WANTS NO DISCRIMINATION IN HEALTH BILL, NAACP CHAIRMAN TELLS SENATORS

Washington, D. C., May 12.—No public health program can accomplish results that will be profitable to all the people unless it is administered fairly and carried to all elements of the population without regard to sex, creed, race or color. This was the view expressed today by Dr. Louis T. Wright, of New York, chairman of the board of the NAACP before the Senate subcommittee holding hearings on the Wagner health bill. Representing the association at the hearing, Dr. Wright testified that the N. A. A. C. P. supports the bill which proposes to appropriate \$80,000,000 of federal funds the first year of its operation and larger sums annually thereafter as federal aid to state-guided health programs, but pointed out that the N. A. A. C. P. insists that certain safeguards against discrimination be included in the bill.

PASTOR OF BURNS CHURCH HONORED AT DINNER

The H. L. Overton club of Burns M. E. Church entertained more than eighty-five guests in the basement of the church Thursday evening May 11 with a chicken dinner honoring Rev. and Mrs. J. C. Bain and their son, John D. Jr.

Program

After the dinner a program was given, presided over by Mrs. H. McCowan. Horace Brown gave three musical selections followed by Luther Smith who gave the welcome address. Rev. C. K. Brown of Tulsa, Oklahoma, a former pastor, was guest speaker. Response was given by Rev. and Mrs. Bain. The serving committee and officers were Mesdames Leona Kelly, H. McCowan, Marie Thomas, Olivia Hayes; Fred D. Allen, chairman, president, vice-president, secretary, and treasurer respectively.

Over 200 Guests Attend Crocker Street Y Banquet

Before 200 members and guests, Judge Eakel C. Carlson and the Rev. G. W. Robinson, envisioned a bright future for the Crocker Street Branch Y. M. C. A. in the main addresses at the 20th Anniversary banquet of the Branch held at St. Paul's A. M. E. Church last Friday evening.

Reviewing the vast international scope of the Y. M. C. A. movement in 57 countries with over 10,000 branches and approximately 3,000,000 members, Mr. Carlson, who is president of the National Council of the Y. M. C. A. of America, and also president of the Des Moines Y. M. C. A., told of the local situation and the difficulties they were emerging from. He said, "that Crocker Street Branch was to figure prominently in the expansion program of the Des Moines Y. M. C. A. has under consideration."

Needs Equipment

Preceding the other guest speaker and striking the keynote of the evening was the statement by Rev. George W. Robinson, pastor of Corinthian Baptist Church, "that what Crocker Street needs most is a modern equipped building for the men and boys of Des Moines." Speaking in his usual forceful and characteristic manner, Reverend Robinson related some of the early history of the branch of which he is a founder, told of the aims and ambitions of the original group of men who started the Y. M. C. A., and stressed the pressing need for a building today; not only for the citizens of Des Moines, but also for those coming to the city, that they might have a wholesome place in which to stay or frequent.

Appearing on the program as introductory speakers were Atty. S.

Joe Brown, past chairman of the board, and A. A. Alexander, local contractor, a charter member of the Committee of Management, who presented Judge Carlson and Reverend Robinson, respectively.

Frank T. Dillon, general secretary of the Des Moines Y. M. C. A., also spoke briefly on the work of the Branch and the Association. A hit of the musical program was the presentation of the Central Y. M. C. A. Boys Glee Club of 60 voices in several numbers that were well received. Solo selections were rendered by Ralston M. Patten, baritone; Miss Georgina Mason, cellist; Calvin Dacus, pianist.

Board Election

The election report of the committee of Management was read by F. O. Morrow, past chairman, as follows: A. A. Alexander, James Allen, Allen R. Ashby, Dr. G. R. Bradford, W. C. Buice, S. R. Cason, Emanuel Davis, Spencer Elliston, John M. Estes, Leland W. Green, Bert A. Harris, T. L. Howard, Otis James, James R. Roberts, A. P. Trotter, G. B. Tucker, Robert E. Webb and Dr. L. R. Willis.

Atty. W. L. Oliver read telegrams from Ernest C. Robinson of Flint, Michigan; Gordon H. Kitchen, head coach of Talladega College, Talladega, Alabama, both former executive secretaries and James N. Williams, executive secretary of the Washington Street Branch of Montclair, New Jersey, who began his Y. M. C. A. work in the Crocker Street Branch, all extending congratulations on the anniversary observance. A number of other communications were also received and read. Arthur P. Trotter, chairman of the Committee of Management, presided.

DES MOINES CITIZENS PRAISE PIANO RECITAL OF MISS HARRELD

An appreciative audience was held spellbound as Miss Josephine Harreld, nationally known pianist, performed the difficult numbers included in her recital Monday night at the Jewish Community Center.

Miss Harreld's playing showed thorough training and study. Throughout the entire performance her excellent technique was outstanding.

Program

Numbers included on the program were "Sonata in A" by Scarlatti; "Air With Variations" (The Harmonious Blacksmith) by Handel; Mendelssohn's "Variations, Series"; "Prelude in B Major," opus 28; "Etude in C Minor," opus 25; "Nocturne in D Flat," opus 27, No. 2, and "Polonaise in A Flat," opus 53, by Chopin.

In the second part of the program Miss Harreld played "The Engulfed Cathedral" and "Gallewog's Cake-walk" Debussy; "Summerland," William Grant Still; "Malaquena," Leoopa; "Petrarch Sonnet No. 128," and "Rigoletto Paraphrase," Franz Liszt.

Sponsors

The concert was sponsored by St. Simon's Episcopal Church, Ushers were Miss Roberta Maupin, Mrs. Korrine Jackson, and Miss Madelyn Hammit. After the concert Miss Harreld was entertained by members of St. Simon's church at the home of Atty. and Mrs. James B. Morris. While in the city she was the house guest of Mr. and Mrs. A. A. Alexander.

NEW COURT FIGHT OVER EDUCATION LOOMS IN MISSOURI

New York, May 17.—A new legal battle over educational opportunities is in prospect in Missouri as a result of the signing of the Taylor bill by Governor Lloyd C. Stark last week.

The board of directors of the N. A. A. C. P. meeting here May 8 voted to offer the legal advice, moral and financial assistance of the association to any colored student who wishes to challenge the new Taylor bill, which is regarded in Missouri and elsewhere as a bare-faced double cross of the United States supreme court decision in the case of Gaines vs. Missouri.

Bill Signed by Governor

The Taylor bill, which has now become a law with Governor Stark's signature, simply directs the curators of Lincoln university to make it the equal of the University of Missouri. The bill does not indicate how this equalization is to take place. An appropriation bill, separate, but accompany the Taylor bill, sets aside \$200,000 for the equalization of Lincoln university with the University of Missouri. At the same legislative session, the University of Missouri was given \$3,000,000.

A further catch in the Taylor bill is that it provides that pending the equalization of the Negro university with the University of Missouri, Negro students who apply for graduate and professional training may be given scholarships to out-of-state institutions.

SECRETARY OF UNITING CONFERENCES USES "NIGGER" FROM FLOOR; PROTESTS BRING APOLOGY

Kansas City, Mo., May 15 (By Rev. S. H. Sweeney for ANP) Either forgetting where he was or else not caring, Dr. Lud H. Estes, white Methodist minister and secretary of the Methodist Uniting conference, from the floor of the conference last week used the epithet, "nigger," in referring to a member of the Negro race. He apologized afterward.

STANDARDS BRANDS HAS JIM CROWS TOILETS AT NEW YORK WORLD'S FAIR

New York, May 13.—Old Man Jim Crow came into full view this week at the New York World's Fair when it was learned that separate toilets for employees, marked "colored" and "white," have been set up by Standards Brands, Inc., in its exhibit building.

A vigorous protest against the Jim Crow lavatories was sent to the New York office of Standard Brands at 595 Madison Avenue by the NAACP. The letter said its lawyers were investigating the possibility of legal action under the New York Civil Rights law.

"BIRTH OF A NATION" FIGHT TO BE CONTINUED

New York, May 12.—The long fight which the N. A. A. C. P. has waged against the film "The Birth of a Nation" will be continued as vigorously as ever, it was announced here this week by the board of directors of the association.

MONARCH GIVE TO SUNDAY SCHOOL

The Sunday School of St. Paul A. M. E. Church was given twenty-two dollars by the Monarch club, which was the entire proceeds of a musical entertainment given by the club on Thursday night May 4th.

An evening dining and entertainment in Paris, May 6, at the Roadside Settlement will mark one of the festive events of May. Some of the foremost artists of the city and out of town will be presented by the hostess. Make reservation from one of the following hostesses: Mesdames H. Beshears, S. Joe Brown, C. R. Bradford, E. F. Butler, L. Daniels, Lillian Edmunds, G. T. Fant, H. Hubbard, Gertrude Noth, Margaret Patten, Maggie Roy, L. R. Willis, H. Simmons, O. Western, Williams, Mrs. Jackson, Misses Sarah Stacie, Roberta Maupin or Clara Webb.

Tuskegee Physician Tells Chicago Doctors of New Neurosyphilis Treatment

Chicago, May 14 (ANP).—For the second time in five years, Dr. George C. Branche, chief of the neuropsychiatric service at the Veterans' Administration facility, Tuskegee, addressed the annual convention of the American Psychiatric Association last week at the Palmer House on "Therapeutic Quartan Malaria in the Treatment of Neurosyphilis among Negroes."

Dr. Branche, himself a member of the association, first attracted international attention at the 1934 convention when he told the assembled psychiatrists of his radically new method of treating mental disorders brought about by syphilis. His address last week concerned recent developments in his specialty.

Different Treatment for Negroes The Tuskegee physician's treatment was developed after it was learned that neurosyphilis among Negroes could not be treated with the commonly used tertian malaria. This was because there had been developed a general racial immunity to this form of malaria through generations of living in warm areas where this disease is prevalent.

Dr. Branche reasoned that quartan malaria, a stronger and more virulent form of the disease which was more or less foreign to Negroes, might be substituted. Results were amazing. Of those inoculated with the quartan malaria treatment, 93 per cent reacted favorably as contrasted with "only 15 per cent" who reacted to inoculation with chills and fever when the tertian variety was used.

MEDICS, DENTISTS BURY HATCKET; WILL CONVENE TOGETHER

New York, May 14 (ANP).—A truce has been called in the feud which began almost 15 years ago between the National Dental Association and the National Medical Association. The executive boards of both organizations announced last week that the annual conventions of the two bodies would be held simultaneously in New York next August 14 and 18.

The dentists broke away from the N. M. A. to form their own organization because there was a feeling that the dental profession was being subordinated to that of medicine. Since then, the N. M. A. has maintained a dental division, but most of the dentists joined the new organization.

Meet in August

The scientific and business sessions of the organizations in August will be held at separate and distinct places, thereby providing all dental men with the best dental clinics and the medical men with the best medical clinics, since neither will be encroaching in the other's field. Larger and more powerful branches are expected to arise from this agreement and build up a greater respect for the colored professional practitioner.

N. A. A. C. P. TO CHALLENGE FLORIDA PRIMARY LAW

New York, May 12.—The law which has just been passed by the Florida legislature, providing for "non-partisan white primaries" in the city of Miami will be challenged at the first opportunity, it was announced here today by the NAACP.

The N. A. A. C. P. refused to commit itself to any line of action until it had secured the text of the bill which has passed the legislature and now awaits the signature of Governor Cline.

Similar Texas Law Invalid

At the same time spokesmen for the association pointed out that a similar statute passed by the Texas legislature was carried up to the United States Supreme court by association attorneys in 1927 where it was declared unconstitutional.

The high court held that primaries were a part of the election and that no distinction could be made between citizens on account of race, color or color in primaries by state statute.

In the excitement over Negroes voting in Miami May 2 in such large numbers, despite the threats of the Ku Klux Klan, the Florida legislature evidently has overlooked the outcome in the Texas case and has passed a bill deliberately excluding Negroes from the primary election.

A. M. A. ASK TO LET DOWN ITS MEMBERSHIP BARS AGAINST NEGRO DOCTOR

A resolution asking the American Medical Association to let down its bars to Negro membership was proposed Monday by the New York delegation.

Rapidly changing social order was stressed by the New Yorkers in asking for more consideration for Negroes. There are about five thousand Negro doctors, and thirteen million American citizens are cared for by most of them. They said that Negroes have observed the best tradition south of the Mason and Dixon line, the resolution went on. Negro Physicians are generally and systematically excluded from county medical society membership. Membership in these organizations is the only way a doctor can be a member of the A. M. A.

Woman Doctors

Another resolution asking that a woman doctor be seated in governing council was also proposed by the New York delegation. Both of these moves would break precedents and both are in preparation for a battle on how to spend the tax money for medical care of the poor which the A. M. A. has endorsed in principle.

"If Governor Cline of Florida signs this bill," said the N. A. A. C. P. statement, "the association will offer its legal staff and moral and financial support to any colored person in Miami who wishes to challenge the law."

OHIO ADOPTS PLAN TO GET JOBS FOR NEGROES

Cleveland, O., May 14 (ANP) What has been described as the most significant forward step in recent years to get more jobs for Negro workers and rescue them from economic serfdom was revealed here this week when it was learned that the state of Ohio has made up its mind to see what can be done to relieve unemployment among Negroes.

Responsible for starting the ball rolling in the job-getting program is Representative Chester K. Gillespie, Cleveland lawyer and civic leader, who finally succeeded in persuading the state Republican administration to do something concrete and effective about the deplorable situation.

Accepting the Gillespie plan, state officials agreed to hire four Negroes in Cleveland—two men and two women—and one man, one woman, both colored, in six other Ohio cities, their duty being to call on leaders of business and industry, important executives and utility officials, and ask them to share their jobs with Negroes.

REV. ROBINSON GOES TO HAWAII ISLANDS FOR CONFERENCE

The Rev. G. W. Robinson, pastor of Corinthian Baptist Church, left Wednesday to attend the conference of all Baptist ministers of the Hawaiian Islands to be held in Nassau.

Accompanying the Rev. Robinson are Dr. A. M. Townsend of Nashville, Tenn., Mrs. J. C. Mapp, Chicago, the Rev. T. T. Lovelace, Chicago, and the Rev. J. R. Parker, Miami.

Chicago, May 14 (ANP)—"Negro Business," the new quarterly magazine published by the National Negro Business league, made its initial bow this week.

The attractive periodical, whose prime purpose is to chronicle examples of Negro achievement in business and to discuss matters of economic interest, has articles in the first issue by C. C. Spaulding, Dr. F. D. Patterson, Atty. A. T. Walden, George W. Cox, Dr. R. R. Moton, Mrs. Fannie B. Peck, Mrs. F. V. Smart, and M. S. Stuart. The issue also contains a report of the Houston convention of the league which was held last August.

FRODDING THE AMERICAN MEDICAL ASSOCIATION

A resolution has been introduced at the meeting of the American Medical Association in St. Louis, Mo. asking that the bar against Negro physicians be let down. When the proposal came to a vote it was defeated on the ground that efforts looking to the correction of the evil were already at work.

We are not sure when such a proposal has been before the body before, but the very fact that the question is being agitated offers encouragement to fair-minded people.

Of all the people who ought not draw the color line they are the doctors for germs have less prejudice than anything we know. Medical science has proved that in some instances Negroes require different treatment from whites for certain diseases; it is obvious that thousands of Negroes are treated by white physicians; that cooperation is bound to get them further than separation.

Of course, since some of our church organizations are manipulating their set up in such a way as to push the Negro as far off as possible, it is not hard to understand that doctors follow suit.

IT WORKS OVERTIME

At times, it does not seem possible that some southern states will ever come to the place where they cease trying to embarrass Negroes by depriving them of their rights. With all the upheaval we find in the world over, men ought to be bending every effort to live together in harmony.

Recently a city election was held in Miami, Florida. Suspicious that Negroes would go to the polls and exercise their rights by voting, the Klu-Klux-Klan paraded the streets warning colored people to stay away from the voting places. Undaunted by these threats, Negro citizens turned out stronger than ever before and rolled up a sizeable vote.

Unsatisfied in their efforts to intimidate the Negro citizens, the legislature has passed a law barring them from the primaries, but permitting them to vote in the final elections. Other states have framed such laws, but the United States Supreme Court has declared them unconstitutional. Just how Florida expects to be made an exception to the rule we are unable to understand.

Sufficient to say that the law will be changed promptly, and we predict throw to the discard. We hear a lot about the backwardness of the south; in fact, President Roosevelt said was our No. 1 problem, and it will remain so as long as one portion of the population spends half of its time trying to keep the other down.

Health Hints

By Dr. C. R. Bradford

IF YOU HAVE HEART TROUBLE

If there is something wrong with your heart, it is expedient that you know it at an early stage. In many instances heart trouble is curable, or serious trouble can be postponed for many years if the disease is detected early and proper care taken.

If your heart is weak these suggestions may help you take care of it. Your work and recreation should be approved by your doctor at all times. Get plenty of sleep every night, eight to ten hours as your heart gets the most rest then. Spend a large part of your time out doors, follow your diet strictly as prescribed by your physician; avoid all stimulants such as tobacco, coffee, alcohol, etc., unless advised differently by your physician; avoid all emotional disturbances or programs, learn what you may do and what you may not and live accordingly. Visit your doctor at regular specified intervals.

IN THE MAIL

To the Bystander: Driving into Reeds Park Service Shop Wednesday afternoon, I ordered a strawberry soda and was surprised to be served in a paper cup and was given, also two paper spoons to eat with. When I asked the boy who served me, why I was given a paper cup instead of a glass like the white customers, he replied that he had orders to do so.

I then gave him the soda back and asked for the manager who told me that he served the colored people in paper cups because the white people objected to eating and drinking behind colored people. He also said that he hated to lose the people's (meaning Negro's) business, but the shop depended mainly upon white people for trade.

I think if colored people have to be discriminated against in their own cars they should refuse the Reeds stands their patronage, and get their ice cream where the business is better appreciated.

Crocker Y

AFTER A LAPSE OF SEVERAL years, local baseball teams will again renew their intense but friendly rivalry in the Church Baseball League that opens Monday, May 22nd on the diamond at First and University Avenue. This site was only obtained the first of the week after the original announcement was made that the games would be played on the Birdland and Fairground diamonds.

Five teams are ready to start the season, representing west side churches: Burns M. E., Corinthian Baptist and St. Paul's A. M. E., while in the east and southside section are represented by Union Baptist and Kyles A. M. E. Zion respectively.

Strong Contenders Union Baptist and St. Paul A. M. E. are the strong pre-season favorites for the pennant. The former crew is under the management of Walter Thompson, former East High and Drake University star athlete, and is composed of the cream of Lee Township baseballers. Clark Yaeger, veteran semi-pro hurler, is handling the St. Paul team and has a strong lineup that boast several of the star players who made athlete history in the past for that church. The Brown brothers, Bus and French; Lloyd Jones, steady shortstop, and Louie "Blue" McQuerry, catcher, are some of the holdovers counted upon to win many contests for the saints this season.

Corinthian Baptist and Kyles A. M. E. Zion are unknown quantities in the early dopings. Johnny Estes, athletic young mortician, is piloting the Corinthian crew, while Jesse "Cannonball" Frazier, is whipping together a collection of young diamond artists on the south side for the Kyles team. Burns M. E., under the management of William "Bill" Brown, has added a number of young players to their seasoned veterans of a few years ago and promises to be in the thick of the fight.

Squaring off in the opening game Monday evening will be two natural rivals—Union Baptists vs. St. Paul's A. M. E., which should get the season under way in an auspicious manner. Thursday's opponents in the second game of the week will be Corinthian Baptist and Burns M. E. All games are scheduled to be called

WIN HONORS IN STAGE PLAY

Josephine Williams and Jack Smith carried away more than their share of the honors in their characterization of "Rebeba" and "Donald," in the Stage play "You Can't Take It With You," which opened last Thursday night at the Kendall Playhouse. They are the first Negroes ever to play roles on that stage.

at 6:15 p. m. with the deadline set at 6:30 o'clock.

Softball Loops Opens Next Week Play in the Crocker "Y" senior softball league will commence this coming week on the Goode Park and Amos Hiatt diamonds. Ten teams have formally entered and will square off in the five opening contests.

The week's schedule:

Corinthian Baptists vs. Cubs—Tuesday at Goode Park. Grand Auction Club vs. Van Grunk's—Wednesday at Amos Hiatt.

St. Paul A. M. E. vs. West Community Center—Wednesday at Amos Hiatt. Second Street Eagles vs. Eleventh Street Eagles—Wednesday at Amos Hiatt.

East Community Center vs. Fowler's Funeral Home—Friday at Goode Park.

All games are scheduled for 6:15 p. m.

Wild Hare, Squirrel, Pevis In the Eighteenth century wild hare and squirrels were not highly regarded by sportsmen because they were so plentiful that they became pests, with bounties on their heads, says the American Wildlife Institute. In one year—1749—390 pounds were paid out for the heads of gray and black squirrels at three pence a head in Pennsylvania alone. This means that 600,000 were killed for the price on their heads.

EAST HIGH WINS DISTRICT MEET

East High continued an old Lee township custom by grabbing the district meet while North finished third, one jump behind Roosevelt. Frank Kaiser was East's main argument in the scuffle for points, and he had a lot of help in Mash, Davis and Miller. Kaiser rambled off with the two-twenty and anchored the boys home in two relay races, and second in the mile relay. Mash won the hundred, Davis the low hurdles, and Miller the broad jump besides placing third in the shot put.

For North, Jackson finished second in the hundred, Morrow tied for first in the high jump and Del Morrison finished second in the broad jump. Claude Elliston outvaulted the boys to grab the pole vault and Jackson, Wally Hill and Morrison helped North get second in the half mile relay.

Big Jim Thompson came up with second in the short, and ran a lusty

quarter to help Roosevelt win the mile relay.

Other District Meets

Around the state the performances of other Negro lads made the prospects for the State meet worth seeing. Too bad though that Jewell Thompson of Oskaloosa would be there. This fine athlete rounded out a spectacular career by winning three firsts in the hundred, two twenty and broad jump, and then anchored—the Oskies home to relay titles. They don't come any better than this boy who reached his twentieth birthday this week. A fine competitor and one who will be missed.

Ronny Baker of Davenport will be around. He won the four-forty in his meet. Earl Carr of McKinley, Cedar Rapids, will be on hand. Carr who ran away with the State meet honors, indoors, qualified in the high jump, broad jump, hundred and high hurdles. Harold Briggs made it in the broad jump, and on the relay teams Jim Ferguson will be there in the four-forty.

Nulife Wins at Jewish Community Center

George Bourland's Nulife Athletic club won their third team trophy when his boxers outfoiled the rest of the field. Les Jefferson fought for the Nulifes and won his first fight in our memory, to walk away with the middleweight honors. They say if Les opponent could have answered the bell for the third round he would have won. Wayland Heath won the light heavy honors without a battle, and Marton Graves won his second feather weight title by out punching a scared white boy for three rounds.

The amount of capital stock authorized is five thousand (\$5,000.00) dollars, divided into shares of the par value of one dollar each. The corporation may begin business when the corporation has received payment in full therefor at par in cash or property, provided, however, that when stock is to be issued for anything other than money, it is subject to the approval of the executive committee of the corporation.

The annual election shall be held on January 2nd of each year. Until the first election, which shall be held on May 15, 1939, the following persons shall be directors: Ray D. Newton, Ryan F. Mallon and Ruth Hubert and the following persons shall be officers: President, Ray D. Newton; vice president, Ryan F. Mallon and secretary, Ruth Hubert.

Officers of this corporation shall hold office for one year or until their successors are elected and qualified. Directors shall sell or transfer his stock but shall cease to be a director if he transfers his stock. The board of directors may fill vacancies occurring between annual elections. Special meetings of the stockholders may be called by the president at any time as provided by these articles.

The highest amount of indebtedness to which this corporation may at any time subject itself shall not exceed one-third of its paid-up and outstanding capital stock. The private property of the stockholders shall be exempt from corporate liability except as provided by the laws.

The corporation may make and alter by-laws at pleasure, and may authorize the board of directors to do so, subject to approval of the stockholders at their next annual meeting. Amendments to these articles may be made at any annual meeting of the stockholders, or at a special meeting called for that purpose.

CHEST COLDS

Here's Quick Relief from Their DISTRESS! The annoying discomforts of a cold in chest or throat, generally ease when soothing, warming Muterole is applied. Better than a mustard plaster, Muterole gets action, because it's NOT just a salve. It's a "counter-irritant" stimulating. It penetrates the surface skin and helps to quickly relieve local congestion, aches and pains due to colds. Used by millions for 50 years. Recommended by many doctors and nurses. In three strengths: Regular, Children's (mild) and Extra Strong, 4oz. Approved by Good Housekeeping House.

B. L.—I am writing to ask if my husband and I will be from under this financial strain soon and what is there for us later on?

Ans: Indications are that you will be freed from indebtedness by the latter part of this year . . . in the meantime you two should follow out your plans of going into business for yourselves . . . this is a very good idea and you should be able to make good.

G. S. R.—Will my wife and I ever go back together and will things break our way soon?

Ans: Get yourself a good paying job and a little money ahead . . . then go to your wife and ask for her again. If she feels that you are trying to do your best, she will consent to return to you. After all it is your duty to support her.

K. S.—Someone put something in my well. Please write me at once and tell me if they are trying to poison me?

Ans: I doubt it . . . although it would be best that you had the well cleaned out and remove anything that isn't clean. No one wants you poisoned . . . don't worry about a matter of this kind.

A. C. P.—Should I stay in the town I am now in or go to the town where my friend is located?

Ans: Better talk this subject over with your friend and come to an understanding about your future. After all, he is the cause of your present confinement and you must make

BEAUTY AND ROMANCE
SPONSORED BY
LARISEUSE BEAUTY FOUNDATION

The Lariuse Beauty Foundation was established by the Godfrey Manufacturing Company to study methods of preserving women's natural beauty, and to make the results of this research available to the public.

With all the emphasis on youth and beauty, more and more women are dyeing their hair. Blondes, red-heads and brunettes have all agreed that in many cases nature can and should be improved upon. Gone is the day when dyed hair was so obvious that it defied its purpose. With the new scientific improvements in hair-coloring anyone can have youthful, natural-looking hair with a minimum of time and trouble.

Many people feel that once they have dyed their hair they have let themselves in for a life-long job keeping it "touch-up." This, of course, is ridiculous. Surely, you don't begrudge the time you give to your shampoo. Re-touching with hair coloring need be done much less often, and takes very little longer. The frequency of these treatments depends upon how fast your hair grows. Some people find that added color is necessary at the roots of the hair every three weeks. Others can wait six weeks or more. At any rate, it is well worth the added time.

Please do not think that I am to give the beauty of some white or yellow hair. White hair softens an elderly face and gives a halo around it. It gives one an elderly and being look which is most attractive in a grandmother. But to the young woman, grandmotherly hair is hardly an effort to be sought after. There is nothing more dash

than a few streaks of gray in a young head of hair. It gives a positively money effect—and adds years to your appearance.

Gray Hair a Handicap
Some people, for one reason or another, find streaks of gray in their hair while still in their late twenties or early thirties. The woman with a job to hold down cannot afford to give up such tricks on her. Nor can the woman who hopes to win and hold her man. Just notice the women that you notice at parties. They seldom let their gray-hair rest long on the nice elderly, gray-haired ladies, nor on the really young but old-looking women whose hair is streaked with gray. The time to start coloring those graying locks is when the first streaks of gray appear. Don't wait until your hair is a dull blonde, then change it over-night and expect your friends not to notice the difference. Catch those first gray hairs almost before they appear, keep after them systematically and you will be as young as you look.

What are your beauty problems? Write Marie Downing, Lariuse Beauty Foundation, Room 521—319 North Fourth St., St. Louis, Mo., and she will be glad to answer them. Be sure to enclose a self-addressed stamped envelope.

Official Routes to The New York World's Fair

NEW YORK Approved recently by Mayor F. H. La Guardia of New York City and Governor A. Whelan, President of the New York World's Fair, this map is designed to be of special use to those motoring to the exposition. A comprehensive system of handling Fair traffic has been developed. Informa-

tion booths will be found at various points throughout the city. According to Mr. Whelan, out-of-town motorists will be able to reach the Fair way through the city to the Fair grounds "as easily as they now go from home down to Main Street."

CORINTHIAN BAPTIST CHURCH
 More than eight hundred people listened last Sunday morning to Rev. G. W. Robinson, pastor, when he spoke on "Honoring Thy Mother." The main theme of his discourse was "Teach the youth true value before it is too late." "All mothers are not praying mothers, we wish they were. There are mothers and fathers who care so little for the spiritual welfare of their children," Rev. Robinson said. "Many evils of the community would be eliminated if the mothers would care for her home. We need refinement and all the cultural advantages offered, for without moral and religious training we face an awful future."

After the morning services Mrs. Mary Mease Scott and the Cradle Roll department of the Sunday School presented the pastor's wife Mrs. G. W. Robinson with a dress. Gifts were received by Rev. and Mrs. G. W. Robinson from Crescent Beauty School, Mother's Board and individual members of the church.

Mrs. Jessye Bell Davis attended the Western District Convention in Council Bluffs, Iowa. She returned home Saturday.

Reindeer Is Held Unique Among the Deer Family
 The reindeer is unique among deer in that the female, like the male, carries antlers, although they are smaller. It also differs from most deer in having young without spots, writes Ernest Schwarz in Nature magazine. The reindeer is the only deer that has become attached to man and has been domesticated.

The range of the reindeer (the name being here used in its broadest sense) includes the Arctic portions of both the Old and the New Worlds. In America it is called the caribou. It is found in Scandinavia, Spitzbergen, northern Russia, Siberia, as well as in Alaska, most of Canada, Greenland and other Arctic islands. During the great ice age reindeer were forced much farther south. In France and Germany their meat provided a staple food for paleolithic man, and their antlers and bones the material for his tools and weapons. Some of the rock engravings left in the caves of western Europe by prehistoric man include beautiful representations of this animal.

Inhabitants of Bolivia
 Bolivia, the Switzerland of South America, has been ruled by a few families of pure Spanish ancestry for the past 120 years, but its population includes a great number of Indians. There are the Quechuas and Aymaras, over whom the Incas ruled; the indolent Chiquitanos of the eastern section who live in primitive palm hovel in the lowlands; the Chiriguano, a warlike race living in the foothills of the Andes, and the lawless Tobas, robust, thick-bodied, untamed.

Strip Coal Mining Also Called Open Air Method
 Strip or open cut coal mining is a comparatively recent development. Through this method coal is mined in the open air. Sunburn replaces the underground cave-in as one of the principal dangers in this branch of the industry.

This form of mining recovers coal too shallow or too thin for mining by shaft or drift methods, observes a writer in the Chicago Tribune. Under the strip or open cut method the overburden of earth is removed with huge power shovels—some of them the largest moving pieces of machinery in the world—and the coal is then taken from the top of the seam. Width of the excavations varies with the size of the machine and the overburden, but it is not unusual for the pits to measure 200 feet or more in width from the brim of the original ground to the top of the spoil banks.

Lands worked over by the strip method are usually left with substantially parallel ridges. When new, these ridges give the appearance of a sawtooth roof.

The final excavation results in a cut varying with the depth of the coal seam. This may be from 10 to 50 feet deep, from 75 to 200 feet wide, and from one-quarter to three miles long.

Route of Lincoln Highway
 The Lincoln highway, which is 3,334 miles long, connecting New York and San Francisco, begins in the East at New York City, and passes through Jersey City, Newark, and Trenton, N. J.; Philadelphia, Lancaster, York, Chambersburg and Pittsburgh, Pa.; East Liverpool, Canton, Mansfield and Lima, Ohio; Fort Wayne, Elkhart, South Bend and Valparaiso, Ind.; Chicago Heights, Aurora, Geneva, Schelle and Dixon, Ill.; Clinton, Cedar Rapids, Marshalltown, Jefferson, and Council Bluffs, Iowa; Omaha, Columbus, Grand Island, Kearney and North Platte, Neb.; Cheyenne, Laramie, Medicine Bow, Rawlins, Rock Springs and Evanston, Wyo.; Salt Lake City, Garfield, Tooele and Irapah, Utah; Ely, Eureka, Carson City and Reno, Nev.; and Truckee, Placerville, Sacramento, Stockton and Oakland, Calif. The Lincoln highway is marked with red, white and blue markers bearing a blue letter "L" on a white field.

MORAN NEWS
 At 11:00 a. m. at the St. John Baptist church Sunday, May 14, a Mother's Day program was given under the direction of Mrs. Walter Moore. Miss Deloris Ewing presided. The revival conducted at Mt. Hebron Baptist church in Zookspur will close this week. Rev. Ross of St. John is assisting. There will be a joint baptismal service at the close of the revival. St. John has an addition of twelve members. Mrs. Myrtle Smith, who went to Oakdale hospital two years ago, has returned to her home in Perry. Mrs. Baxter Allen is improved.
