

August 12, 1907.

Prof. Geo. W. Carver,

Tuskegee Institute, Alabama.

My dear Prof. Carver:-

Your favor of August 6th at hand. I presume that you would hear very soon by writing to P. A. Saccardo, of Padua, Italy, who responds quite promptly; or possibly Dr. Erwin F. Smith, of the United States Department of Agriculture would admirably be fungi for you.

Yours truly,
