My dear Dr. Pammel: -

Thank you for your good letter of the 31st.
I am so glad you had the privilege of attending
the wonderful meetings to which you call my
attention. I am sure no one there got more
of pleasure and profit out of them than
I am yourself.

I have been on the road for nearly two
months, covering a radius from Hampton Va. to
Hawkins Tex. I have tomorrow for

Birmingham Ala. where I am to address the rural
ministers at their College, they are the M. S. Church with
all white & Colored.

I think your trip down here and the articles
you have written have done much towards
opening the doors for me.

I am getting into places that were positively
forbidden before.

Much love to yourself and
family. I am sincerely yours.

Geo. W. Weaver.
