

IOWA STATE COLLEGE
OF AGRICULTURE AND MECHANIC ARTS
AMES, IOWA

DEPARTMENT OF ZOOLOGY AND ENTOMOLOGY

May 8, 1934

Dear Phil:

I'm having a little difficulty with the starling records. Both the records and your card of recent date have been misplaced. I have gone over my itinerary, though, and know the dates on which I visited these counties, so I believe the following list to be correct:

Union Co.,	West of Creston,	April 9, 1934
Adams Co.	XXXX ^{coming}	April 10
Page Co.	XXXX 1 mi N. of Clarinda,	April 10
Adair Co.	South of Greenfield	April 13
Fremont Co.	Fisher Twp.,	May 3
Westfield, Plymouth Co.,		March 24.

I shall report anything further of interest to you.

Sincerely,

Harlow Mills
