TELEPHONE INDUSTRY EMPLOYS MORE NEGRO OPERATORS

NEW YORK—The New England Telephone and Telegraph company and the Michigan Bell Telephone company have issued instructions that workers will be employed strictly on the basis of their qualifications without regard to race, officials of the National Urban League announced this week.

The immediate results of the action of these two companies was the employment of Negro switchboard operators in Detroit exchanges and the recruitment of trainees for positions as clerks, stenographers, and operators in Boston, Massachusetts, and Providence, Rhode Island. In Minnesota, the first two Negro trainees in the history of the Bell Telephone company there have been included among a group of high school graduates selected for employment.

ELLINGTON GIVES ANNUAL MUSICAL SCHOLARSHIPS

Duke Ellington, who plays an engagement at the KRNT Radio Theater on Nov. 14, has made a considerable contribution to American music via his composing and his great orchestra. However, few people know that he is the donor of three annual musical scholarships to famed Juilliard School in New York City.

These scholarships are awarded to outstanding student musicians. Last year the prizes won by three teenagers.

Ellington achieved fame without benefit of an excessive amount of formal training, but feels that a classical background is excellent for devotees of both popular and serious music.

PHILLY FIVE IN STATE ASSEMBLY

PHILADELPHIA, Pa., (NNPA)—Philadelphia will have five colored representatives in the State Assembly, all Republicans, as a result of the elections of November 5. They are Lewis M. Mintess, William A. Upshur, Jr., Dr. Edwin F. Thompson, Howard M. Henry and the Rev. Clarence M. Smith.

Mr. Smith is a Baptist minister. Mintess formerly served in the state legislature, but was defeated two years ago by a white man, who did not run this time, his place being taken by a woman, Mrs. Mayme Jones Jason. Dr. Thompson, a dentist, served several terms as a Democrat in the New Deal heyday, jumping two years ago to the G.O.P.

Annual Negro Art Exhibit Opens Sunday at DM Center

The Dilettante club will open its twentieth annual Negro Art exhibit with a tea at the Des Moines Art Center, 610 1/2 Walnut street, Sunday afternoon, Nov. 17, from 4 to 6 p.m., at which time awards will be made to prize winners. Exhibits will be shown throughout the week at the art center closing on Sunday, Nov. 24.

The Dilettante club, working as a subsidiary of the Negro Community Center, which has been renamed the Willkie House, Inc., has as its prime objective, the presentation of Negro culture to this community, the fostering of art education among its youth and adults, through annual exhibits, giving prizes and scholarship awards to persons of especial talent.

Schools Participate
In the club's 1945 exhibits, sixty persons participated with over 100 pieces entered. The art departments of the Des Moines public schools have been cooperative in encouraging Negro students to enter the annual exhibits, Mrs. Philip McGuire, publicity chairman of the club revealed.

Among the consistent winners include Charles Richardson of North high school who shows promise in sculpturing and Howard Peters of

East high school whose work in illustrations has won prizes. Pupils of the Nash and Logan elementary schools have won their share of awards in former exhibits.

This year, after a year of peace, the Dilettante club is expecting participation from veterans. Best known among them is Charles Boston whose portraits in oil and his work during the war which included a military insignia company plaque won prizes in Negro art exhibits here.

The Dilettante club has been successful this year in acquiring thirty-two associate members who will help sponsor a scholarship fund.

Officers of Club
Officers of the club are: Mrs. Arthur Turner, president; Mrs. A. J. Esters, vice president; Mrs. W. C. Buice, treasurer; Mrs. Joan Bullock, treasurer.

The committee in charge of the exhibit is made up of Mrs. Esters, chairman of classification, with Mesdames Bert Harris and Herbert Chapman; program, Mrs. Gwendolyn Fowler; social, Mrs. Joburness Kelson; publicity, Mrs. Philip McGuire.

Articles for this exhibit will be accepted at the Des Moines Art center until Friday, Nov. 15, when the entries close.

great moral force for which it is intended."

He questioned the opposition to this resolution by saying:

"Is there any member state here who is in favor of persecution or discrimination? Is there any member state here who does not want to protest against any persecution or discrimination if it is taking place in any part of the world?"

Speaking for Poland, Dr. Oscar Lange, Polish delegate to the UN, said his country had felt racial discrimination.

"After six years under Nazi occupation, 6,000,000 Poles were killed, 3,000,000 out of them Jews," he said.

Lange lent his wholehearted support to the Egyptian resolution, except he stated he would reserve the right to introduce amendments to the resolution at a later date.

Elect 4 Representatives From St. Louis and K.C.; Reelect One Kansas GOP

By LUCILLE BLUFORD
KANSAS CITY, Mo., (NNPA)—Four colored persons were elected in the November 5 elections to the Missouri legislature—three from St. Louis and one from Kansas City. The Kansas City man is James McKinley Neal, Democrat, who survived the Republican avalanche which descended even upon President Truman's Jackson County.

Mr. Neal, a druggist, defeated Julius B. Jones, Republican, in the fourth legislative district. He is the first colored Democrat ever sent to the legislature from Kansas City.

St. Louis legislators elected are Josiah C. Thomas, Republican; William Massingale, Democrat, and J. C. Bush, Republican.

Dr. G. J. Dixon, St. Louis physician, was elected magistrate in the third district of St. Louis.

In Kansas City colored voters supported Enos A. Axtell, whom they helped nominate in the August Democratic primary, defeating the incumbent, Representative Roger C. Slaughter in the House Rules Committee resulted in a 6-6 tie, blocking House consideration of fair employ-

ment practice legislation. The vote was Reeves 42,032, Axtell 30,476.

Mr. Axtell carried the colored wards but was unable to survive the Republican sweep in nine white wards. He was defeated by his Republican opponent, Albert L. Reeves, Jr., son of a federal judge.

United States Senator Frank P. Briggs, Democrat, of Missouri, was defeated by James P. Kem, Kansas City Republican lawyer. Kem's election puts two Republicans into the Missouri Senatorial seats for the first time since Civil War Reconstruction days.

Representative John B. Sullivan, of St. Louis, also was defeated in the Republican sweep.

Towers Relected
In Kansas City, Kansas, William Towers, veteran Republican member of the Kansas legislature, was re-elected. There was no Democratic opposition to him.

Fred White, the first colored person to serve as Wyandotte County Commissioner, was reelected for a second term of four years. He is one of three county commissioners who conduct the business of the county.

President Says He Will Do 'What Seems to Be Best for Welfare of All Our People'

WASHINGTON, D. C., (NNPA)—Accepting the verdict registered by American voters at the polls November 5, President Truman last Monday laid down the formula he will follow during the next two years while Republicans control the Congress.

As President of the United States, Mr. Truman said, he intends "to do in all cases, from day to day, without regard to narrow political considerations, what seems to me to be best for the welfare of all our people," adding:

"Our search for that welfare must always be based upon a progressive concept of government.

"I shall cooperate in every proper manner with members of the Congress, and my hope and prayer is that this spirit of cooperation will be reciprocated.

To them, one and all, I pledge faith with faith, and promise to meet good will with good will."

Issues Will Arise

Mr. Truman told his press conference that "inevitably, issues will arise between the President and the Congress. When this occurs, we must examine our respective positions with stern and critical analysis to exclude any attempt to tamper with the public interest in order to achieve personal or partisan advantage."

Election of a Republican Congress has not changed domestic or foreign interests or problems, he said. For-

sign policy, he stated, will continue to be developed and executed on a bi-partisan basis. He believes that Republicans who have worked with Democrats on foreign policy will continue to do so in the future as they have in the past.

He said his concern is lest any in either party should seek in foreign affairs "to achieve personal notoriety or partisan advantage by exploitation or by the mere creation of controversy."

In a question and answer session with reporters, Mr. Truman declined to comment on a question of whether the statement he read to reporters was an answer to Senator J. William Fulbright, Democrat, of Arkansas, who suggested that he should resign after naming a Republican Secretary of State to succeed him as President.

He denied rumors that changes in the Cabinet were to be made. He also denied that General Dwight E. Eisenhower, Army Chief of Staff, would resign. He said he did not think that rumor had a bit of foundation in fact.

He also denied that Charles G. Ross, White House press secretary, would resign, adding that there were all kinds of rumors about who is going to resign and that everybody seems to know more about contemplated resignations than he does.

He said he still sees no reason for calling a special session of Congress at this time.

Navy to Permit Qualified Men To Be Officers

WASHINGTON, D. C.—(NNPA)—The Navy Department last Thursday, announced a plan which will permit qualified colored enlisted men of the Navy and Marine Corps to become officers and enter an active duty as Ensigns and Naval Aviators in the Navy and second lieutenants in the Marines.

Both the Navy and the Marine Corps emphasized last Friday that colored sailors and marines would be permitted full participation under the new plan.

At present the Navy only has thirty colored officers, none of whom is a naval aviator. The Marine corps has never had a colored officer on active duty, and only two colored men have ever been commissioned in the corps.

The plan calls for the selection of qualified enlisted men of the Navy and Marine Corps, including Reserves on active duty, for officer candidate training in the Naval Reserve officer training corps and naval aviation college program.

Candidates for both programs will be selected in a service-wide competitive examination to be held on designated ships or stations throughout the world next January 18. Selected candidate will enter college in the fall of 1947.

Deadline for receipt of all nominations in the Bureau of Naval Personnel was set for December 17.

To Qualify

To qualify, men must be in the Navy, Marine Corps or serving on active duty in the Naval or Marine Corps Reserve on January 19, 1947, and meet physical standards required for entry into the Naval Academy.

In addition, they must be high school graduates or possess an equivalent background, be less than 21 years old on June 30, next, unmarried, and recommended by their commanding officers.

Applicants for the aviation program must be not more than 19½ years of age on July 1, or if eligible to enter college as a sophomore, must not be more than 20½ years old on July 1, must meet physical requirements and pass a battery of aviation tests.

Those selected for the NROTC program will be given a four-year college education at one of the fifty-two in-

WHO AIDED IN STRIKE OF SOUTH AFRICAN NATIVES

PRETORIA, South Africa, (NNPA)—The issue was definitely joined last Friday between the Smuts Government and Left-Wing elements, including the Communist party, when a Johannesburg magistrate's court imposed relatively heavy fines on forty-six defendants accused of having aided and abetted the "strike" of 50,000 native workers in the Rand gold mines last month.

The miners ceased work last month with the support of white Communists, demanding a daily wage of \$2

instead of 50 cents. Mining companies invoked action by the police and in five days the movement had ended. The immediate sequel was the arrest of fifty-two persons on charges of conspiracy and incitement and the simultaneous launching by liberal sympathizers of a drive for \$8,000 to assure adequate defense. On prosecution, the charges were modified to mere aiding and abetting, and

forty-six of the accused, by mutual consent pleaded guilty. The six others are being discharged.

In light of these circumstances nominal penalties had been expected. But the court imposed fines of \$60 or two months' imprisonment with hard labor on thirty-four of the accused for having distributed pamphlets and \$200 or two months in jail with hard labor on eleven Communists for having aided the strike. In each case approximately half of the penalty was suspended for one year.

A PETITION

...has been presented to the United Nations, on behalf of the 13 million oppressed Negro citizens of the United States of America.

For more than three centuries, we the Negro people, have helped to build America into a great nation. Still we are barred from many sources of employment... still we are forced to live in slum ghettos.

We Americans, lynched and terrorized, have petitioned our Government, time and again, for justice.

Now we call upon the United Nations... to mobilize the influence of all mankind toward fulfillment, here in the United States, of the stated purpose of the United Nations to promote and encourage respect for human rights and for fundamental freedoms for all, without distinction as to race, sex, language, or religion.

The United Nations Assembly convenes officially on October 23rd. We hereby urge you, our fellow Americans, to join our plea for justice. Please sign your name and mail this to the UN Petition Committee, National Negro Congress, 307 Lenox Avenue, New York 27, N. Y.

FBI INTO K. C. PRIMARY ELECTION
KANSAS CITY, (NNPA) — The Federal Bureau of Investigation last Friday began its investigation of the Kansas City primary election of August 6, in which Representative Roger C. Slaughter, Democrat, of the Fifth Congressional district, was purged chiefly by the ballots of colored voters.

An admitted foe of permanent fair employment practice legislation, Mr. Slaughter was defeated for renomination by Enos Axtell, who had the blessings of President Truman.

Jerome Walsh, Kansas City labor lawyer, who also was beaten in the three-way race, petitioned the House campaign expenditures investigating committee for an inquiry into alleged lush campaign expenditures on behalf of both Mr. Axtell and Mr. Slaughter.

The FBI investigation is believed to be based on the recommendation made to Attorney General Tom C. Clark by Sam M. Wear, United States district attorney. As the FBI investigation got under way, two investigators for the with a love feast and general class meeting on Friday Dec. 6.

Navy to Permit Qualified Men To Be Officers

WASHINGTON, D. C.—(NNPA)—The Navy Department last Thursday, announced a plan which will permit qualified colored enlisted men of the Navy and Marine Corps to become officers and enter an active duty as Ensigns and Naval Aviators in the Navy and second lieutenants in the Marines.

Both the Navy and the Marine Corps emphasized last Friday that colored sailors and marines would be permitted full participation under the new plan.

At present the Navy only has thirty colored officers, none of whom is a naval aviator. The Marine Corps has never had a colored officer on active duty, and only two colored men have ever been commissioned in the corps.

The plan calls for the selection of qualified enlisted men of the Navy and Marine Corps, including Reserves on active duty, for officer candidate training in the Naval Reserve officer training corps and naval aviation college program.

Candidates for both programs will be selected in a service-wide competitive examination to be held on designated ships or stations throughout the world next January 18. Selected candidate will enter college in the fall of 1947.

Deadline for receipt of all nominations in the Bureau of Naval Personnel was set for December 17.

To qualify

To qualify, men must be in the Navy, Marine Corps or serving on active duty in the Naval or Marine Corps Reserve on January 19, 1947, and meet physical standards required for entry into the Naval Academy.

In addition, they must be high school graduates or possess an equivalent background, be less than 21 years old on June 30, next, unmarried, and recommended by their commanding officers.

Applicants for the aviation program must be not more than 19½ years of age on July 1, or if eligible to enter college as a sophomore, must not be more than 20½ years old on July 1, must meet physical requirements and pass a battery of aviation tests.

Those selected for the NROTC program will be given a four-year college education at one of the fifty-two in-

HEAVY FINES ON 46 WHO AIDED IN STRIKE OF SOUTH AFRICAN NATIVES

PRETORIA, South Africa, (NNPA)—The issue was definitely joined last Friday between the Smuts Government and Left-Wing elements, including the Communist party, when a Johannesburg magistrate's court imposed relatively heavy fines on forty-six defendants accused of having aided and abetted the "strike" of 50,000 native workers in the Rand gold mines last month.

The miners ceased work last month with the support of white Communists, demanding a daily wage of \$2

instead of 60 cents. Mining companies invoked action by the police and in five days the movement had ended. The immediate sequel was the arrest of fifty-two persons on charges of conspiracy and incitement and the simultaneous launching by liberal sympathizers of a drive for \$8,000 to assure adequate defense. On prosecution, the charges were modified to mere aiding and abetting, and

forty-six of the accused, by mutual consent pleaded guilty. The six others are being discharged.

In light of these circumstances nominal penalties had been expected. But the court imposed fines of \$60 or two month's imprisonment with hard labor on thirty-four of the accused for having distributed pamphlets and \$200 or two months in jail with hard labor on eleven Communists for having aided the strike. In each case approximately half of the penalty was suspended for one year.

A PETITION

...has been presented to the United Nations, on behalf of the 13 million oppressed Negro citizens of the United States of America.

For more than three centuries, we the Negro people, have helped to build America into a great nation. Still we are barred from many sources of employment... still we are forced to live in slum ghettos.

We Americans, lynched and terrorized, have petitioned our Government, time and again, for justice.

Now we call upon the United Nations... to mobilize the influence of all mankind toward fulfillment, here in the United States, of the stated purpose of the United Nations to promote and encourage respect for human rights and for fundamental freedoms for all, without distinction as to race, sex, language, or religion.

The United Nations Assembly convenes officially on October 23rd. We hereby urge you, our fellow Americans, to join our plea for justice. Please sign your name and mail this to the UN Petition Committee, National Negro Congress, 307 Lenox Avenue, New York 27, N. Y.

FBI INTO K. C. PRIMARY ELECTION

KANSAS CITY, (NNPA) — The Federal Bureau of Investigation last Friday began its investigation of the Kansas City primary election of August 6, in which Representative Roger C. Slaughter, Democrat, of the Fifth Congressional district, was purged chiefly by the ballots of colored voters.

An admitted foe of permanent fair employment practice legislation, Mr. Slaughter was defeated for renomination by Enos Axtell, who had the blessings of President Truman.

Jerome Walsh, Kansas City labor lawyer, who also was beaten in the three-way race, petitioned the House campaign expenditures investigating committee for an inquiry into alleged lush campaign expenditures on behalf of both Mr. Axtell and Mr. Slaughter.

The FBI investigation is believed to be based on the recommendation made to Attorney General Tom C. Clark by Sam M. Wear, United States district attorney. As the FBI investigation got under way, two investigators for the with a love feast and general class meeting on Friday Dec. 6.

House campaign expenditures investigating committee, J. Raymond Joy, Jr., and Arthur T. Allen, completed their inquiry with a joint statement saying:

"We have a clear picture of what took place in the August primary and are returning to Washington to make a report that will be prepared there. After the committee studies our reports it will make its own decision as to whether it will continue its investigation."

Who Is Making Feed Prices Go Up?

You all know how scarce meat was. This made meat scraps and tankage go up from \$82.25 a ton to around \$147.00 a ton. Then soy beans went up from \$2.15 a bu. to around \$3.30. The same is true of Cottonseed and Linseed meals. These concentrates then are what have gone up but the grains, with exception of oats, have gone down. WE, YOUR FEED MAN, HAVE NOT TAKEN ADVANTAGE OF THE DEATH OF THE OPA BUT (THE PRODUCER OF INGREDIENTS is for the moment, getting the raise.

THE ABBE WALLACE SERVICE

W.G.—The girl I would like to call my own is quite popular on the Campus. She dates me and she dates some of the other fellows too. I am settled, I know what I want and I am crazy about this girl. She has me like a squirrel's favorite... "nuts." I love her. What is the score?

Ans: You rate with her too... proof of that is the way she always manages to share most of her dates with you. She is a fine level-headed girl and she wants to be sure of herself before letting herself get seriously in love with any boy. Once you convince her that you are sincere and that her happiness means more to you than anything else in the world... she's yours.

B.M.J.—I have been married six years. Two years ago Christmas a young man came to our neighborhood on a visit and I met him one time. I believe I fell in love with him as I dream of the man all of the time and he is constantly on my mind. My husband is a good man but he drinks a little but what I want to know is does this man love me as much as I love him?

Ans: To be painfully frank, he hasn't given you a second thought. You are making yourself perfectly miserable harboring dreams of this young man. Turn a little of this emotional excess your husband's way and the results will be most gratifying. You'll forget the guy too.

W.H.C.—I get so disillusioned here lately. Tell me is it worth the sacrifice I am making to send my son to school and to the music classes he is attending? My new friend says it is a waste of time.

Ans: The welfare of your son should be your first consideration. It is certainly not a waste of time and

money as long as he absorbs what he is taught. Prepare him to the best of your ability to meet the future and do not think of what you are doing in terms of sacrifice. It's to your interest as well as him that he make good and succeeds in life.

A.W.C.—For a long time I have been enjoying your column in the paper. I am heavily burdened at this time and need advise. I have been living with this man for six months and we are in a house to ourselves. His sister wants to live with us but I don't want her. I fear we won't get along. If he lets her move in, should I go, after all I'm the woman of the house.

Ans: Your position there with this man is extremely uncertain as it is the first change in your affairs should be a wedding if you expect to continue together. If you were married to him and felt at all secure, you would be able to overlook a lot in regards to his family, but it would be quite difficult under the present circumstances. Get your own affairs in order before considering the other problem.

C.L.G.—I am undecided what I must do. When I was discharged from the navy I promised C. I would send for her but since I have been home, I have fallen madly in love with E. Which one must I choose for a wife?

Ans: Slow down Charles... you shouldn't promise yourself to two girls knowing that you can't marry but one. You are too eager to get married... you need to give more thought to the future mate and choose a girl whom you love devotedly and feel you cannot do without and one whose interests are parallel to your own. When it's the real McCoy, there won't be a doubt in

your mind which girl to ask to be your wife. You are not quite ready to take this step.

J. B.—I left my wife sometime ago and came here and found two or three women I believe I could love but I don't want to give my wife up. That is my problem.

Ans: Be reasonable J. B. You love your wife and you admit she has made you a good mate—but those other gals look good to you. You couldn't be happy with anyone of them, loving your woman the way you do. Go back to her and make up. These new women haven't got a thing your wife hasn't got more of. Understand?

Christmas Giving Simplified— You "Plan When You CAN!"

It may be a long time till Christmas but didn't you vow last year that never again would you spend so much for so little nor wait until the eleventh hour to do that spending? And didn't you worry a wrinkle in your pretty brow because you couldn't think of the right gift for the friends who "have everything"? Nobody has everything and the very thing one person may consider too everydayish to rate gift wrapping may be all but priceless in the eyes of another. So, why not for a change do most of your Christmas shopping right in your own fruit pantry? Now is the time to start!

- Use Home Canning Jars**
If you live in or near the country, a package of native greens—pine, cedar, mistletoe, red berries, bitter sweet, holly, or what have you—along with two or three pint or half-pint jars of your best home canned relish or preserves or chicken will mean far more to the friends who went to the big city to make good than anything you could buy for them. Be sure not to trespass on some other person's property which you go greens hunting (you might land in jail). And be sure that the canned offerings are in regular home canning jars, otherwise you may not get credit for stirring good wishes into that wild blackberry jam, spiced figs, citron preserves, quince jelly, chutney, rummage pickle or whatever is your speciality.
- Wrap Jars Safely**
We have the word of Gladys Kimbrough, Home Service Director for Ball Brothers Company, manufacturer of fruit jars, that home canned products are good travelers when they can go in comfort, but are finicky when it comes to roughing it. In fact, they demand well padded berths. For Christmas packing, Miss Kimbrough suggests that each jar be washed, polished, labeled, and wrapped in thick, shock-absorbing layers of cotton batting, then fitted snugly into a box. The box is gift wrapped and placed in a larger one for shipping. The outside box should be marked "fragile."
- Rummage Pickle**
1 quart chopped ripe tomatoes
2 quarts chopped green tomatoes
3 large onions
1 large cucumber
1 quart chopped cabbage
2 cloves garlic
1/2 cup salt
4 cups brown sugar
1 tablespoon celery seed
1 tablespoon mustard seed
3 cups chopped celery
3 green peppers
3 red peppers
1 pod hot red pepper
1 teaspoon ground ginger
1 tablespoon ground cinnamon
1/2 teaspoon ground cloves
2 quarts vinegar
Chop and measure vegetables. Mix with salt. Let stand overnight. Drain. Add other ingredients. Simmer until there is no excess liquid. Pack into hot jars; seal at once.
- Peach Chutney**
1 gallon peaches
2 onions
1 clove garlic
1 cup seeded raisins
1/4 cup white mustard seed
2 tablespoons ground ginger
1 pod hot red pepper
1 cup brown sugar
5 cups vinegar
Chop peeled peaches, onions, garlic and raisins. Add 1/2 the vinegar. Cook until soft. Add all other ingredients. Cook until thick. Pour into hot jars; seal at once. Apples, pears, or plums may be substituted for peaches in this recipe.

MRS. COUNT BASIE CAN'T FIND ICEBOX NOR REPAIR MEN FOR NEW HOME

By Dolores Calvin
NEW YORK CITY, (Calvin's News Service)—When comely Katherine Basie, wife of the pianistic Count, took it upon herself to move from their Fifth Avenue apartment to a new \$26,000 Long Island home, she had no idea what she was getting herself into.

Driving their family car back and forth to bring out the more delicate items of the household, first on the list was baby Diane. After carefully settling her in the upstairs nursery, Mrs. Basie discovered: there were small spiders in the basement, the men hadn't come to take up the carpets, the roof had to be fixed—and above all, she couldn't find an icebox under \$300.

The cute-sized brick house is the last on Adelaide Lane in the exclusive section of St. Albans with a terrace leading from the living room. Completely modern, it lends an old-fashioned touch. With two lights on each side of the door, a fireplace and surrounded by a forest of trees.

THIS NEWSPAPER, IOWA'S OLDEST NEGRO WEEKLY, IS AN INSTITUTION DEVELOPED FOR AND BY THE PEOPLE OF IOWA AND THE MIDDLEWEST TO PRESENT THE NEWS OF THE DAY, FOSTER BETTER RACE RELATIONS, LEAD PUBLIC OPINION AND TO CONTEND FOR THE CONSTITUTIONAL RIGHTS OF ALL THE PEOPLE AT ALL TIMES.

DEMOCRACY IN YMCA IS SPOTTY

Speaking to a Des Moines audience last week James Cook, secretary of the Pine Street YMCA in St. Louis said: "The YMCA is the arm of the church." Mr. Cook urged the application of the principles and patterns of the YMCA as solutions of racial problems emphasizing that "when we have a common objective like the youth of our community, we find ourselves almost hugging each other."

Well! Just where does Mr. Cook get that idea? Is it because he is on the YMCA payroll and thus finds himself bound to praise his master even though that master's conduct is wrong?

It is true that the YMCA should be the arm of the church. But what church? The Bystander takes the view that even though it carries the word Christian in its name, it has failed miserably to live up to that name. It has been one of the organizations to which has been presented an opportunity to do interracial work, but entirely too often took reactionary views on the subject. Like our Y in Des Moines, it has allowed secretaries to come into its midst with un-Christian ideals and pull the Y in line with them. Often business men who comprise the boards have used their positions to actually block forward progressive programs.

Fortunately, Des Moines does have a general secretary who has some ideas of decency about what the YMCA should do. At this time, the board is supporting him. However, it must not be forgotten that Des Moines had a secretary who was about as rotten as they come and the board at least tolerated him.

The Bystander hopes that our local YMCA does not tolerate any backward steps from those being followed by its present secretary and that it will elect a Negro on its board—a program the YWCA has followed for some years.

The Bystander agrees that the YMCA should be a democratic organization but on the whole record it is a misnomer to so designate it.

INCONSISTENCY PRODUCES EMBARRASSMENT

When the United Nations organization was seeking a location for its headquarters, some objected to choosing America because of embarrassment which might occur over the treatment of delegates with dark skins. Towns located in the south were ruled out entirely on that account.

Last week, our state department was called upon to apologize twice to the Dominican republic because a deputy sheriff in Florida killed one of its citizens who insisted on being treated as any other man and because he was thought to be a Negro.

People coming to this country are not accustomed to being segregated and Jimcrowed because of their color. They read and hear about America's democracy and find disappointment when they come to our shores and discover we don't practice what we preach.

Certainly, one set of heads in the state department finds itself in an embarrassing position explaining the lies the other set tells the world.

NEGRO INFANT DEATH RATE IS TOO HIGH

The Iowa bureau of vital statistics issued a statement last week showing that the death rate of babies under one year old was considerably higher among Negroes than among whites.

The report also showed that the birth rate among Negroes was greater in proportion than among whites during the same period.

For instance, the report says it is not surprising that the death rate among Negroes is higher than among whites. In fact great strides have been made toward a reduction from what the figures were years ago, economic advantages and education over a longer period easily account for most of the differences.

In 1941 the Negro rate was 29.85 deaths per 1,000 live births. The white rate was 37.4 deaths per 1,000 live births, which gives Negroes the best record.

But in 1940 the white rate was 33.5 and the Negro figure was 65.57. In 1944, the white rate was 29.02 and the Negro mortality was 56.91 while last year the figures were 29.73 and 44.78 respectively.

For instance, it will be noted that the 1941 figure which was about the year we were coming out of the depression, the death rate per thousand among Negroes was less than among whites. On the other hand in 1940 the rate among Negroes doubled that among whites. In 1944 the rate among whites was 25 per cent less while among Negroes about 11 per cent less.

No doubt these periods used for comparisons changed to such an extent that the figures have little consistency. For this among other reasons, the department might have let the public have the ratio between whites and other racial groups.

Theatre Auditorium Picket Washington

WASHINGTON, D. C., (NNPA)—The Southern Conference for Human Welfare last Tuesday night threw a picket line around the first night's performance of Maxwell Anderson's play, "Joan of Lorraine," starring Ingrid Bergman at George Washington University's Lisner auditorium.

The demonstration, staged in collaboration with the Greater Washington Area Council of the American Veterans Committee, was held in protest of the university's refusal to admit colored people to performances at the newly built auditorium.

The pickets appeared promptly at eight o'clock and paraded in front of the auditorium until the curtain rose forty-five minutes later, thereby forcing high government officials and Washington first nighters to cross the picket line as newsmen's cameras flashed.

AVC members stood at the entrance of the auditorium and passed out leaflets containing statements of Miss Bergman, producers of the play, and members of the cast, in which they deplored race discrimination in Washington theaters.

INTERRACIAL COMMISSION HEARS PSYCHIATRIST

At their monthly dinner meeting in the cafeteria of North High school last Tuesday evening the Des Moines Interracial commission had as their guest speaker Dr. Frank E. Lasley, psychiatrist to the State Board of Control, who has completed a survey of the mental health institutions of the State. He gave a number of interesting facts concerning the number of inmates in these institutions concluding with the information that Iowa with its high rates of intelligence and highly rated Agricultural and mechanical colleges, is far behind in its appropriations for the care of its mentally ill citizens who comprise about twenty per cent of its population.

Other visitors at this meeting were Mesdames Chas P. Howard and E. T. Martin, Sr., and Mrs. Margaret Chamblee, recently elected president of the Logan School Parent-Teacher Association and Mr. J. E. Ratner of the Meredith Publishing company were elected to membership.

At the next meeting which will be held on the second Tuesday in December, all standing committee chairmen will make their annual reports and officers for the next year will be elected.

Jan. 6 at 7:30 a.m., according to official announcement. The recess therefore totals 15 1/2 days, about equal to the pre-war variety. For Thanksgiving, classes will be suspended only on the day itself, Thursday, Nov. 28. (SEE FRONT PAGE)

SPORTS

YALE—BROWN, 49-0
NEW HAVEN, Conn., (NNPA)—Levi Jackson, Yale fullback, accounted for three touchdowns and passed nineteen yards to Vandy Kirk, a halfback, for another in a game in the Bowl last Saturday afternoon in which Yale routed the Brown eleven, 49 to 0.

Jackson excelled at running the opposition dizzy all afternoon. His contributions to Yale's offensive power might have been even greater had he not repeatedly slipped and fell while cutting sharply in the open. His best effort came early in the third period when he broke through the middle of the Brown line and ran seventy-four yards to tally.

HAWKEYES AT WISCONSIN
MADISON, Wis., (NNPA)—The running and passing of Emilen Tunnell, Iowa back, was a big factor in the Hawkeyes' 21-0-7 victory over the Wisconsin Badgers here last Saturday afternoon.

In the final period Tunnell passed sixteen yards to Ted Curran, who put the ball on Wisconsin's 8. Then Tunnell tossed another pass to Jack Dittmer for a touchdown.

Early in the game he passed to Lou King to put the ball on Wisconsin's 22-yard line as the first quarter ended. In the second period, he cut over right end for two yards and later took a punt and squirmed fifteen yards to the Badger's 34. In the third period he sprinted fifteen yards.

Earl Banks started at right guard for Iowa, and Sherman Howard, a tackle, was sent into the Hawkeyes' lineup as a substitute.

ERNIE PARKS AT OHIO
COLUMBUS, Ohio, (NNPA)—Ernie Parks, a Buckeye end, and Bob Lee, a Panther halfback, saw action last Saturday afternoon in a game in which Pitt's Panthers fought Ohio State's Buckeyes stubbornly only to lose, 20-13.

FRED BURGESS SCORES
BETHLEHEM, Pa., (NNPA)—In the final period, halfback Fred Burgess scored one of two touchdowns which gave New York University a 13-to-3 victory over Lehigh in Taylor Stadium last Saturday afternoon.

Burgess' touchdown was set up when the Violets took a fourth down partially blocked punt by Lehigh on the Lehigh 23. Burgess swept around the right end to the 1-foot line after being balked on the first plunge, crossed the line on the second for the touchdown.

DERRICOTTE AT MICHIGAN
ANN ARBOR, Mich., (NNPA)—Gene Derricotte, a back, was one of eight Wolverines to score touchdowns to give Michigan a 55-to-7 win over Michigan State here last Saturday.

DRAMA CRITICS PRAISE AND CRITICISE 'LYSTRATA'
NEW YORK, (NNPA)—Drama critics turned thumbs down on "Lysistrata," the comedy that Aristophanes in 411 B.C., wrote about the women of Greece who forced peace between the Athenians and Spartans by denying them the rites of love, which had its premiere at the Belasco Theatre last Thursday night.

While generally critical of the production, Brooks Atkinson of The New York Times praised the performances of some members of the cast. He said the cast played "Lysistrata" with "exuberance and impudence, economizing on nothing except subtlety," he added:

"Very Able"
"As Lysistrata, the Goddess of Peace under duress, Etta Moten is very able indeed, interpreting female insurgency in a sound night-club style. Grave and imperious as she appears to be when she is leading the women to unnatural revolt, the tempo of swing keeps taking hold of her and conquering her awe for the classics.

"Rex Ingram is also a superior actor. As the President of the Senate, he revives a scrambled performance by the physical vitality of his acting and by the mischievous gleam of humor that brightens his eyes. As the quavering leader of the old men, Leigh Whipper introduces one of the most genuinely amusing episodes in the performance by the contrast he draws between the spiritual valor and the physical incompetence of the ancients. As rugged leader of the Spartan women, Mercedes Gilbert is likewise vastly entertaining.

Howard Barnes of The New York Herald Tribune said the show "lacks

HOOSIERS WIN

EVANSTON, Ill., (NNPA)—Both Mel Grooms and Jim Dewar, Indiana backs, fumbled in the game which the Hoosiers won from Northwestern here last Saturday by a score of 7 to 6.

Indiana received the kickoff and Dewar returned it eighteen yards to his 23-yard line. The Hoosiers advanced in eight plays to the Wildcats' 18. When Grooms fumbled, a Northwestern offense saved Indiana.

When Dewar fumbled, John Cannaday, Hoosier center, recovered for a two yard gain. Jim Holland, Northwestern end, was sent into the game as a substitution.

PENN STATE—TEMPLE

STATE COLLEGE, Pa., (NNPA)—Wally Triplett, Penn State star, intercepted a pass on the goal line in the game which the Nittany Lions won last Saturday from Temple, 26 to 0. Dan Phipps, a Temple end, had almost caught a pass from Paul Dubunetsky, a back when Triplett jumped in and virtually snatched it out of his hands.

HOWARD DEFEATS HAMPTON

By George Lyle, Jr.
HAMPTON INSTITUTE, Va., (NNPA)—Led by Tony Wallace, a 145-pound seatback from Washington, the Howard University Bloms spoiled Homecoming Day for the Hampton Pirates by handing the home club a 9-6 defeat before 6,000 at Armstrong Field last Saturday.

that they whipped Mr. McAttee for the alleged theft of a saddle. Mr. McAttee's two steppens later confessed to the saddle theft.

FIVE WHITE MEN INDICTED IN MISSISSIPPI

LEXINGTON, Miss., (NNPA)—Five white men have been indicted for manslaughter in connection with the flogging death last July of Leon McAttee, 35 years old, a tenant farmer whose body was found in a bayou.

Their indictments by a Holmes County grand jury were revealed last Wednesday as Sheriff W. L. Murtagh stated that manslaughter warrants had been sworn out for their arrest.

He said that four of the five had been released under \$1,000 bond each. They were Jeff Dodd, Jr., 35; D. G. Roberts, 41; Spencer Ellis, 62; and Jeff Dodd, Sr., 65, on whose 300-acre farm Mr. McAttee was a tenant.

The fifth defendant, Private James E. Roberts, 19, was on duty at an Army base and had not been arrested.

The men were held for grand jury action on murder charges after Mr. McAttee's body was found in a Sunflower County bayou, sixty miles from here, two days after Mr. McAttee disappeared.

At that time the men admitted even sustained exuberance," adding that "Where one might have reasonably expected a lusty blend of horseplay and innuendo, there is little more than a stogy and rather timorous interpretation of the burlesque on physical love and war."

Robert Garland of The New York Journal-American reported that "this latest Broadway revival is no little of a bore, a windy night on the acropolis where sex raises and re-raises its repetitious head." He placed much of the blame on the director, James Light.

NEVADA AND PENN STATE APPLAUDED BY NAACP

NEW YORK, Nov. 7—An old Southern "custom" took quite a beating last week when two crack Northern football teams cancelled their scheduled football games at Southern universities because they would not permit their boys to compete with teams having Negroes. The University of Nevada, with two Negro players, and Pennsylvania State College, with two players refused to leave any member of their team at home, and called off games with, respectively, Mississippi State College and Miami University.

Their action was applauded in a warm telegram from Walter White, Executive Secretary of the NAACP, to each of the Northern colleges who declined to bow to the unsportsmanlike stand of the Southern Universities.

Congratulating the presidents of the colleges for cancelling their schools' games rather than leave their Negro players at home, Mr. White also congratulated the students and alumni who "refused to bow to this prejudice in the first year after our victory in a world war for human dignity and freedom."

Sitting pretty with your party line

Most people are—because they liberally apply the party line Golden Rule: Use your share of the line as you would have others use theirs.

OR ARE YOU UNCOMFORTABLE? Maybe you, like many others, have a yearning for a private line of your own. We are anxious to give you exactly the kind of service you want. However with switchboards, dial equipment and lines working at capacity, party line service is about all we can provide. We're doing our best to obtain more facilities but until we can, we regret that there must be some "doubling up".

We hope you will make the best of it until we can again serve you the way both of us would like.
