Dear Barry:

I have arranged with the Iowa State College for the publication of the Iowa Game Survey. I appreciate very much your offer to continue it in The Waltonian, but I can readily see that such a lengthy piece of work would really be a burden to you in this shortened publication. This, however, has simply been my assumption. I await your formal word releasing the material for the proposed use in Iowa.

If you want to release it, you might send me the original text and figures of the unpublished chapter now in your keeping. You might also send me any mailing list which was built up for the expected reprints.

I am looking forward to seeing you in Milwaukee next Thursday.

With best regards,

Sincerely yours,

ALDO LEOPOLD  
Game Manager
