Prof. Carver,
Tuskegee Institute,
Tuskegee, Ala.

Dear Prof. Carver:

Mr. Wm. T. Wells has asked me to
write you concerning his work here
at Ames.

I have had him in one of my courses.
He has done good work with me.
He is faithful and conscientious
and has initiative.

He makes a good appearance and I
feel sure will make good in his
work.

I therefore cheerfully recommend
him to you. You can depend on
him.

Yours truly,
