1992 BOONE CHRISTMAS BIRD COUNT

AREA / Faletel

1. Special Requests:

Bald Eagle -- note numbers of adult and immature separately.

Dark-eye Junco -- count any Oregon form separately (those with rusty sides).

- 2. Please fill out the special form for any bird that is not on the list AND is also unusual for our area at this time of year (e.g., vireos, warblers, Chipping Sparrow, Ruby-crowned Kinglet, auks).
- The local report form lists generally those species seen in the past few years on the count, listed in CBC form order.
- 4. Most parties will try to meet for lunch at the Hardee's on Story Street near Highway 30 at about noon for bragging and commiserating.
- 5. You are invited to bring your results to the final tally, listen to the bragging and complaining of the participants, and supper at the Golden Corral Restaurant on Story Street in Boone.
