Schools Noted For Exemplary Reading, Math Program

The elementary Title I reading and math programs in the Des Moines Public Schools have been designated "exemplary" by the U. S. Department of Education as the result of large academic gains made by students during the past three years.

The exemplary designation, granted after a presentation last week in Washington, D.

C., to a Joint Dissemination Review Panel, means the Des Moines programs are "considered to be effective models for other districts; to use," said Sharon Castelda, Des Moines' Title I supervisor.

She said test data showed that Des Moines Title I students have shown more than one year's growth in one

year.

One comparison, using a relatively new mathematical method called the Normal Curve Equivalents, showed that Des Moines Title I students made greater gains, on the average, than those in all other Iowa school districts with Title I service. William Schoenenberger, a Des Moines evaluator, said this means that the Des

Moines program was at least as effective and probably more effective than Iowa's other Title I programs.

Another measure, the Metropolitan Achievement Test, showed that Des Moines Title I students made greater gains from fall to spring than the national group of students taking the test.

Title I students are two or more years below grade level in reading, math or both. They receive an extra 30 minutes of daily instruction in their

problem subjects in a class of six or fewer students.

Castelda said validation of the Des Moines program by the review panel, which voted unanimously to grant the exemplary designation, "provides acknowledgment and recognition to the staff for providing effective programs."

The Des Moines application was approved by the Iowa Department of Public Instruction before being forwarded to Washington for consideration. Oliver Himley, state Title I

director, said only two other Iowa districts have received exemplary status. They are Cedar Rapids for its pre-kindergarten program and Fort Dodge for its elementary reading program.

Castelda said the Des Moines program seems to be particularly effective because parents are involved in many home visits, conferences and sessions to help them reinforce their children's learning skills. And, she said, Title I teachers coordinate their instruction with that of the classroom teachers.

Thoughts and Comments

By James B. Morris III

"BROWN V. THE J. H. BELL COMPANY AND J. F. LANE"

The Iowa Supreme Court (at least a majority thereof) began its ruling by stating that the question presented as wholly one of statutory construction (analyzing the strict wording of the legislation) and that the courts should not extend the remedy or to give the language used in the Iowa Civil Rights Act an interpretation which it will not reasonably bear.

Because there was no such offense known to the common law (old English law which serves as a legal basis for most current statutes), both the liability under and the remedy for violation are both the creatures of the statute. The statute here is penal (of a criminal nature for which a penalty may be exacted), and generally must be strictly construed (closely interpreted) by this court.

Although the U.S. Congress passed a civil rights act in March of 1875, that act was held unconstitutional in so far as it assumed to regulate such matters within the states as unwarranted by either the Thirteenth or Fourteenth Amendments to the U.S. Constitution. As applied to businesses of a public or quasi-public character conducted for the accommodation,

refreshment, amusement or instruction of the public, statutes of this sort have been held to be a valid exercise of the police power.

Further, as applied to carriers and inn-keepers, these statutes are merely declaratory of the common law in this area.

The statute in this case, the Court continued, was not made to, nor does it apply to every private business, even if the Legislature had the power to make it so read, and the enumeration of places in the nature of inns or places where refreshments are served, of public conveyances, barber shops, and places of amusements, necessarily excludes all other places of business or places of amusement not of the kind enumerated.

These civil rights acts statutes do not confer equality of social intercourse, and it is quite doubtful if they could be made to apply to purely private business. It is the right of a trader whose business is purely of a private nature to trade with whomever he (or she) will, and may discriminate as he or she pleases.

Thus, this Act is both exclusive and inclusive in character: it does not apply to strictly private business, and, in arriving at the legislative intent and the proper interpretation of the statute, we must have in mind the nature of the business which the defendant was conducting.

The Court then stated that it appeared that the defendant was not conducting the pure food show, and had no connection there with, except as it held a lease or concession to do certain things. If the show as conducted was one of amusement, plaintiff was not excluded therefrom, and, if she had been, neither of the defendants would have been responsible therefor.

Plaintiff was permitted all the entertainment, amusement and instruction to which she was entitled by reason of paying her admission fee, unless the

refusal of the liquid coffee in some manner interfered therewith. This, according to the allegations of defendant's answer, was not promised her either by the Grocers' Association or by the Bell Company.

She had all she was entitled to by reason of paying her admission fee, but was denied the liquid refreshments in the shape of coffee which was being served, not by the Grocers' Association, but by the concessioner. This suit is not against the Grocers' Association, but against one of its leasees, and the association did not undertake to become responsible for the conduct of any of its leasees.

Thus, the Court felt, this case is one brought against a leasee of the association, a concessioner who was not responsible in any manner for the general conduct of the place, and who received no part of the admission fee. The concessioner did however, pay a rental for the privilege of occupying space where the show was being conducted for the purpose of advertising its goods.

The case against the Bell Company must then be dismissed, then, on the theory that it was conducting a place of amusement for, in so far as the place was like a theater or place of public amusement, it was not being conducted by the Bell Company, and in refusing to serve the coffee, it did not in any way deprive plaintiff of any amusement, unless the coffee was so vile as to stimulate laughter, and this is not claimed.

The only other question to be considered, the Court said, was: was the plaintiff deprived the right to full and equal enjoyment of the accommodations, advantages, facilities and privileges of an inn, restaurant, chop house, eating house, lunch counter, or other place where refreshments were served (i.e. within the specific terms of the Iowa Civil Rights Act)? The answer to this question and others will follow in succeeding issues.

I missed an opportunity to visit Ms. Geneva Robinson, Co-ordinator of the Logan Community Center. I arrived just before the kitchen stopped serving congregate meals.

Site Manager Margarite Butts, Logan Community Center graciously saved me from starvation while explaining the many activities taking place at the center. I had not realized that congregate meals are served at 11:30 instead of at noon.

Ms. Butts explained there are opportunities for learning many crafts such as macrame, crocheting, rug punching. There are sewing classes, piano lessons, 3 to 6 PM on Friday. Ms. Butts was especially proud of her 50-voice Jolly Time Choir which has performed for the past four years at the Iowa State Fair.

Rehearsals begin in early spring. There are many activities available in the gym for young people. Mrs. Butts' enthusiasm is such I almost signed up for one of the courses!

It was, however, time to attend the meeting of the Logan Neighborhood Pioneer Club, an organization of twenty senior citizens in the area.

These are some thoughts crossing my mind as I listened. This is the very first time I've attended a meeting of my peers, all of us 55 or more. The personal concern and genuine caring for one another is living expression of the purpose of the Pioneer Club.

I sat there thinking of the number of organizations I belong to that are involved in working on problems, local, national or worldwide. Too often concern for one another gets lost in hassles. That is probably why I was so keenly aware of how smoothly the meeting moved from each item on the agenda to the next with time for questions and discussion.

It was a reassuring experience. I learned that the Pioneer Club has been in existence over 15 years. It meets twice a month. Dues are \$3.00 a year. There is an assessment of \$5.00 each year for those who do not sell tickets during the year to raise funds for trips around the country and across our borders.

The sick report tells of 5 members in nursing homes, club members in the hospital, as well as their progress. The treasurer reported dues collected, the dispersal of benevolent funds. The decision to omit refreshments at Pioneer Club meetings which take place right after dinner was brought up for reconsideration.

It was agreed that a coolie and a cup of coffee created a more social occasion. It was voted to sponsor the effort to make Martin Luther King, Jr.'s birthday a national holiday.

Chairperson Mildred Miller is a joy to observe presiding over the Pioneer Club or at a public meeting. Everyone receives her attention in the meeting of the club. I observed Ms. Miller's calm and gracious manner while presiding over a recent public occasion who could have guessed the number of rough spots smoothed over or avoided in that hour without once losing her "cool"? These are qualities every chairperson dreams about.

Qualification for membership in the Pioneer Club is age 55. Everyone was pleased to see Elmor Elder, an active supporter before he was eligible for

membership. There was much laughter involving memories of special events and Elmor Elder. I didn't ask if he is a Pioneer Club member yet. In answer to my question after the meeting, I learned the ages of older members.

Mrs. Frankie Pinson is 100. Ms. Anna Williams, 93, Ms. Earline Parish, 92, Ms. Juanita Meeks, 92. Ms. Dorence Manuel, 80+, Ms. Theodora Smith, 76. Wow! Was I impressed. I'm only 71.

The meeting adjourned a few minutes before the bus arrived to take most of the members to their homes.

The Gateway Dance Theater noon hour performance at Des Moines Area Community College Friday, Feb. 6th in Ankeny was interesting, exciting, and entertaining for those students who came to the auditorium. Those of us who had seen the dancers in the summer were really startled by their progress. Seeing several of original members of GDT was an added joy.

I very much appreciate the mini-lecture demonstration of the basic dance movements. It is a mark of respect for those in the audience for the first time. I predict many more students will hear about the treat they missed.

Being Green is very much loved and appreciated by adults as well as children of all ages. Mood was a new experience for me. I should like very much to see Mood again. How can a dance be both delicate and powerful? Being Green and Mood are solos performed by Penny Furgerson.

The entire performance flowed smoothly "From These Roots" in Africa to America to the Caribbean Islands. The dance is a particularly appropriate expression of the idea, we are one as members of ethnic families and "we are one" as members of the human family in all its variations.

The dance is universal.

RESPECT HISTORICAL PAST

"The Institute of Cultural Education believes that the month of February is a fitting time for Blacks to reflect on our history in this country.

Among the great Blacks who were born in February are: Langston Hughes, W.E.B. DuBois, and Frederick Douglass. Also, among the many noteworthy, historical events that occurred in February is the founding of the NAACP.

But despite the fact that the history of Black America is full of lofty accomplishments of countless great men and women, Black History Month should not be a month to sit back smugly and give recognition to lost leaders or to pat each other on the back.

Rather we should respect our rich historical past but aim our gaze toward the future.

It is commendable that so many groups, individuals and organizations in Des Moines are sponsoring worthwhile events to commemorate Black History Month. We should all support these efforts. But for every Black History Month, there must be a Black Action Month.

We have a big task: build on and respect our past, look toward the future and take care of the problems of the present.

But it is a task necessary for survival.

Black children are being brutally and systematically murdered in Atlanta. The government seeks to take away our dignity and means of survival. The Klan is on the rise in the north as well as the south.

But we shouldn't be so quick to express surprise or disbelief — for haven't we seen genocide before?

So during this, Black History Month, let us remember: "Those who ignore history are doomed to repeat it."

Martha Nash Given Sertoma Club Service Award

Martha Nash of 212 Ankeny Street, Waterloo, was presented the

Waterloo Sertoma Club's Annual Service to Mankind award by Dennis Egel, President of

the club last Thursday night.

Mrs. Nash received the award for her efforts on behalf of many area organizations, including the YWCA board, Operation Threshold, Girl Scouts, United Way, County Health Planning, NAACP board and the Waterloo Human Rights Commission. She is involved with Adult Care, League of Women Voters, St. Mary's Catholic Church and hosts "For Your Information" on KBBG-FM.

Upon learning she was to be the recipient she was quite surprised. Although personally

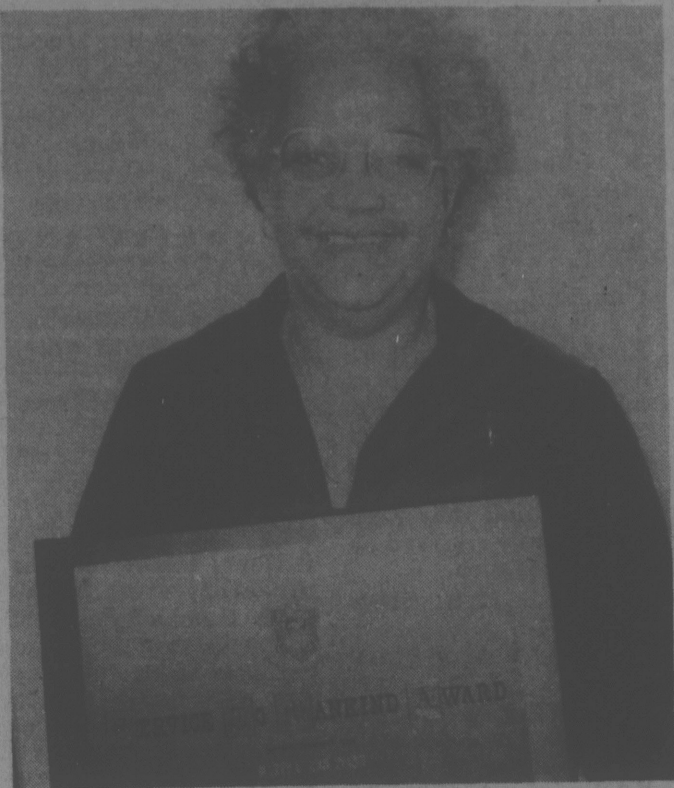

gaining a lot, there were many others who made it possible; Bill Brown, her sister Betty Jean Furgerson, Jimmie Porter and Ada Treadwell. Her parents were also involved in community services. "It keeps my mind stimulated; I'm so used to participating it's hard not to," declares Mrs. Nash. "It keeps skills and learning abilities in development."

A monetary contribution was also given to her favorite charity. Her choice was KBBG-FM. "I hope this says something to the community; I've been in

contact with people across the country and when I speak about the radio station, they realize the impact it has. "Some people don't understand the importance of this

station. I believe in it as we all here have the same commitment."

Mrs. Nash is the widow of the late Dr. Warren Nash and the mother of 7 children.

APPRECIATION OF SHARING

A spirit of ecumenism
and enriching of Black
culture was shared by St.
Ambrose Cathedral and
Trinity Temple Church at
the 9:30 a.m. Mass
Sunday, February 15,
1981.

The Trinity Temple
Choir, under the
pastorship of Elder
Roland Warren, was
invited to present the
music during the Mass,
and they presented the
music with a spirit of

community — a spirit of
one God for all.

Monsignor Conley
noted that this year
marks the 125th year of
St. Ambrose Cathedral's
existence, and he felt this
was the first time that a
Black choir has shared
their talents in the
Cathedral.

Previously, during
Brotherhood Week, there
has been an exchange of
ministers — never choirs.
They sang four musical
selections, under the
directing of Laura
Warren, and they were
very warmly received by
the congregation.

MAPLE STREET MISSIONARY BAPTIST CHURCH

Sunday Feb. 15, 1981 Deacons, Orbie Boggs and L.B. Weston was our devotional leaders. We had a fellowship with Grand View Lutheran Church. Pastor Reverend Charles Anderson and the choir. Reverend Anderson spoke from Matt: 5:21-35 about the "Demand Side of God's Love".

It is for a healthy life and a healthy relationship. The demand side of God's love focus on the heart. The demands that God puts on us is for our own good. Last Sunday night we had a high time in the Lord. Those who missed this service really missed a fine message from God. Reverend W.J. Bumpus Jr. brought the Word from Matt: 16-24 subject was "Follow Me". The Young Adult Choir did a fine job singing "Praise His Holy Name". The church's theme.

The Men's Chorus will be presenting "The Old Ship of Zion" on Feb. 22nd at 7:00 p.m. Don't miss this spiritual rendition of the Old Ship of Zion by an all-male chorus. Reverend Parrish will narrate.

National Brotherhood Week February 15-21

I've said it before, and I will reiterate it:

Our greatest natural resource is our people!

We must remember that human rights are more important than property rights and people more important than things!

The fact that 800 million people in the developing world still live in poverty; that 300 million people are unfit to work because of physical problems, and that 40 percent of the world's population cannot read or write is unconscionable!

We have recently seen how political power represses dissidents and brutally denies human rights. We are cognizant of the technological and economic power which so often exploits and excludes the powerless. We have seen people set against people because of national insecurities, politics and religious zeal.

Let us hope that the lessons of history have taught us something. All the people of the world have a special responsibility for building a peaceful world

where dignity and humanity will not be denied anyone.

The NCCJ, whose spiritual basis is the belief in the Brotherhood of Man under the fatherhood of God, recognizes that religiously motivated people throughout the world must work for a just and equitable society where respect for another and one's contribution to a better world become the measure of a person.

As we celebrate the 48th observance of Brotherhood Week, we encourage people to reinforce their commitment to Brotherhood/Sisterhood. As Mr. Spier's wonderful book teaches about the differences among people regarding skin shadings, eyes, noses, hair, games, religions, etc., it also serves as a vivid reminder that there is but one race—the human race!

David Hyatt
David Hyatt, President

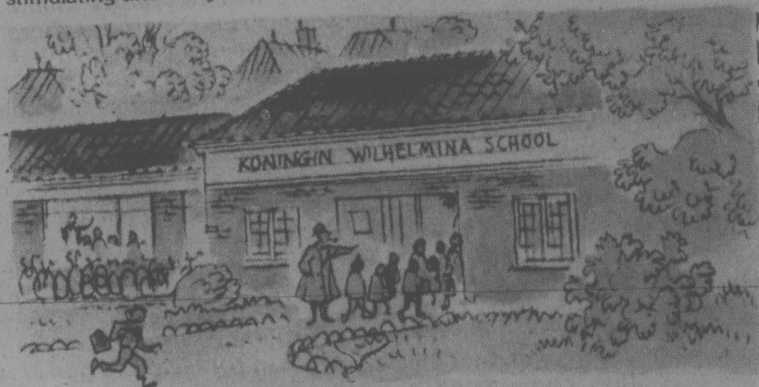

To many underprivileged Americans whose daily lives are overshadowed by prejudice directed against their skin color, creed or ethnic roots, Brotherhood is a desperate plea for basic rights every American in his heart should want for his fellow countryman.

But has the essence of Brotherhood been so severely undermined as to hinder the efforts of men and women of good will? Is one's commitment to the cause of Brotherhood just an afterthought? A fad? An intrusion? A conversation piece or tax-deductible contribution?

PLAN EXCITING AND INSPIRING BROTHERHOOD/SISTERHOOD PROGRAMS

IN YOUR SCHOOL: ASSEMBLY PROGRAMS

- Invite guest speakers from various walks of life to discuss and explore diversity among Americans of different races, religions and ethnic origins or simply talk about their life experiences. The latter group might include celebrated personalities, local or national, and might range from sports personalities to entertainment, literary, political, religious or business people.
- Music and dance programs of various ethnic derivations might be presented to show the beauty and perhaps similarities of our pluralistic society.
- Plays, skits and dramatic readings of countless historical and sociological happenings in our nation might be effectively presented by drama clubs or interested students and teachers.
- Films and forums on current events and world crises and their concomitant effect on inter-group relations and Brotherhood, can be stimulating and lively.

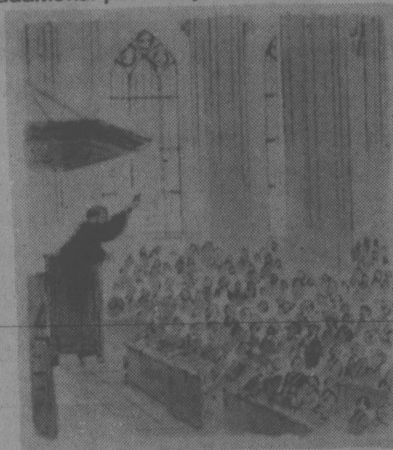

CLASSROOM ACTIVITIES

- Teachers and students can devise numerous methods to foster the theme of Brotherhood and understanding through the learning experience. History and social studies classes can focus on countless happenings to depict the pros and cons of Brotherhood.
- Students may be encouraged to write essays, verse, skits or plays on the Brotherhood theme, and art classes can be encouraged to have students use their creative talents to foster Brotherhood.
- A display of posters, pamphlets and books on intergroup relations in libraries and homerooms can be arranged.
- The school newspaper and local media should be utilized as outlets to publicize the efforts of these future leaders.
- Music classes might listen to recordings of artists, historical and contemporary, of various backgrounds who have so richly contributed to American culture. Enrich with discussion. Exhibitions of arts and crafts of people from different cultures is an additional possibility.

IN YOUR CHURCH OR SYNAGOGUE

- Clergy frequently preach sermons on a Brotherhood theme. Report these to your local press to reach the larger community.
- Use church and synagogue bulletins and periodicals for a simple message affirming the principle of Brotherhood.

A Unique Program to Combat Intergroup Bigotry and Prejudice

IN YOUR COMMUNITY

Civic-Social, Fraternal and Service Clubs:

- Sponsor a series of newspaper articles, radio or television programs which describe and pay tribute to examples of Brotherhood in your community.
- Sponsor training courses for community organization leaders interested in the techniques of leading discussions pursuant to improving intergroup-relations.
- Develop in your group, speakers, discussion teams, exhibit and display materials for use in human relations programs.
- Establish a committee to foster cooperation with other community groups in an effort to decrease local intergroup strife and thereby generate improved community harmony.

Business and Labor Groups:

- Create a scholarship program to encourage business and labor leaders, in addition to teachers, police officers, and public officials, to attend NCCJ workshops in human relations.
- Develop a local Human Relations Institute to focus on the vital role of business, industry and labor in building a better community.

Parent-Teacher Groups:

- Develop a program for parents and teachers, perhaps on the Rearing Children of Good Will theme, but with emphasis on the important roles of the home and the school in building sound attitudes toward people of different races, religions and nationalities.
- Create a representative permanent committee to examine the need for human relations education and subsequently make the requisite recommendations for implementation.

Brotherhood in Des Moines

Historically, February is a human rights month. George Washington was born in February. Abraham Lincoln was born in February. National Negro History Week is in February. Brotherhood Week and Brotherhood Month all in February. All of these have some bearing on the progress made in the field of human rights.

Negro History Week was established in 1926, although the study began in 1915, the National Council of Churches in America, Committee on Racial Relations in 1924, and the National Conference of Christians and Jews is observing its 44th year.

Following World War I, considerable antagonism between races and religions was generated by such groups as the Klu Klux Klan which had made its way into northern communities. In order to combat these sentiments, the National Conference of Christians and Jews and also the Committee on Racial Relations conducted extensive campaigns over the country, directing attention to the improvement of better racial and religious relationships among the people of this country.

In 1924, George Webber, then secretary of the Des Moines Y.M.C.A., organized a camp-out at Mitigwa, in the Ledges near Boone, Iowa, as I remember consisting of John Cownie, Harvey Ingham, S. Joe Brown, Will Tone, Rev. G. W. Robinson, Rabbi Mannheimer and James B. Morris. At this conference, the problem of race and religious tolerance was explored. Out of this conference grew Des Moines Interracial Commission with a membership consisting of both sexes.

Recognizing the value of such an organization to the schools, several teachers became prominent in it. H. T. Steper, principal of North High School, was the first president and succeeding presidents was

included school teachers, lawyers, ministers, social workers, bankers and other concerned citizens.

The Interracial Commission and the National Conference of Christians and Jews held seminars in churches and schools and were available to other organizations seeking to better acquaint themselves with the problems they espoused. Most of the schools have set up some type of Negro history studies, but have not had the courage to place it in their curriculum so that Negro history would be a required subject or at least required reading for all students. (Maybe had this been done, more people would have known the facts displayed in the recent televised show, "Roots".)

The Interracial Commission, like the National Conference of Christians and Jews, confined operations to the creation of sentiment to compliment the activities of the NAACP and B'nai B'rith, among the Jews.

The Des Moines Commission was instrumental, in cooperation with other organizations, in levelling off the segregation that existed in Des Moines. Some of these achievements were securing Negro teachers in Des Moines Public Schools of opening employment in areas where Negroes had never been hired and the almost total elimination of discrimination in public accommodations. The commission in conjunction with other groups, was a moving force in the establishment of the Des Moines Commission of Human Rights and job discrimination and the first Civil Rights Commission.

Since the establishment of the Des Moines Commission on Human Rights and Job Discrimination and the Iowa Civil Rights Commission these organizations have somewhat given over to the newly created forces to do the work they had started.

HEAVENLY TEMPLE COGIC NEWS

2110 Carpenter Avenue
Des Moines, Iowa 50311
Bishop A.B. Carter Sr.,
pastor 244-8324

You can't hurry God ... Oh no ... You just have to wait ... You got to trust Him and give Him time ... No matter how long it takes ... For He's a God that you can't hurry ... But He'll be there child don't you worry ... He may not come when you want Him but He's always right on time ...

These are the words Bishop Carter sang as he looked out on the congregation Sunday morning ... Young and old felt the presence of God within their souls and our cups ran over ... His message warmed our hearts and inspired our souls ... It was taken from the Acts 4:12.

Neither is there salvation in any other: For there is none other name under heaven given among men, whereby we must be saved ... Bishop Carter went on to tell the listening congregation "There is a great disease in this world ... A great sickness ... You have it and you can't get rid of it all alone ... Your mother can't help you ... No ... Your father can't help you ... Your good friends ... no matter how rich they may be ... cannot help you ...

Only salvation can cure this disease ... For it is sin ... And it takes salvation to cure sin ... God so loved the world that He sent His only Son Jesus ... Down through forty two generations ... And He walked up that rugged Hill ... With the weight of your sins and mine upon His back ... The cross got so heavy ... That He fell beneath the load ...

... And they nailed Him to the cross ... Put nails in His hands ... Nails in His feet ... Pressed the thorny crown ... Upon His brow ... Pierced His side ... And He cried out Father ... Oh Father why hast Thou forsaken Me? His suffering was so great! That the sun refused to shine ... It was so great ... That the moon ran down in blood ... So great saints ... That His own Father ... Had to turn His back on Him He couldn't stand to see His suffering ...

... Then Jesus cried out once more to His Father ... Not ... My ... Will ... But Thine be done ... And He hung His head and gave up the ghost ... He laid down His life for you and for me. He has gone ... But you and I know ... That He is coming back again ... Just like He said He would ... To receive us unto Himself ... That we may spend eternity in that place that He has gone to prepare for those who love Him ...

He has said in His word ... Eyes have not seen ... Ears have not heard ...

Neither has it entered into the minds of men the things that the Lord has in store for those who love Him ... I want to go back with Him saints ... Don't you? Then seek Him while He may be found ... Call upon Him while He is near ... It is not enough to have your name on the church roll ... Oh no ... You must learn of Him you must be taught of Him ... You have to be taught how to live holy ...

He said in His word ... Take My yoke upon you and learn of me for My yoke is easy ... And My burdens are light ... And you will find rest for your souls ... Now may God Bless you ... We want you to think on your ways ... Seek the Lord now ... While He may be found ... For He said in His word "I will mock you when your fears come upon you ... And laugh at your calamities ... Seek Him now ... Before it is too late ... Seek salvation ...

It is the only answer to your problems ... And there is no problem that is too big for God ... And nothing is impossible for Him for all things are possible if you only believe ...

We thank God for our friends and visitors ... And for all of you who are coming ... To worship God with us ... You are welcome ... We thank God for the music professor and his students from Simpson College who worshipped with us ... We welcome you to come ... Praise God with us ... Learn of the Lord with us ... Magnify His name with us ... Learn to serve Him in the beauty of holiness ...

We are still praising God for the Saturday Morning Prayer Services ordained by Bishop Carter ... Where the power of God's presence come in through the Holy Ghost to bless and encourage and strengthen our souls ... And encourage us to witness without as well as within ... It encourages me to stand fast in the strength of God ... For I know whom I have believed ... And I am persuaded that He is able to keep that which I have committed unto Him. Again God bless you. See you in church on Sunday ...

HEAVENLY TEMPLE COGIC NEWS

2110 Carpenter Avenue
Des Moines, Iowa 50311
Bishop A.B. Carter Sr., pastor 244-8324

You can't hurry God ... Oh no ... You just have to wait ... You got to trust Him and give Him time ... No matter how long it takes ... For He's a God that you can't hurry ... But He'll be there child don't you worry ... He may not come when you want Him but He's always right on time ...

These are the words Bishop Carter sang as he looked out on the congregation Sunday morning ... Young and old felt the presence of God within their souls and our cups ran over ... His message warmed our hearts and inspired our souls ... It was taken from the Acts 4:12.

Neither is there salvation in any other: For there is none other name under heaven given among men, whereby we must be saved ... Bishop Carter went on to tell the listening congregation "There is a great disease in this world ... A great sickness ... You have it and you can't get rid of it all alone ... Your mother can't help you ... No ... Your father can't help you ... Your good friends ... no matter how rich they may be ... cannot help you ...

Only salvation can cure this disease ... For it is sin ... And it takes salvation to cure sin ... God so loved the world that He sent His only Son Jesus ... Down through forty two generations ... And He walked up that rugged Hill ... With the weight of your sins and mine upon His back ... The cross got so heavy ... That He fell beneath the load ...

... And they nailed Him to the cross ... Put nails in His hands ... Nails in His feet ... Pressed the thorny crown ... Upon His brow ... Pierced His side ... And He cried out Father ... Oh Father why hast Thou forsaken Me? His suffering was so great! That the sun refused to shine ... It was so great ... That the moon ran down in blood ... So great saints ... That His own Father ... Had to turn His back on Him He couldn't stand to see His suffering ...

... Then Jesus cried out once more to His Father ... Not ... My ... Will ... But Thine be done ... And He hung His head and gave up the ghost ... He laid down His life for you and for me. He has gone ... But you and I know ... That He is coming back again ... Just like He said He would ... To receive us unto Himself ... That we may spend eternity in that place that He has gone to prepare for those who love Him ...

He has said in His word ... Eyes have not seen ... Ears have not heard ...

Neither has it entered into the minds of men the things that the Lord has in store for those who love Him ... I want to go back with Him saints ... Don't you? Then seek Him while He may be found ... Call upon Him while He is near ... It is not enough to have your name on the church roll ... Oh no ... You must learn of Him you must be taught of Him ... You have to be taught how to live holy ...

He said in His word ... Take My yoke upon you and learn of me for My yoke is easy ... And My burdens are light ... And you will find rest for your souls ... Now may God Bless you ... We want you to think on your ways ... Seek the Lord now ... While He may be found ... For He said in His word "I will mock you when your fears come upon you ... And laugh at your calamities ... Seek Him now ... Before it is too late ... Seek salvation ...

It is the only answer to your problems ... And there is no problem that is too big for God ... And nothing is impossible for Him for all things are possible if you only believe ...

We thank God for our friends and visitors ... And for all of you who are coming ... To worship God with us ... You are welcome ... We thank God for the music professor and his students from Simpson College who worshipped with us ... We welcome you to come ... Praise God with us ... Learn of the Lord with us ... Magnify His name with us ... Learn to serve Him in the beauty of holiness ...

We are still praising God for the Saturday Morning Prayer Services ordained by Bishop Carter ... Where the power of God's presence come in through the Holy Ghost to bless and encourage and strengthen our souls ... And encourage us to witness without as well as within ... It encourages me to stand fast in the strength of God ... For I know whom I have believed ... And I am persuaded that He is able to keep that which I have committed unto Him. Again God bless you. NOTICE OF HEARING AND LETTING

Sealed proposals will be received by the City Clerk of the City of Centerville, Iowa, until 7:00 o'clock P.M., March 9, 1961, for the construction of certain street improvements and work incidental thereto as described in the Plans and Specifications therefore now on file in the office of the City Clerk. A hearing will be held on the proposed Plans, Specifications, and Form of Contract for said improvements at 7:30 o'clock P.M., March 9, 1961, at the City Hall in Centerville, Iowa, and at said hearing any interested person may appear and file objections thereto or to the cost of said improvements. Proposals will be acted upon by the City Council of said City at a meeting to be held at the City Hall in Centerville, Iowa, immediately subsequent to said hearing or at such later time as may then be fixed.

The extent of the work and kinds and approximate quantities of materials involved in said improvements and extensions are as follows:

Construction of approximately 15,300 square yards of reinforced concrete pavement, 6" thick with integral curb and necessary returns, together with grading, incidental drainage facilities, and other appurtenances, and miscellaneous related work.

All work is to be constructed in strict accordance with the Plans and Specifications and Contract Documents now on file in the office of the City Clerk of the City of Centerville, which have been prepared by Hall Engineering Company, Consulting Engineers, Centerville, Iowa, and which by reference are made a part hereof as though fully set out and incorporated herein.

All bids must be accompanied in a separate envelope, by a cashier's or certified check drawn on an Iowa bank, or a bank chartered under the laws of the United States, in an amount of not less than five percent (5%) of the bid. The bid security should be made payable to the City Treasurer of the City of Centerville, Iowa. Said check may be cashed by the City as liquidated damages in the event that the bidder fails or refuses to enter into a contract within ten (10) days after acceptance of his proposal by the City Council and post bond satisfactory to the City insuring the faithful fulfillment of the contract and maintenance of said improvement as required by law, and the Specifications. The bid security will be returned to all except the three lowest bidders within three days after the opening of bids and the remaining securities will be returned promptly after the successful bidder is determined.

The successful bidder shall be required to furnish a corporate surety bond in an amount equal to one hundred percent (100%) of its contract price. Said bond shall be issued by a responsible surety approved by the City Council and shall guarantee the faithful performance of the contract and the terms and conditions therein contained, and shall guarantee the prompt payment of all materials and labor and protect and save harmless the City from claims and damages of any kind caused by the operations of the contractor. It shall also guarantee the maintenance of the improvements in good repair for a period of four (4) years from and after the completion and acceptance by the City.

The contract will be awarded to the responsible bidder submitting the lowest responsive bid on the basis of the lowest priced approved equipment or material. A single contract will be awarded for the construction of the entire project.

The Department of Housing and Urban Development reserves the right to monitor bidding and contract documents prior to the final award of the contract. It is expected that such approval will be obtained within 45 days after determination of the proposed award by the City. The City hereby reserves the right to defer making a final award for a period of not more than 45 calendar days after date named herein for receiving

proposals.

Payment to the contractor will be made from cash on hand as may be lawfully used for said purpose and from proceeds of a federal grant. To the extent that payment is not made in cash, and as evidence of the amount due to the contractor, the City may deliver to the contractor and the contractor shall accept in payment of the contract price, warrants authorized by Section 384.57 of the Code of Iowa drawn on such other funds as are legally available for such purpose. All of the aforementioned warrants authorized by Section 384.57 of the Code of Iowa shall draw interest at a rate not to exceed seven and one-half percent (7½%) per annum from and after the date of the presentation for payment.

Partial payments will be made to the contractor as the work progresses equivalent to ninety percent (90%) of the contract value of the work completed since the closing date of the preceding estimate and up to the twentieth (20th) day of the month preceding the current estimate, including the actual cost of materials and equipment of a permanent nature to be incorporated in the work and delivered to and stored at the project site as more completely described in the Specifications. After fifty percent (50%) of the total work has been completed, retainage will be reduced to five percent (5%) on the current and remaining estimates provided the City Council finds that satisfactory progress has been made and continues to be made. Such monthly payments shall in no way be construed as an act of acceptance of any part of the work partially or totally completed. Final payment will be made not earlier than thirty-one (31) days after completion and final acceptance by resolution of the City Council of completed contract, subject to the conditions and in accordance with the provisions of Chapter 573 of the Code of Iowa, 1957, as amended. No such final payment will be made until the contractor has certified to the City Council that materials, labor and services involved in each instance have been paid for in accordance with requirements stated in the Specifications.

All bids shall be submitted on the proposal form prepared for this purpose, which form may be obtained from the City Clerk or the Engineer.

Plans and Specifications including this Notice, Form of Proposal, Form of Contract and Form of Performance and Payment Bond may be examined at the office of the City Clerk of said City and at the office of Hall Engineering Company, Consulting Engineers, Centerville, Iowa, or may be obtained for personal use from the Engineer upon deposit of \$30.00 with the Engineer, all of which deposit will be refunded to those submitting bona fide bids and half of which deposit will be refunded to those not bidding, provided said documents are returned to the Engineer in good order within ten (10) days after the date of the letting. No refund will be made for additional Plans and Specifications requested by a bidder. Parts of these Specifications may be obtained by material suppliers upon deposit of \$10.00, no part of which will be refunded.

The prevailing wage scales established by the United States Department of Labor for the various trades which are set forth in the project Specifications shall be the minimum wage scale which must be paid for all work on this project.

Bidders on this work will be required to comply with the President's Executive Order Number 11246 of September 24, 1965, and any order amending or superseding such order and to the "Equal Employment Opportunity" clauses set forth in the Specifications.

The work to be performed under the Contract is on a project assisted under a program providing direct Federal financial assistance from the Department of Housing and Urban Development and is subject to the requirements of Section 3, of the Housing and Urban Development Act of 1968, as amended. By virtue of statutory authority, preference will be given to products and

provisions grown and coal produced within the State of Iowa, and to Iowa domestic labor, to the extent lawfully required under Iowa Statutes provided that the award of contract will be made to the lowest responsible bidder submitting the lowest responsive bid, which shall be determined without regard to state or local law whereby preference is given on factors other than the amount of the bid.

The construction work shall be commenced on or before ten (10) days after execution of the contract by the City, except that no grading operations shall be commenced before May 15, 1961, and the work shall be completed on or before August 31, 1961, subject to any extension thereof which is granted by the City Council.

The City of Centerville does hereby reserve the right to reject any or all bids and to enter into such contract as it may deem to be for the best interest of the municipality, and to waive informalities and technicalities.

This Notice is given by order of the City Council of the City of Centerville, Iowa.

Home Health Aid Training Program Begins February 23

Home Health Aid & Mobile Meals will conduct a new training program from February 23rd through March 6th at its office location in the Armory Building at East First and Des Moines Streets.

The training program is designed to prepare people of all ages and of varied backgrounds to become homemakers or home health aides for the agency. It offers 60 hours of home care and first-

aid instructions. After completing the program, trainees are ready to be employed as para-professionals in the homes of the elderly, the ill, the handicapped, and those in need of someone to temporarily keep a household running smoothly.

The agency, a non-profit service organization and an affiliate of the United Way and the Polk County Health Center, provides home care to the homebound. Each month the 100 member para-professional and 5 professional staff affect the lives of over 550 current client-patients through the services they bring into homes dispersed throughout the city.

Along with the agency's director and professional staff, community leaders from over 20 different specialties in the health field will participate in the training and preparation of new home health trainees. These include staff from the American Red Cross, the Polk County Health Center, Public Health Nursing, Iowa State

Extension Services, Polk County Mental Health Center and others. Topics included in the training range from nutrition to reality therapy and safety in the home.

Besides being listed as among the fastest growing occupations in

the country today, the homemaker-home health aide field offers a variety of benefits:

—flexibility of hours and choice of clients served.

—flexibility of location (there are homemaker services in each of Iowa's

99 counties as well as in each state in the United States).

—continuous in-service training.

—job security (the demand for homemaker-home health aides far exceeds the current supply).

—daily supervision by professional staff.

—opportunity to move into other health-related fields.

Further information may be obtained by calling Home Health Aid & Mobile Meals at 286-3993.
