Oct. 8 - 26.

My dear Dr. Pennell:-

I had to marvel at my stupidity, when your letter came, apprising me of the fact that I had neglected to put in the location of the Professor of Plant Pathology.

He is at Cornell University, Ithaca New York.

I presume, the various interpretations which I am obliged to undergo, in writing a letter by hand caused me to overlook it.

I regret to trouble you in this way.

Very sincerely and admirably yours,
Geo. W. Carver.
