

September 5, 1923.

Prof. S. W. Carver
Tuskegee Institute,
Alabama,

Dear Sir:

I have your letter of August 24th which came to me during my absence. I am sorry I did not get the letter sooner. Otherwise I would have arranged for a representative to be present at the exercises in Kansas City. I reached home September 3rd.

I congratulate you on receiving the medal.

Very truly yours,

no
