My dear Prof. Pammel:

Beg to acknowledge receipt of the very interesting bulletins that have just reached me. I am reading them over with much interest and profit. I trust that you are ~~all~~ well and that yourself and Mrs. Pammel and the children may spend a very joyous 4th of July. You know the the 4th down here with us is more or less quiet.

With sincerely good wishes, I am,

Very truly yours,

Geo. W. Carver
Director.
