### Negro Deputy Rates High In Sheriff's Office

Lucius A. Ashby, only Negro deputy sheriff in the office of Sheriff Charles F. Keeling, is completing his fifth year as one of the sheriff's most valuable employes, according to accounts of the local law enforcing agencies. Ashby, who is first assistant in the identification bureau, handles a good share of the cases that come into the office. He is rated by investigation authorities as an excellent photographer, and several of his pictures have been sent to Washington, D. C., for use by the G-men there. Ashby makes a specialty of handwriting cases and finger print identification and has testified throughout the state in several important cases. He is frequently left in charge of the identification bureau in sheriff's office when Harold Gessel, widely known identification expert, is called out on cases. During the past summer when Gessel was in Washington taking some advanced work, Ashby was in complete charge of the local department, being the only identification expert on the job here for three months. Sheriff Keeling, who is up for re-election, says he cannot recommend Ashby too highly both as a credit to his race and to law enforcing officers. Said Keeling, "Ashby has learned his job well and has made wonderful progress in the last five years, three of which were spent in preparation for the efficient work he now does."

For first time in history citizens of Des Moines and surrounding territory will have an opportunity to see the original Luenen Passion Play when it is presented here May 11, 12, 13 and 14. This important announcement was made today by Charles W. Bowers, dictator of the Loyal Order of Moose, under whose auspices the presentation will be made.

### WALTER WHITE SPEAKS TO OKLAHOMA CONFERENCE

Muskogee, Okla., May 3—Walter White, N. A. A. C. P. secretary, addressed the delegates to the Oklahoma State Conference of the N. A. A. C. P. here last night, using as a subject, "Who Knifed the Anti-lynching Bill?"

Mr. White, who was in charge of the lobbying in Washington during the six weeks' filibuster on the bill, pointed out to Oklahomans that the fight had tremendous political significance. He declared the anti-lynching fight demonstrated that in the north the Negro voters hold the balance of power and that this power in years to come will give them increased bargaining power with the southern states so they can aid the Negroes now in the south who do not have the vote.

"The next great fight to advance the real emancipation of the Negro," said Secretary White, "is the fight to secure the ballot for colored people in the states where they are now denied the right to vote."

### Andy Kirk And His 'Clouds of Joy' At Pla-Lan May 17

Andy Kirk and his "Clouds of Joy" have just finished a long engagement at the New Grand Terrace, Chicago, and were heard four times weekly over the Red network of the National Broadcasting company. They have become one of the most outstanding dance bands in the business.

We repeat: HOLD EVERYTHING UNTIL MAY 17! Andy Kirk is coming with his toe tap "Swing Music Makers."

which will be used directly by Japan in pursuing its military invasion of China.

During the convention a fast day for Spain was held when the thousand delegates went without lunch and contributed their lunch money, which amounted to several hundred dollars.

### This Issue of The Iowa Bystander, We Dedicate to Our Mothers

The brevity of this dedication message is an evidence of the high esteem we have for Motherhood. Sacrifices, born of love, have done more than tongue can tell. Motherhood is Love. An attribute peculiar to Mothers only, it has no peers, it is superior. None does it stand in juxtaposition to any other human characteristic. It has always predominated. It always will.

### Oklahoma Daily Thanks G. O. P. For Killing Anti-Lynch Measure

Ada, Okla., May 2—An editorial expressing gratitude for the assistance which the republican senators gave in killing the Gavagan-Wagner-Van Nuys anti-lynching bill appeared recently in the Evening News. "Particularly appealing is the fact that the republicans kept the ill-advised anti-lynching law from coming to a vote," the editorial declares. "By assisting the southern senators in keeping off the cloture rule they aided in keeping the vote off. Thus in the final analysis the republicans combined with the southern senators to defeat the bill."

### HIGH OFFICERS OF I. B. P. O. E. W. CONVENTION HERE NEXT MONTH

#### APOLOGY

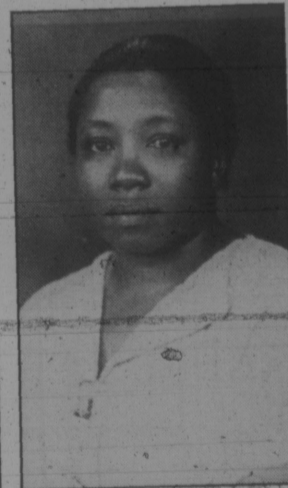

The Bystander regrets very much the unintentional error in placing the name of Mrs. Agnes Wilson under the cut of Mrs. Mabel M. Mason, and we herewith make correction.

The oratorical contest held last Friday evening in the Maple Street Baptist church was won by Miss Mailey Oziel Johnson. Her subject was, "Abraham Lincoln and the Constitution." As a result of her victory she will be in the final contest on Monday evening, May 30th, at the St. Paul A. M. E. church, when contestants from Nebraska, Colorado, Kansas, Missouri and other parts of Iowa will vie for honors. The winner of this event will represent in the national contest to be held in Baltimore, Maryland, in August.

#### BASEBALL

Mr. Owen Watkins, manager of the Elks baseball team, has announced that on Sunday, May 29th, a thrilling baseball game will take place at the Western League park between crack teams of the white and Negro Elks of this city. The rivalry is keen, and the spirit of contest is high. This promises to be one of the many outstanding events during the big convention.

At the twelfth annual convention of the Mid-West Association of I. B. P. O. E. W., Hawkeye lodge, No. 160, and Rose Temple, No. 33, under the leadership of J. G. Browne, general chairman, and Daughter Mabel M. Mason, district deputy, we are determined to make this the best convention ever held. Our honored guest, Hon. J. Finley Wilson, grand exalted ruler of Washington, D. C., and Abbie M. Johnson, grand daughter ruler of Philadelphia, will be present to render a bigger and better service to the members to the end that Elkdom in the middle west

MABEL M. MASON

shall be held in high esteem as in other parts of the country.

The business sessions will be conducted with a spirit of co-operation, as has been the custom in the past. We hope that our deliberations and legislation will lead to great good in the jurisdiction and when this convention comes to a close we can say our efforts have been crowned with success and that charity, justice and sisterly love and fidelity shall have been dispensed.

### TAKE PART IN MOST ALL EVENTS

By Allen Ashby, Sports Editor

Those of you who did not get out in the twenty-ninth Drake relays early missed something. We had even up hopes in the one hundred yard dash and several other events. In fact, we had just about decided to content ourselves with what the boys did in the relays, and were we given a pleasant surprise! As we it now trying to collect our thoughts and memories, the ones that stand out in our mind are: Smith, a long Negro from Wisconsin, giving the highly touted Fred Wolcott, who ousted the relays hurdle record, a lot more of a race than the latter wanted in the finals. Smith was other leading the big white boy from Rice at each hurdle or was neck and neck with him when he tripped and fell over the next to the last barrier and failed to place. The crowd was so amazed to even yell much at the performance of Smith. Then there was Mozelle Eberlee, the first Negro from an eastern Negro school to enter the relays. Eberlee won the hundred yard dash in the very good time of 9:06, the same time he made in the southern inter-collegiate meet he week before, which speaks well for the timers down there. The big boy from Tuskegee was in the pack, could have been anywhere from second to fifth, for seventy yards. Then he suddenly pulled away from the gang and broke the tape at least a half yard ahead of the second man. Tom Nelson of Fresno State, who was necked for the winner, was fourth. Nelson led the gang for eighty yards, when the gang closed in on him and passed him. It took some right tall scuffling by Nelson to get fourth. The next feature was rather disappointing. We pulled for little Wilbur Miller of Compton Jr. college to come through in the special quarter mile run, but the little fellow apparently started his drive too late and couldn't catch the flying Harold agile, a former Olympic runner, who on Miller and Cagle hooked up in the spring medley relay also. They started about even and ran what looked a dead heat. Compton was supposed to win this event and break the relay record, but they forgot to sell Kansas Teachers of Pittsburg, so those boys went out and not only won the race, but broke the meet record. Compton, who also had a Negro boy running one leg of the race, finished second. The Teachers, of course, had their usual quota of Negroes.

We got a big kick out of the usual race between the two Kansas Teachers' schools in the two mile relay. They each had three Negroes, and they ran with no apparent thought of beating anyone but each other. Everyone else on the track was forgotten as these two sets of Negroes ran all competition into the ground in their efforts to beat each other. The Pittsburg Teachers won the race by an eyelash, with Emporia second. The Emporia Teachers won the hurdle shuttle relay and again another seipian mounted the victory pedestal with them.

In the Iowa college section, Black and Langston Parks ably represented Parsons college, winning fourth in the half mile relay and second in the mile relay. Black usually led off and Parks anchored the boys. Therarico Gibbs also ran for Dubuque, anchoring their short relay teams and winning second in the half mile relay, and fourth in the mile relay. Maynard Black represented Marquette in the university section, leading off for most of their teams. Marquette finished third in two races, the quarter mile relay and the half mile relay.

### NEGRO SCHOOLS

#### IN DRAKE RELAYS

Last week Tuskegee Institute, Alabama, entered competition at the Drake Relays. It was the first time an all-Negro school of the size of Tuskegee has competed and white cut two men can't they gave a good account of themselves.

The Bystander believes the step is in the right direction. It opens up opportunities to the Negro students they never had before. Heretofore practically all star Negro athletes have represented mixed schools. When these youngsters recognized their athletic ability, they chose to go where it would be the most good; those who did not or could not go to mixed schools became the best performers in Negro schools and not the best performers in the country.

Then, too, entering the mixed competition gives the Negro athletes attending schools in the south an opportunity to compete with southern white students on the basis that they will be given a decision if they win, thus showing that race does not necessarily make one superior, as these white students are too often taught.

Other Negro schools will follow Tuskegee's lead, and rightly so. However, it is highly important that they bring something outstanding and not simply to fill in space. In other words, a few good entries will help out a large number of poor ones just works the other way.

#### DES MOINES' MAYOR PASSES

In the death of Mayor Dwight Lewis on Sunday morning, Des Moines lost one of its valuable citizens. He spent a large portion of his life in the public service, only a month ago having been chosen mayor of the city after retiring from the position two years ago.

Dwight Lewis spent a lot of time with young, working for and with them; he was kindly, genial, generally open-minded and sympathetic with everybody's problems. He tried to do the fair thing and was willing to stand by his decisions once he made them.

Des Moines has lost a valuable citizen and we regret his passing.

#### DES MOINES' BEER PROBLEM

As compared with other towns its size, Des Moines does not have a beer-dance problem; it is about as clean as they come.

However, some people are not satisfied with the situation as it exists and are excited about it. They want something done. There are some things that must be understood or we shall never approach the solution of the problem properly.

Beer, like other intoxicating liquor is with us to stay under one system or another; our problem therefore is one of regulation in order to keep undesirable conditions under control.

Most of these so-called undesirable conditions are to be seen among the poor class of people, black and white. Generally the rich can and do hide their dirty work; unfortunately maybe the poor can't or won't. Consequently these folks who cannot control themselves—rich and poor—must be looked after.

There has been a tendency upon the part of each council to make beer permits too expensive. To do so lessens the chances of paying out on a legitimate basis and thus the tavern-keeper often resorts to selling hard liquor.

Then, too, more of the money collected for license fees should be used to regulate the beer business. This would tend to put the fellow who obeys the law on the same footing with the one who does not. We don't have enough policemen to do the job of inspectors. We are

The liquor business has always been a political football. It can be handled by an intelligent understanding of the problem and by people with a practical knowledge of what is rather than what ought to be.

## Negro Athletes

(Continued from page 1)

A great big six foot Negro with a giant stride anchored the half mile relay. East High also did all right by themselves in the relays. With Frank Kaiser, Miller and Davis running, the boys won the city half mile relay and got third in the class A quarter mile and fourth in the half mile relay. Kaiser also showed the boys a glimpse of his heels in the city high school one hundred yard dash, with Davis running second. North High, with Reeves, Del Morison and Fobie Hill running in the mile relay, got in the money also. Oskaloosa had a named Thompson who anchored his teams home in class B in the half mile relay for a second place.

In the junior high schools Amos diatt, with three of our boys galloping like mad, took second in the quarter mile relay and won the shuttle race. Woodrow Wilson, with Eddie Obregon running barefoot, won the relay and got fourth in the shuttle race. In the grade school shuttle race there were some little Negroes who ran so fast that people forgot everything else to watch them run. In each section the winning team had a gang of our boys scurrying across the lot. We have seen better Drake relays, but, brothers, we have also seen very much worse from the view of one interested solely in Negro athletes. We ought to mention that this was the first relay carnival in which more than one Negro school was entered. Besides Eberlee of Tuskegee, there were Lincoln U. of Jeff City, who no doubt gained some valuable experience for next year, and Western university of Kansas City, who also must have learned some valuable lessons. Neither of these teams placed in their races, but we were proud to see that the Negro schools were beginning to point for Drake. It won't be long until the Negro schools do here as they do at the Penn games, where they win their share of races against any competition.

#### CHOLELITHIASIS (Gall Stones)

The cause may be infection which is passed from one part of the body to the gall bladder; or bile stasis in the bladder. The size varies from that of a scarcely visible particle up to that of a goose egg. The symptoms are caused by inflammation or obstruction or both.

The most important symptoms are pain, tenderness and rigidity of the muscles over the gall bladder. Sometimes the individual may have bilious colic. The more chronic symptoms may be nausea, vomiting, gaseous distention and constipation after eating heavy fat meals. Jaundice sometimes present if obstruction of the common bile duct takes place. Contrary to the belief of some laymen, no drug will dissolve these stones. The only form of treatment operation and removal.

### THE MARY TALBERT CLUB HISTORY

By Beatrice Noah

In Des Moines, Iowa, in the year 1907 a group of ladies were called together by Mrs. S. Joe Brown and organized what is known as the Mary B. Talbert club, with Mrs. Brown as their president. This little group of women knew no other Negro woman who had proven herself to be a more ardent and efficient worker for the human needs of her race than Mrs. Mary B. Talbert. No greater name could have been given this club than to be called the Mary B. Talbert club. After a number of years of zealous work these ladies discontinued their club.

In 1932 another group of ladies were called together by Mrs. Selma Hendricks, and the Mary B. Talbert club was reorganized with Mrs. Hendricks as president. Today, with Mrs. Adah Jefferson as president, it ranks with the leading clubs of this city.

The officers are: Mrs. Adah Jefferson, president; Mrs. Elizabeth Walker, vice president; Mrs. Olivia Hayes, secretary; Mrs. Leticia McPherson, treasurer; Mrs. Celestial Jones, chaplain, and Mrs. Mabel Crowder, parliamentarian.

The Mary Church Terrell club II entertained their mothers at a buffet supper at the Y. W. C. A. on Friday, May 6th.

**NEIGHBORLY RELATIONSHIPS**  
 Romans 13:8-14. Owe no man anything, but to love one another: for he that loveth another hath fulfilled the law. For this, Thou shalt not commit adultery, Thou shalt not steal, Thou shalt not bear false witness, Thou shalt not covet; and if there be any other commandment, it is briefly comprehended in this saying namely, Thou shalt love thy neighbor as thyself. Love worketh no ill to his neighbor: therefore love is the fulfilling of the law. And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed. The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armor of light. Let us walk honestly, as in the day; not in rioting and drunkenness, not in chambering and wantonness, not in strife and envying; but put ye on the Lord Jesus Christ, and make not provision for the flesh, to fulfill the lusts thereof.

 Sunday, May 1st, was celebrated as Men's day at Corinthian. The day was a very beautiful one and three large congregations were at these services. Robinson, preached. The Rev. William Shaw, pastor of the Second Baptist church of Ottumwa, was greeted with a large audience at both afternoon and evening services.

The men's chorus, under the direction of Mr. Leland Green, gave good music both in the morning and evening. At the afternoon service the men's chorus of Burns M. E. church uplifted us in song. This is a permanent organization, under the direction of Mr. Green. Mr. O. L. Carter, president over the morning service, as master of ceremonies, and Mr. F. O. Morrow did honor to the occasion in the afternoon and evening. Too much praise cannot be given to the general chairman, Mr. I. A. Shelton, and F. O. Morrow, program chairman Mr. Geo. Franklin, publicity chairman, and their committees, who did so much to make the day a success.

# CHATTERBOX

Now it wasn't told to me, but I only heard that Dr. and Mrs. E. J. Scales had so many "house" guests during the Relays that they used up all their beds, floor space and even the bathtub for sleeping quarters. The food problem was very simple, though. It seems the doctor bought a whole hog, a half a cow, and a couple crates of eggs, and that was easily solved. A joyous time was had by all; of course, that takes in a lot of territory, but you know how it is, "Doctors just don't tell."

Here's an orchid to the people of Sioux City, Iowa, for making such a prosperous business man of our good friend, Mr. Henry McKnight, who has indeed sprung from a "lanky young college lad to a real "big shot" (physically speaking, too). I think Georgia and Quinman's specialty dance act in the floor show at the Relay party deserves honor-

able mention in this column. I also think Jean Morris' adorable frock deserves to be mentioned. By the way, Jean, every time I looked at you, you were lost in a fog. Oh, well, in the spring a young man's fancy, etc.

No matter where or when, you'll always find these people well groomed: Dr. C. R. Bradford, Earl Newcomb, Lucille Winston, Mrs. Helen Beshears, Lloyd McGuire, Geraldine Green, Sule Hart, Kathryn Dysart and many, many others, some of whom we'll mention later.

Oh, yes, I almost forgot to mention a hint to the housewives, or maybe I'm the last housewife to find it out, but you can buy delicious mustard greens in cans now, which is some sort of a dream come true for people who abhor picking over the fresh ones as much as I do.

## "PIP" OVERTURFF IN SHERIFF RACE

Vane B. Overturff, 42, chairman of the Polk county board of supervisors, Saturday announced his candidacy for the Republican nomination for Polk county sheriff, subject to the June primary.

Overturff, who is a life-long resident of Des Moines, lives at 3249 Easton boulevard. He and Mrs. Overturff have two children, a boy and a girl.

### Athletic Star

Known since his high school athletic days as "Pip," Overturff is a graduate of East High school, where he was a "four letter" man, participating in track and football. He was captain of the football team in 1915.

### Rainbow Veteran

Upon his graduation in 1916, Overturff enlisted in the army, and after seeing service on the Mexican bor-

der served in the world war as a member of the 168th infantry (Rainbow division) in France.

He later attended Iowa State college at Ames. As a charter member of the American Legion, he has given an active part in the work of service organizations. He is a member of the Unity Lutheran church, Saks lodge and Home Masonic lodge. Friend To Needy

Overturff is widely known, especially in Lee township (East Des Moines) for his tireless efforts to relieve the distress of unfortunate persons who have found it impossible to remain self-supporting during the trying days of a prolonged depression.

He has always taken an especially kindly interest in unfortunate children and he may be justly proud of the outstanding development and improvement of the juvenile home under his chairmanship of the committee in charge of that institution.

"I feel my experience has been such as to qualify me to perform conscientiously and efficiently the duties of the office of sheriff of Polk county," Overturff said. "I also believe that the duties of that office include crime prevention" as well as "crime detection." By approaching the task with an intelligent and sympathetic attitude, I firmly believe a great deal can be done to eliminate delinquency before it reaches the stage where it must necessarily be handled by the court.

Mr. Overturff was instrumental in the addition of a Negro physician to the Polk county medical staff, a position held by Dr. C. R. Bradford at this time. "I have never forgotten the fast friendship developed among my Negro team and school mates in high school, an experience which has given me a keen insight of the race and if nominated and elected to office I shall give that same type of impartial public services to all that I have displayed both in and out of public office," he said.

## SAM MILLER FOR COUNTY AUDITOR

Sam K. Miller, former deputy auditor, is a candidate for the Republican nomination for county auditor. A lifelong resident of Des Moines, he was at one time city circulation manager of the Register and Tribune and is well qualified for the position.

Mr. Miller is running on a platform of efficiency and courteous treatment to all. He believes in fair representation in the matter of employment. He said: "If elected to office I shall make it a point to accord the Negro voters to consideration to which they are entitled."

## Judge Allen Runs For County Attorney

Judge Don G. Allen, who for many years has presided in the municipal court of Des Moines, has announced his candidacy in the Republican primary for the office of county attorney of Polk county.

JUDGE ALLEN

In the years past Judge Allen has been well known for his work in the Republican party and in various fraternal orders. For many years he has taught a large Sunday school class of high school and college boys.

Recently Judge Allen was prevailed upon by a group of his friends to run for the office of county attorney with the thought in mind that his candidacy would materially strengthen the Republican ticket in the fall elections.

At recent elections Judge Allen polled a large vote.

During Judge Allen's service on the bench he has conducted his court on a high, impartial basis and he will insist on the same course if nominated and elected county attorney.
