MEMORANDUM

To: Officers and Council Members
American Society of Andrology

From: Emil Steinberger 
President

Re: Summer Interim Meeting

I am certain by now you have received from our Secretary, Dr. Hafez, the minutes of the last business meeting. You will note that it was decided to hold an interim meeting. As I indicated to you in a previous communication it appears that more officers and Council members will attend the SSR meeting than any other summer or fall meeting. Consequently, it was decided to hold our interim business meeting in Philadelphia in conjunction with the SSR meeting. Please write me when you would like to hold the meeting. We will need probably most of a day. We could meet the day before or the day after the meeting, or if you so desire during the meeting. Also I will need items for the agenda. So far I have heard only from Dr. Roseberg.

Please let me hear from you at your earliest convenience. Those of you who are committee chairman, as you will note from the minutes of the last meeting, you are charged with defining the duties and the responsibilities of the committees you chair. I would greatly appreciate that you have a draft of those with you at the meeting in Philadelphia. Those committee chairmen who will not be able to make it I would appreciate it if you would send me the draft so I could present it at the meeting.

I will be attending the Endocrine meetings and then I will be leaving on July 4 for Europe to attend the Andrology Congress and later the Endocrine Congress and will not return until July 29. Consequently it is most important that I hear from you before I leave for Europe. Happy sailing through the summer am looking forward to hearing from you at your earliest convenience.

Regards.

Dear Saad:

Thank you for sending the list of Officers and Council Members of the American Society of Andrology. I am sorry to inform you that Dr. Ives Clermont has also been elected to the Council. Please check your records carefully.

Without being presumptuous, I would like to suggest that you, as the secretary of the ASA, write an official letter informing the new Council Members, including myself, that they have been elected. Also, a complete list as per enclosure should be sent to all Officers and Council Members.

Best regards.
