Prof. Geo. W. Carver,
Tuskogee, Alabama.

Dear Prof. Carver:

I promised you a long time ago that if ever I should land in Alabama I would pay you a visit and make a little talk. I have been asked to spend a few days in Montgomery County, Alabama and am leaving here on Friday night of this week. You can reach me in care of Mr. J. B. Hearin, Montgomery, Alabama.

Yours truly,

P/T.
