My beloved teacher, Dr. Pammel: - June 23-28.

Thank you for your fine letter,
I am pleased to know that the list of honey
plants from Va. will be of some value to you.

I am improving still from my accident
and believe before many weeks that I will
be myself again.

I am looking forward to receiving the life of
Dr. Halway, of which you speak with much interest.
I am sure it will be just as informing as the other
outstanding characters, about whom you have

Written so interestingly.

Yours with so much love and admiration,
Geo. W. Carver.
