SPECIAL NOTICE  
-----

To all Ames Audubon members and friends:

SEPTEMBER REGULAR MEETING- TUESDAY, SEPTEMBER 10, 8 p.m.,  
in room 124, Kildee Hall, on the ISU Campus.

We believe we have a very fine program lined up which should appeal to all Audubons. Mr. Lloyd Kurtz, of the Ames Park Board, has agreed to present a colored slide and discussion program on "The Present and Future of the Ames Public Park System." Mr. Kurtz has been an elected member of the Park Board for over 15 years now and is generally recognized as having contributed a major role in the development of the City parks to their present very high status. Mr. Kurtz is an articulate speaker with a message to tell. We promise you an interesting presentation. However, due to other commitments, Mr. Kurtz can't be present until about 9 p. m. So, we will have our business meeting at 8 p. m. We have some important business to transact, including the election of the 5th Director for the Executive Board. This is a 1-year term and will complete our officer slate until our general election next May. We presently have several well-qualified members, and perhaps we may welcome some additional members who might also be nominated and be elected. This is your chance to go to bat for the candidate who you believe can and would contribute the most to the Ames Audubon Society. Mrs. Robinson has promised to have our membership cards ready for distribution at this meeting, also.

So, please plan to attend, and bring along a friend. This should be a great program. And you non-members- you are of course most welcome to attend the program at no obligation whatsoever. We're happy to have you. The room is air-conditioned. Also, you are ~~also~~ invited to attend our business meeting, ~~also~~ at no obligation, of course. Thank you.

Ben Bereskin, Pres.
