## TUSKEGEE NORMAL AND INDUSTRIAL INSTITUTE

FOUNDED BY BOOKER T. WASHINGTON

FOR THE TRAINING OF COLORED YOUNG MEN AND WOMEN

RESEARCH AND EXPERIMENT STATION  
 GEORGE W. CARVER, DIRECTOR

TUSKEGEE INSTITUTE, ALABAMA

July 23-28.

My beloved teacher Dr. Farnam:-

I just want to extend to you greetings and to say that I am thrilled as I read the two choice booklets you so kindly sent me.

I remember Dr. Bessey quite well, he came to the school while I was a student, though I had the privilege of shaking hands with him.

I do not recall ever meeting Professor Beach, in writing about these men, your pen seems gifted, your own personality runs through the whole story in a way that is the most delightful and refreshing that has ever come before me.

Yours with great love and admiration,

I am so greatly yours.

Yours faithfully,

P.S. I have tried Mr. Romeo to have your letter published in a newspaper but in pamphlet form on good paper.

G. W. Carter.
