My dear Dr. Pammel:-

Thank you for your fine letter of recent date,
With reference to your question my diploma is read thus:
1st Bachelor of Agriculture.

2nd Master of Agriculture.
I recall the year the P. S. degree was given there
was considerable discussion ^{on} the students who
were to receive them as to just what designation they
should bear.

Some of the faculty as I recall in wanted us to have
Master of Science, we did not want that, saying in gave
us no credit for our Agriculture.

Wishing you and yours the choicest compliments of the
new year. I shall be glad for further suggestions if you
have them,
Sincerely and greatly yours, Geo. W. Carver.
