Dear Paul:

I hope you will come over but if possible make it after the first of February when my classes are twice a week instead of daily, and bring Bill Schuenke. I might, at that time, be able to meet you at LaCrosse and we might be able to go over the area with Holt as well as having a conference here.

I have been thinking about the Iowa manuscript, but have lacked any time whatsoever to revise it. My present thought is to come over to Iowa for a week's trip next spring, and then really bring the whole document down to date. If this is agreeable to you, I will plan accordingly.

Yours sincerely,

Aldo Leopold
