Dr. Paul L. Errington  
Zoology Department  
Iowa State College  
Ames, Iowa

Dear Paul:

Vivian is typing the manuscript and I shall not try to read it until I can see it in type, because I can then form a clearer impression of my possible contribution to the venture. Vivian will make an extra copy for you, which will facilitate subsequent discussion.

With best regards,

Sincerely yours,

Aldo

Aldo Leopold  
Professor of Wildlife Management

Ps we enjoyed the photos of Peter.
