March 13, 1914

Dr. L. H. Pammel,
Iowa State College,
Ames, Iowa.

My dear Prof. Pammel:

I wish to say that I have received copy of "The Weed Flora of Iowa, No. 4". I am really amazed to note what a splendid work it is. I have been reading about it for some time, but had no idea that it is such a splendid contribution to this most important subject. If possible it makes me feel prouder than ever to know that I received my training under such an accomplished authority.

Trusting that you, Mrs. Pammel, and the children are well and that all goes well with you, I am,

Yours most sincerely,

G. W. Carver

Director Dept. of Research
& Experiment Station
