Mr. Aldo Leopold,  
905 Univ. Ave.,  
Madison, Wisconsin.

Dear Mr. Leopold:

I am returning the first chapter of your Iowa/Survey manuscript with a few notations on the margins, most of which are probably of slight consequence except the one on the first page. You might think this one over carefully for I feel that it has potentialities for future kick-backs.

I shall possibly be in Madison for a short time Monday night or Tuesday and would like to see you then if you have not already left for McGregor. American Game has asked me to prepare an article on the Iowa Wild Life Research program which they want almost at once. I shall try to get the greater part of a rough draft underway in the next day or two.

Sincerely yours,

PLE\*B
