Dear Bob:

I am very glad to hear from you again and to learn that you are able to start your course at Ames. Dr. Boone had already told me about it.

I have a rough idea of what courses a game man should take, but I know nothing of the Ames curriculum and hence cannot make any suggestions for fitting your needs into the possibilities. Errington is now headquartered at Ames and will doubtless be dropping in on Dr. Boone from time to time. I would suggest that you corner him and get him to outline a course for you to follow.

I might have some comments on the ultimate outline but Errington is more competent to write it than I am. He is also at this time preparing a series of articles describing game courses beginning with the sophomore year. I am quite sure that your freshman year would have to consist of the regular prescribed courses at the college. This leaves you plenty of time to decide future alternatives.

I am sending copies of this to Dr. Boone and Mr. Errington.

With best regards,

Yours sincerely,

ALDO LEOPOLD
