Prof. Carver, Tuskegee Institute, Tuskegee, Ala.

Dear Prof. Carver:

Mr. Wm. T. Wells has asked me to write you concerning his work here at Ames.

I have had him in one of my courses. He has done good work with me. He is faithful and conscientious and has initiative.

He makes a good appearance and I feel sure will make good in his work.

I therefore cheerfully recommend him to you. You can depend on him.

Yours truly,
