My dear Dr. Pammel:-

Thank you for your good letter & recently  
also copy from the Pres. of Nat. Educ. Ass.

Thank you very much for your interest and  
efforts in the matter, we will abide our time  
for next meeting possibly.

You will be interested to know that our  
summer school closed today, I had in my  
classes 114, I taught Agriculture,

The class presented me with a lovely cut  
glass full of hand made flowers, the vase was  
purchased from Dr. Lewis one of our very  
nice and tasty drug stores.

As soon as he found out the vase was for  
me he said good, I want to give some myself  
and he gave \$1.40. The little poem was written by  
one of my summer pupils and read at the

of the present culture  
 of B mont, but as a whole  
 of producing rather, it  
 you have not seen it I will  
 send it to you. Y. W. Carver,  
 sincerely

a fine  
 same  
 The Markt. Adl.
