Mr. Herbert L. Stoddard,  
The Hall,  
Route 1,  
Tallassee, Florida.

Dear Herb:

I am sending for your criticism a paper dealing with my banding results on the Wisconsin bob-white. I would appreciate it if you would go over this thoroughly and pick all the holes you can in it. I would appreciate, also, your suggestions as to where you think it should be placed. Do you think it would be suitable for the Auk, and if submitted there do you think it would be published within a reasonable time?

You may address me in the future in care of Iowa State College, where I have just taken over my new job. I will write you again in detail some later and more convenient date.

I wish to thank you, also, in advance for going over this manuscript; pan it all you want to.

Please give my regards to your family,

Sincerely yours,

PLE\*B
