Racial Riots Shift to Rochester

Civil Rights Act Is Legal Rules 3 U.S. Judges

Repels Attacks on Accommodations Section of Statute

Atlanta, Ga.—In the first two tests of the Civil Rights Act recently passed by Congress, it was ruled that the precedent setting law is constitutional and that Congress had power to regulate commerce. The decision was handed down by three federal judges—Chief Judge Elbert P. Tuttle of the Fifth U. S. Circuit Court of Appeals and District Judges Frank A. Hooper and Lewis R. Morgan.

In rejecting attacks on the legislation's legality the judges issued injunction against the Pickrick restaurant and the Heart of Atlanta Motel Corp. Effective date of the injunctions was delayed until Aug. 11 to allow time for appeals directly to the U. S. Supreme Court.

The Civil Rights Act prohibits discrimination in places of public accommodation, public owned facilities, employment and union membership and federally-aided programs.

The court said in the motel case the attack "on the constitutionality of these sections of the Civil Rights Act must fail."

In the restaurant decision, the court said "the defendants' attack on the constitutionality of the act as applied to their operation must fail."

Basic Arguments

Basic arguments in both cases hinged on whether Congress had constitutional authority to enact the law, and the court first disposed of this issue before ruling on the law's application.

Attorneys for the motel and restaurant said they would appeal.

Lester Maddox, who chased three Negroes from his restaurant at gunpoint July 3 said: "We'll wait until Aug. 11 and see what happens then." Earlier, he had said he would not integrate and had indicated he might close down instead.

Motel owner Moreton Rolleston, an attorney, said he would abide by the order but would appeal immediately.

Mississippi Pastor To Preach in D.M.

The Rev. J. E. Cameron, 32, pastor of Faith Tabernacle Baptist Church at Hattiesburg, Mississippi, will speak Monday night, Aug. 3 at 7:30 p.m. at Union Baptist Church. Rev. Seymour Gaines, pastor. He will be speaking Sunday, Aug. 2 in Waterloo, Ia. for Rev. Williams.

He was one of six Negroes to qualify to seek Congressional nomination in the June primary election. The Rev. Mr. Cameron unsuccessfully opposed the Democratic incumbent William Colmer.

In addition to his pastoral duties, the Rev. Mr. Cameron is serving as Co-ordinator of the voter registration project in Hattiesburg under the auspices of the United Council of Churches.

Last April he was arrested along with 44 others for breaking an anti-picket law passed by the Mississippi Legislature. He spent several days in the County farm jail.

In June he traveled to Oxford, Ohio and helped train College students before their travel to Mississippi as participants in civil rights projects there.

The Rev. Cameron also is concerned with the organization of the

Kennedy's grave in Arlington cemetery and were seated in the galleries when the House of Representatives passed the historic civil rights bill.

"There has been criticism voiced that the community leaders in Harlem and Rochester have failed to lead their people," Wright said. "This needn't be the case in Des Moines. I think we have enough influential persons in our group to cope with this situation."

NEWS In A Nutshell

Didcot, England—A naked man, explaining that it was just too hot (72 degrees) to wear clothes, walked into the railway station and asked for a ticket to Oxford. "I told him he couldn't go to Oxford like that," said the stationmaster. "So he got a sheet or two of newspaper out of a little bin, wrapped them around him and sat down on a seat." Police, alerted by telephone complaints, persuaded the man to put on shorts and shoes he left by the wayside.

Los Angeles, Calif.—Jackie Robinson, the first Negro major league baseball player, last week began duties as national chairman of the Republicans for Johnson committee. Robinson was named chairman by Atty. Crispus Wright, founder of the committee and a vice chairman of the Nixon for Governor committee in 1962.

Birmingham, Ala.—Carlis Watkins, a motorist, came upon a white truck driver who had been set afire while working on the engine of his stalled vehicle. Watkins stopped, grabbed a tarpaulin from his car and wrapped the canvas around the burning man, extinguishing the flames.

5,016 Attend 4-Day Witnesses Convention

Local delegates to the "Fruitage of the Spirit" District Assembly of Jehovah's Witnesses returned home with words of high praise for the four-day gathering at Masonic Temple, Davenport July 23 to 26.

Loy Olmstead, City Director of the Des Moines congregation of Jehovah's Witnesses, headed the local delegation. Describing the event he said, "Jehovah's Witnesses were present from thirteen states. We had expected a peak attendance of 4,000 but it climbed to 5,016 on the final day.

Asked to relate the assembly highlights Olmstead replied, "That's not very easy to do when I reflect back on the four full days of wonderful instruction in the Bible. However, I was particularly impressed by the mass-baptism, in which 59 persons were baptized at the Iowa Motel pool, a series of nine talks on the 'Fruitage of the Spirit' mentioned at Galatians 5:22, 23, and the public talk that climaxed the convention."

"Peace Among Men of Good Will" or Armageddon—Which?—was the title of the talk on Sunday, July 26, delivered by Edward H. Laszlo of Chicago.

Gov. Rockefeller Sends in 1,000 State Troopers to Help Restore Law, Order

Rochester, N.Y.—Racial disturbances that had raged at riot peak in Harlem for five consecutive days last week, switched scenes to Rochester, third largest city in New York State Friday and raged there for three nights before a relative calm came Monday night. However, this came only after New York Governor Nelson Rockefeller sent 1,000 state troopers and national guardsmen to restore order.

Relative quiet came to riot-torn Rochester Sunday night after a show of force by national guardsmen ordered into the city by Gov. Rockefeller.

Three persons died in the crash of a police helicopter and Negro rioters carried their destruction into a third day.

Steel-helmeted national guardsmen, riding in a truck convoy, moved into the city's Negro section late Sunday night in an effort to tighten a curfew more than 1,000 state and city police found impossible to enforce.

1,000 on Duty

There were no incidents as about 200 of the 1,000 guardsmen on duty in local armories toured the Jefferson and Plymouth area, scene of major rioting Saturday night. The troops carried bayoneted but unloaded rifles.

"Law and order will be maintained in the city of Rochester," Rockefeller vowed in a statement. But a spokesman emphasized that the governor had not declared martial law in ordering the 1,000 guardsmen into the city.

Rockefeller's "precautionary measures" came as police used tear gas and fire hoses to break up a crowd that collected in the Negro quarter, near Joseph avenue. Fresh looting was reported, despite the 8 p.m. curfew.

Police seized about 100 more rioters Sunday and packed them into jails already jammed with 500 arrested previously.

More than half of the patrol cars available to the Rochester police were damaged in the first two nights of rioting.

Meanwhile, the National Association for the Advancement of Colored People held a meeting to plan strategy it hoped would convince the Negroes to end the rioting that began shortly before midnight Friday.

The rioting was touched off by the arrest of a young Negro at a block dance Friday night.

Throughout Saturday night and Sunday morning, police cars scurried from one section of the city to another to break up gangs of looters. Heavily armed policemen patrolled on foot, dodging—and sometimes being hit with—bottles, filled beer cans, stones and other missiles.

NAACP Hits Rioters; Lays Blame on City's Apathy

New York—The outbreak of violence in Harlem on Saturday, July 18, and in the Bedford-Stuyvesant section of Brooklyn two days later, has been strongly condemned, but a share of the blame is attributed to the apathetic attitude of city officials toward the needs and problems of Negro citizens.

The Rev. Richard A. Hildebrand, president of the New York branch of the National Association for the Advancement of Colored People, made this charge in a statement to the press Thursday, July 23.

Trigger

The disorders which erupted in the two communities, Hildebrand said, did not originate with the "senseless slaying" of 15-year-old James Powell by a white off-duty police officer. That incident, Hildebrand asserted,

"merely triggered long smoldering and justified resentments stemming from gross neglect of the needs of the people imprisoned in these ghettos."

The Powell boy was shot to death Thursday, July 16, by Police Lieut. Thomas Gilligan. According to Lieut. Gilligan, who has received several citations for bravery, the Negro lad moved toward him with a knife and refused to drop it when commanded to do so. Witnesses, however, gave sworn statements to the NAACP that the slightly built youngster did not have a knife during the confrontation with the 200-pound, six-foot policeman.

Hildebrand, who pastors Bethel A.M.E. Church in Harlem, lashed out at both the rioters and the police who tried to contain them.

CORE Confers with A&P on Negro Jobs

The Des Moines Chapter of the Congress On Racial Equality announced Monday that negotiations were being conducted with the local A&P stores for hiring more Negro employees.

Mrs. Stanley Griffin, Chairman of Des Moines CORE, stated, "CORE demands that more Negroes be hired at the 19th and University A&P store, as well as the four other A&P stores in the Des Moines vicinity. Progress in equal employment should be visible to the public."

Awareness

Manager Larry Conley, of the 19th and University A&P store, assured CORE that his store had recently hired two Negroes part time. He

stated that he was aware of the employment problem and promised to help by hiring only Negroes at his store in the near future.

CORE has scheduled a conference with the supervisor of the Midwestern Division of the A&P Stores, R. J. Crocker, for Friday, July 31.

Mrs. Griffin stated, "It is hoped that this conference will result in more Negro employment in all A&P stores in the Des Moines vicinity, most especially at the 19th and University store."

Steps

CORE, which is known for its non-violent direct action approach to racial problems, did not indicate what further steps would be taken if the conference did not result in a substantial increase in Negro employment by the A&P stores. However, such steps as picketing, selective buying, and shop-ins have been used by other CORE chapters around the nation.

Call Meeting with State, City Officials for Race Talks

Des Moines public officials and community leaders are being asked to attend a meeting next Wednesday to discuss local racial problems and measures that can be taken to alleviate racial unrest.

Time and place of the meeting will be announced later through other news media, as it will take place before the Bystander goes to

press next week.

Robert A. Wright, president of the Des Moines branch of the National Association for the Advancement of Colored People, is calling the meeting at the request of the national office.

Among those who will be invited to the meeting are Gov. Harold Hughes, members of his Commission

TO THE ABOVE NAMED DEFENDANTS: You, and each of you, are hereby notified that the petition of the plaintiff in the above cause is now on file in the office of the District Court of Polk County, Iowa, claiming that the plaintiff is the absolute and unqualified owner in fee simple of the following described property, to-wit:

The North 26 feet of Lot One (1) in Block Sixty-five (65) in Stewart's Addition to the City of Des Moines, now included in and forming a part of the City of Des Moines, Iowa, and that the plaintiff is credibly informed and believes that the defendants make or may make some claim adverse to the title of the plaintiff in said property and that the said unknown claimants to said premises claim or may claim some interest in said real estate.

It is informed and believed, that the plaintiff has no knowledge nor information as to the nature of any said interest, claimed by said unknown claimants, was derived or claimed to have been derived or the method of obtaining said interest, and the plaintiff avers therein that the names and residences and mailing addresses of the unknown persons are unknown to the plaintiff and that the plaintiff has sought diligently to learn the same and the plaintiff in said petition has attached instruments of record which show the title of the plaintiff to said real estate and to the pretended claims or questions which have arisen with reference to said title and are referred to said petition for a more particular statement thereof. The plaintiff in said petition states that the defendants or unknown claimants have in fact any right, title or interest in and to the said premises or any part thereof or any color of right, title or interest therein and that the plaintiff and the defendants have been in sole and complete, open, notorious, actual and undisputed adverse possession of the said premises for over ten years, and that by reason thereof and of the lapse of time and the laches of the defendants in failing to assert any pretended claim thereto and in permitting valuable improvements to be made thereon, relying on such possession and ownership, the defendants are estopped from asserting any right, title, claim or interest therein adverse to the plaintiff. The plaintiff in said petition prays for the establishment of her estate and title against the adverse claims of the defendants and that each and all of them and all unknown claimants and all persons unknown having any claim or claiming any right, title or interest in and to the said premises and all persons claiming by, through or under them, be barred and forever estopped from ever asserting, having or claiming any right, title or interest in or to the said premises or any part thereof adverse to the plaintiff's title therein and that the plaintiff's title to said premises be quieted, established and confirmed and that the plaintiff have all such other and further equitable relief as the court may deem just.

You are further notified that unless you appear and defend thereto before said Court in Polk County, Iowa, at 6th and Mulberry Streets, at the Office of said premises be quieted, established and confirmed and that the plaintiff have all such other and further equitable relief as the court may deem just.

Miss Circe Holt Weds Thomas H. Booker in Impressive Double Ring Ceremony in Keokuk

Keokuk, Ia.—In an impressive ceremony on Saturday, July 11 at 2:30 p.m. at the Bethel A.M.E. Church Miss Circe Holt, daughter of Mr. and Mrs. Richard H. Booker, son of Mr. and Mrs. Edward McMoore of Minneapolis, Minn. The Rev. Ross O. Hopkins officiated at the double ring ceremony.

Edward Andersons of Minneapolis, Minn., was best man. Mrs. Hardin Holt Crutchfield of Minneapolis and Miss Ardith Holt, sisters of the bride were matron of honor and bridesmaid respectively.

The bride wore a white chantilly lace afternoon dress designed with high round neckline, long sleeves tapering over the wrists, scalloped lace over blouse and straight skirt. She wore a shoulder length veil.

The honor attendant was attired

in a pink eyelet street length dress and the bridesmaid a blue eyelet frock. For her daughter's wedding, Mrs. Holt wore a pink crepe dress with brown accessories and Mrs. McMoore, mother of the groom, was attired in beige embroidered dress and matching accessories.

Immediately following the ceremony a reception was held in the Tiffany room of the Hotel Iowa. The four tiered cake was topped with a miniature bride and bridegroom.

Miss Barbara Carter served the cake. Miss Marilyn Lawson presided at the punch bowl. Mrs. Meredith C. Miller poured the coffee and Miss Mary Beth Parsons had charge of the guest book.

After a wedding trip to Rock Island, Ill., the couple will reside at 3715 Oakland in Minneapolis.

We will notice an empty space in our home for quite a long time following departure of our mother-in-law and father-in-law, Mr. and Mrs. Peter Hawthorne, Sr., for their home in Houston, Tex. It is beyond our power to truly express how the family has enjoyed their brief visit with us. They stayed just 12 days but somehow, it seems like only a day or two when we look back. Our lives will be richer and fuller for their having shared a part of their time with us.

We will not go into details about various places they went, etc., as that is taken up elsewhere on this page.

It seems we do it everytime, or at least we have done it two years in succession, with no intention of doing so, either time, let us hasten to say. Last year the Clifford Bayles visited in New York and we inadvertently left out courtesies extended them by her brother, Mr. and Mrs. Elbert Webb. And, alas, we did the same thing this year!

Anyway, here's hoping that the Elbert Webbs in New York City will stop to read this. We do apologize with all our heart. But to set the records straight, it was Mr. Elbert Webb who took the C. Bayles to dinner at Kennedy International Airport, where they enjoyed a French Bastille day dinner.

DON'T KILL THE
GOOSE THAT LAID
THE GOLDEN EGG

Numerous reasons have been advanced for the causes underlying the race riots in New York City, Brooklyn and Rochester, New York. Some attribute it to Communist infiltration; some ill will toward white people, some to poor economic conditions which have served to deny the Negro equal employment, housing and education.

Neither of these reasons is conclusive but a combination of them all has served to arouse resentment among many people to the feeling that they have been short changed. Many, who like any other group, are hoodlums and seize upon these riots as an excuse to vent their feelings.

The Negro has made great progress in civil rights all over America. It has come by the efforts of the Negro and his friends insisting that he be treated as a first class citizen.

Along with rights go a responsibility to do the things expected of a first class citizen. One of these is to obey the law of the land and seek redress, not by looting, fighting and throwing bottles causing injury to people and property but through and by constituted authority.

Apparently, not enough attention has been given to the job of teaching people to exercise decorum in the enjoyment of the rights they possess and to respect others. Negroes must not allow irresponsible citizens to cut from under them the hard earned ground they have gained.

WHY THE LOW PAY
FOR NEGRO WORKER

The labor department has released a report showing the large disparity between wages earned by whites and non-white. These figures show the average yearly earning of whites almost twice that of non-whites.

This is one area where the Negro suffers a great injustice for he must pay the same charges for what he buys.

A casual look at building construction, road building, street cleaning jobs where practically all of this work is being done by machinery operated by white men only and of course the wages are especially high.

Glaring examples of this is the telephone building and American Republic Insurance Company being constructed in Des Moines. At this stage of the jobs cement and steel are still being used. As yet no Negro is working on these jobs.

On the other hand, it is on the fringe jobs in industry and the services where the pay is less than Negroes are employed.

It is difficult to see how this comes about particularly in view of the fact that fair employment practices laws prevail here as is true elsewhere. But maneuvering by unions in collusion with some employers makes it difficult for Negro youngsters to enter apprentice training for the skilled jobs and thus no opportunity for them to become journeymen.

A recent ruling in a fair labor practice standard case in Texas held that racial discrimination by a union was a violation of the law and denied the union the facilities of the board including the right to act as bargaining agent for the plant.

Undoubtedly, this ruling will be upheld bidding fair to providing Negroes a weapon in their quest for equal job opportunities just as the 14th Amendment has done for civil rights.

Of course, the process of equalizing the income of Negroes with whites will come by positive action against discriminatory practices in the labor field just as they have done in court action for civil rights.

Iowa M. & E. State
Convention Effort

The Iowa Missionary and Educational Baptist State convention special effort drive will be held on Sunday, Aug. 2 at 3 p.m. at Maple Street Baptist church. The convention president, Rev. George Parrish is host pastor.

Guest speaker will be Rev. William Heath of Shiloh Baptist church. His Senior, Young Adult and Youth choirs will sing. Rev. E.A. Gafters is chairman.

When we read of the death of those two fine football players, Willie Galimore and John Farrington, in an auto accident it only serves to recall a phrase we heard years ago and have repeated several times since. No man is guaranteed tomorrow.

But tragic as the accident was life and the Chicago Bears football team must go on. Nobody has ever stopped the world nor will anybody ever do so. Our sympathies go to the families and friends of the two men.

The Cassius Clay-Sonny Liston thing is set for September and already people are wondering about a possible deal. If Liston should win this one people will begin to suspect things. For the sake of his own reputation and for whatever good is left in boxing, Clay has to win. Maybe he will. Then there is Floyd Patterson waiting for another crack at the title and he may fight himself into another title shot.

What if he wins all the marbles? Would you yell deal? The surprise showing of the American athletes in the weekend meet with the Russians were really something. The Russians say we reached our peak too soon. What the Russians fail to realize is that we still have some places open on our Olympics team and our boys had better be ready now if they want to be in the big one next fall. Maybe our system of picking the team isn't too bad after all.

When you read this our Hilltop open tennis meet will be on in full swing. We went to the state meet at Cedar Rapids again and we weren't too surprised to see the defending champ in the men's singles, Lance Lumsden get beaten. But he managed to win a part of the men's doubles and defended his mixed doubles crown. So he didn't lose it all. We thought the guy should have received more close calls than he did in his semi-finals match but maybe it wouldn't have helped much.

There must not be any Negro tennis players in Iowa outside of Des Moines.

Galimore, Football Star Killed in
Indiana Crash; Was in D.M. July 14

Rensselaer, Ind.—The sports world was shocked when it learned an auto crash near here had taken the lives of two Chicago Bear football players Willie Galimore and John Farrington. The accident which occurred about 10:30 p.m. Sunday, took place on a dangerous curve, where a sign, which had been knocked down a week ago, had not been put back in place. The small open sun-roof car went out of control, and rolled over twice. Both Galimore and Farrington were pronounced dead on arrival here.

State Trooper Ivan Finch said the auto missed a curve and went off Bunkrum Road, throwing both players from the vehicle.

The car was not equipped with seat belts, Finch said, adding if belts had been installed they might have saved the pair from death.

Allen Flemming, who lived near the scene, heard the noise and looked out to see the car rolling. Finch said the vehicle rolled over once, perhaps twice.

Phil Handler, Bears' assistant coach, said Galimore had recovered from his knee injuries and was "doing wonderful" in practice this summer at St. Joseph's College here.

"Willie was looking better than ever before since he's been with us," Handler said.

Galimore, a graduate of Florida A. and M. University, joined the Bears in 1957 and had been a starting offensive halfback through most of his seven years with the defending National Football League champions.

However, an off-season operation to repair knee injuries kept him on the bench much of last season.

Appeared in D.M.

Galimore appeared in Des Moines July 14 to help the Downtown Kiwanis Club launch a ticket sale for the Cerebral Palsy football game Sept. 14.

Two days later he reported to the Bears' training camp at Rensselaer, Ind., to start his eighth season in the N.F.L.
