Mr. Albert J. Gastrow,  
Prairie du Sac, Wisconsin

Dear Albert:

Would you be willing to look after the quail observational area at Prairie du Sac this winter for \$100.00, carrying on the work the same as you did last year? This is at a lower rate than you received before, but I am quite certain that I cannot obtain any more; in fact I may have to stand it personally. However, I think the work of sufficient importance that I would be willing to dig up this much myself, if I had to. Please let me know at once whether this figure would make it worth your while.

Sincerely yours,

PLE\*B
