man of almost equal caliber. The colored school couldn't begin to do this, and there would go your ball game.

We watched the Comets play Cedar Rapids on Sunday. The boys from Cedar Rapids had Jim Nance, former all-state high school player, from that city, and Don Simmons, who got into a duke throwing contest with some one on the Comet team. Ozzie's brother and Nance both played rice ball. The Comets were paced by ob Vandevere, last year's star. It looks as if the boys have become tired of Bob's grabbing the headlines. Their poor blocking may be due to early season raggedness, but the whole Rapids line came through to smother Walt Thompson when he went in to pass for the Comets. Maybe we are mistaken. We shall see another game or two before we express our final opinion.

DRAKE GETS BIG TEST WITH NOTRE DAME SATURDAY

Drake's band of Bulldogs will receive the acid test Saturday when they meet up with the famous Fighting Irish of Notre Dame in a game at South Bend, Ind. The Bulldogs proved in their initial Missouri Valley conference contest and 32-2 victory over Washington on Friday night at Des Moines that the Irish may be in for a tough afternoon.

Most improved department of the Bulldogs in the Washington fray was the blocking. Time and again the fleet Bulldog backs, Suter, Underwood, Woltz and Fisher, skirted the ends with two and three bolckers ahead of them. The next home game of the Bulldogs will be October 8th, when they meet the Ichabods from Washburn. Iowa State comes for its traditional game with Drake on October 23 and October 29 the Blue and White eleven meets Grinnell. Coe college provides the opposition for the final home game of the season November 20. General admission for all home games with the exception of the Coe tilt is \$1.10. The Coe contest is 75c.

DRAKE UNIVERSITY STARTS FALL ACTIVITIES SCHEDULE

Ending the first week of registration with the largest enrollment since 1929, Drake university has started its autumn schedule of studies and activities. Freshmen enrolled September 20 and 21 and upper classesmen September 22. Registration is still open.

Fraternities had fall rushing last week, sororities having completed theirs the week of September 13-18. Women's teas, open houses, pep assemblies, football game, an all-school dance and campus mixed comprised the list of first week's activities.

HELPS INDICT THREE IN VIRGINIA KILLING

Leesburg, Va., Sept. 26—(ANP)—With Lathan Johnson, first Negro to serve on a jury in this county since reconstruction days, a member of a special grand jury Wednesday indicted three colored men for first-degree murder in connection with the hold-up slaying last month of Henry Saffel, white, aged London merchant.

The trio indicted were John Windsor, Lester Eddes and Charles Osborne. Saffel was killed as he tended his store alone.

REX INGRAM NO GREEN IN 'GREEN PASTURES'

New York, Sept. 23—(PFS)—Perhaps it may be chalked up to his habit of holding "fish fry" banquets or of carelessly tossing around percent "seagars," but whatever the reason, "De Lawd" is broke. Rex Ingram, famed actor of stage and screen, who so capably filled the shoes of the venerable Richard B. Harrison in the beloved characterization of "De Lawd" in Marc Connelly's immortal play, "Green Pastures," filed a petition of bankruptcy in federal court last Thursday.

Mr. Ingram listed his debts as \$9,511.62 and his assets—real or personal—at the round figure of nothing. He did, however, make allowances for

DECLARES OFFER OF INCREASE WAS FIRST MADE BY PULLMAN OFFICE

Chicago, Sept. 23—(ANP)—There is sharp disagreement between members of the Pullman Porters and Maids Protective association, so-called the Company Union, and the Brotherhood of Sleeping Car Porters (A. F. of L. affiliate), as to whom should get credit for the recent increase granted porters and maids by the Pullman company.

The Brotherhood, represented by National President A. Philip Randolph and Chicago Branch President Milton Webster, claim credit for the pay increase and the 240 hour month working agreement, declaring their victory the climax of ten years' strife with the Pullman company to better the condition of colored employees.

GOOD-LOOKING HAIR...

GOOD-LOOKING BOY FRIENDS

Such hair is a possession that every woman craves. Yet so easy for any one to attain. A simple home treatment with Godfrey's Larieuse produces transforming results—brings shen and color to dull, grey-streaked locks—ret black, black, medium, or light brown or blonde color that is uniform over the entire head of hair, that will not rub off or wash out and will last and last. Now comes J. S. Morris, chairman of the Chicago Eastern local, and chairman of the appeal adjustment committee of the Pullman Porters and Maids Protective association, who says the Brotherhood is sailing under false colors, did not force the upping of wages and that the wage increase offer was made voluntarily by officials of the Pullman company.

LOVE YOUR NEIGHBOR

In business, do you love your neighbor? Do you seek to manage your affairs so that you will reap double value—the value from a just and valid service rendered, and an accruing good-will, which comes only if your motives are right? The second value is based on the first—costs less, but is worth far more. On the accumulation of the second value depends your chance to grow and expand.

Negro business needs more good-will. It needs to grow and expand. We urge Negro businessmen to render service at a profit, but also to love their neighbor. (In other words, COOPERATE!)

Warren county farmers are paying 40 cents a hundred pounds, "which we think is good pay," Hogan declared.

Men average 200 pounds daily, which on the basis of a six day week means \$4.80. In Glascock county, where there is an acute labor shortage, the same worker would receive \$9 weekly for a similar amount of work.

found a big deposit of blue clay that resembled a South African diamond field. They asked the South African diamond people to send up a good prospector. A skilled Zulu was sent, and he brought his wife with him.

There turned out to be no diamonds, but before the Zulu couple could get back home the man fell sick and died. The woman, not caring to go back to her people a widow, remained in the north and married an Eskimo.

ON GROUND HE THOUGHT CAUSE OF MURDER WAS A NEGRO

Birmingham, Sept. 23—(ANP)—As the controversy raged bitterly over Supreme Court Justice Hugo Black's affiliation with the Ku Klux Klan, it was recalled here that in 1921 he defended a man who killed a Catholic priest, and won an acquittal after injecting the Negro issue into the case.

The Klan itself is alleged to have raised the fee to pay Black for defending the Rev. Edwin R. Stephenson, himself recognized as a member of the hooded order, when the latter shot and killed Father James E. Coyle, who was sitting on his porch.

It went to trial before Circuit Judge William E. Fort. It developed in later years that Judge Fort became an official of the Klan and a law partner of Black. He brought out before the jury that Stephenson had killed because he thought Gussman was a Negro. Gussman, a Spaniard from Puerto Rico, was not allowed to testify and Black won an acquittal for his client.

Ranblings—This world is a topsy-turvy one—seeing as how most of the socialite maids were chucking (some not so good) and otherwise abusing this past week—their usual escorts being invited to a swing affair mitout the lovely lady—'tis a terrible thing I agree . . . 1938 to 1950 models of Olds, Buicks, Fords, etc., have nothing whatsoever on McGee's (the Mug) car . . . I've been hipped that for a rip-roaring good time hop (literally—the car never stops—merely slows down) a ride from McGee—and hope you won't have to walk back . . . Juggling is now taking the place of juggling, carpet-clipping and shavings, but when it comes down to that old three, six and nine, it means the same old things—anyway it's not so good for someone in any form . . . The Youth Council of the NAACP is looking forward to . . . retaining a great many at their initial forum Sunday at the Center from 4-5 . . . As an added attraction it will be followed by vintages . . . It's understood that Ike Miller and Tom Avont would have had a laplalic good time in Waterloo if they hadn't seen (ably assisted by the ofay-members of the team) so many purple blonds—evidently home town chicks aren't so bad after all . . . The newest club in town is the Olympic Athletic club organized by Bob Vandever, speedy Comet halfback, with Stan Beverly at its helm—If everyone of the new forty members doesn't try to lead (a falling of most of our clubs) the organization will get somewhere and do great things . . . The sports scribe is now employed at the Center under the official title of "Boys Supervisor" or something or other—but Mr. Ashby must remember that he'll be there only as long as his behavior suits the Stars (according to the Stars)—but—uhmmmm, I don't know . . . "You have to be able to take it," says the Bailey lad when someone mentions Votruba—I hope I'm right—yeah you have to be able to take it—but it's mighty tough at times . . . Heard from the Morrow (Geeva) lass—says she's not homesick at all, which makes that quite

all-3-1 right . . . The Bystander tryouts went over in some kind of way . . . Let's hope that the subscriptions and circulation (the purpose for all this) goes over in as grand a manner . . . Nearly every club has made plans for its fall activities except Sigma Chi Omega, which should get in running order soon . . . The Royal Senators are entertaining the general public in a hillbilly manner at the Billiken tonight . . . The huck who played in Super Sleuth with Jack Oakie is quite the tops—reminds you of Stepin Fetchit . . . Well for my sometimes printed story of the week:

She and he were that way for a long time. She saw greater grass; decided they should only be friends thinking he was heartbroken and true all the time. Meanwhile he feigns early hours and visits another chick unbeknownst to the general public. She occasionally dates the lad—mistakenly believing that she is the only one—as she takes him on the not so merry "merry-go-round". And as everything must come out in the wash she learns one-day of her plight. And that ends my story with no more opinions.

all-3-1 right . . . The Bystander tryouts went over in some kind of way . . . Let's hope that the subscriptions and circulation (the purpose for all this) goes over in as grand a manner . . . Nearly every club has made plans for its fall activities except Sigma Chi Omega, which should get in running order soon . . . The Royal Senators are entertaining the general public in a hillbilly manner at the Billiken tonight . . . The huck who played in Super Sleuth with Jack Oakie is quite the tops—reminds you of Stepin Fetchit . . . Well for my sometimes printed story of the week:

She and he were that way for a long time. She saw greater grass; decided they should only be friends thinking he was heartbroken and true all the time. Meanwhile he feigns early hours and visits another chick unbeknownst to the general public. She occasionally dates the lad—mistakenly believing that she is the only one—as she takes him on the not so merry "merry-go-round". And as everything must come out in the wash she learns one-day of her plight. And that ends my story with no more opinions.

THIRD TALENT SHOW

Monday night the Third Annual Talent Show sponsored by the Iowa Bystander will be held. It is one of the two outstanding community projects sponsored by the paper annually offering people with talent an opportunity to give it expression and a chance to have others use it to their mutual advantage.

So important has this project become that the local radio stations, theaters, and Clarence Muse, Hollywood star have interested themselves in the production in order to determine what if any of the members may be used in their line.

Past shows have brought good results for the performers in that they have been booked for acts both in and out of the city.

Business houses, clubs and other groups are cooperating and there is every indication of a successful affair. The Bystander recognizes that this could not be accomplished without the support of these institutions and the public generally.

PUSH FIGHT ON PEONAGE

In an effort to raise living standards in the south, labor organizations have been able to force an increase in wages in many lines. Public works administration officials have set relief wages, somewhat in keeping with these standards with a result that Negroes and poor whites have changed jobs much to the alarm of some employers.

In many instances the employers have advanced the employee money—this being, particularly true on the farms. In their desire to hold wages down and get their money they have attempted to force these people to stay on farms, and other jobs against their will.

This situation has been watched by the N. A. A. C. P. and other organizations for sometime. The federal government has been urged to take cognizance of this form of peonage but with little success. This has been due to the attitude of the local community which condones the practice and an unwillingness upon the part of public officials to antagonize their constituents.

Peonage is one of the worst forms of the denial of the free exercise of a man's liberty, one that does much to keep the poor and ignorant "in their place." Just what the NAACP will do to combat it has not been announced fully but much can be accomplished if the practice is brought out in the open.

REPRESENTATIVE MITCHELL'S RECORD

Members of congress have a practice of saying fine things about themselves in franked excerpts from the Congressional Record with which they circulate not only the district from which they come but in some cases the whole country. Recently Representative Mitchell has taken this method of letting the world know what his record has been during the latest session of congress.

Among other things he said that he would not confine all of his appointments to West Point and Annapolis to Negroes but would appoint white boys as well. This is a reversal of the policy followed by his predecessor, Mr. DePriest, who felt that as long as white congressmen appointed to the process would appoint no white people.

The Bystander believes that Representative Mitchell's policy is correct.

Negroes can get nowhere by attempting to discriminate against white people. After all every citizen in a congressional district is entitled to a chance at appointments and is not responsible for what other representatives do. On the other hand to follow any other course simply gives the other fellow more reason to draw the line when we ourselves do it.

Representative Mitchell said further that he had written Justice Black complimenting him upon his appointment and branded the Klan exposure as a smoke screen to hide the real objection to his selection.

Justice Black and Representative Mitchell are both from Alabama, belong to the same party, and Mr. Mitchell's record is full of evidence that party loyalty is more important to him than race loyalty and loyalty to the principles of the Constitution for that matter.

It is no excuse for Justice Black that his critics have other axes to grind. The point is he has not been fair with his friends in withholding his status when he is to assume a place in the government that should have no room for a man of his type.

What Others Say

THE PREACHER AND THE PRESS

In treating this subject, I believe that HOME CONSUMPTION enhances HOME ADVANCEMENT. If this is true in one sense, it is also true in many ways; hence it is true with our home paper.

Since there are three cardinal principles that run all through our American life, the freedom of speech, freedom of press and the freedom of religion. The preacher has a great opportunity to spread his religious philosophy through these channels. He should take the advantage of the press to enlarge his field of labor, by reaching the masses that are not found in the church. The press is a great agent in putting over the solutions to many of our troublesome problems. The preacher, above all, should take advantage of this opportunity. We as preachers do not advertise enough; we do not put our goods on the market, and therefore not many know what we have to sell; some don't know where we are even doing business. TRUE, IF YOU HAVE NOTHING TO SELL, YOU HAVE NOTHING TO ADVERTISE. The church more than any other agency, should participate in the upbuilding of all worthy projects that tends to build up the community in which it is placed. Let the preachers boost our paper from the pulpits, and encourage our people to read it. We appreciate so much the church calendar in our weekly paper, and we should at least once a year make a definite contribution for this purpose, as it costs us nothing to keep our program in there. Preaching has its place—it is indispensable. But the press has its place, it is gloriously indispensable. It always reaches many more people than we can reach from the pulpit. We preachers need the service of the press as much as any one else.

Let us get in the front rank and give our paper a GREAT BOOST. Rev. Jordan W. Tuttle, Pastor Union Baptist Church, Des Moines, Iowa.
