Dr. L. H. Pammel,
Iowa State College,
Ames, Iowa.

My dear Dr. Pammel:

This is to say that I have received the copy of your splendid book. I have heard of it many times, and expected something unusually good; but I confess that I was not prepared for the agreeable surprise. It is indeed a monumental work, and the more I study it, the more impressed I am with its value; and coming from my beloved Prof. Pammel, it is all the more a pleasure to me.

With sincerely good wishes and kindest regards to Mrs. Pammel, I am,

Yours most sincerely,

G. W. Carver
Director Dept. of Research
& Experiment Station
