Mr. Franklin J. W. Schmidt,
1751 E. Cedar Road,
Homewood, Illinois

Dear Frank:

I received your mammal skins and data, for which I thank you very much. They are by all odds the best that we have in possession. I haven't looked over the skeletons very carefully, but they seem to be alright.

I certainly appreciate you putting yourself to the trouble of making up this collection for us, and hope to be able to do something in return sometime.

I suppose you will be leaving for Guatemala shortly, to be back eventually. I wish you the very best of luck on your trip, and shall expect to see you when you return to resume the prairie chicken studies.

Sincerely yours,

PLE*B
