Dear Phil:

Enclosed is the ^{field check} list of birds Grant, Ennis,
I and the I.O.U. agreed on, finally, at our
fall meeting, Cedar Falls, Sept. 30.

At your suggestion I am asking you
to check ^{it} as a "higher authority". We had
expected the A.O.U. check list by this time
so we could check, but we hear it will not
be out until 1957 - another delay?

Sincerely
