Dear Paul -

I am ~~very~~ <sup>much</sup> sorry to write you  
you've been obliged to lay off. I hope you  
will be able to really lay off, and for as  
long as necessary. Some of our  
youngsters will be vacating their rooms  
in our house by June 15, after which  
you are welcome to headquarter with  
us whenever you feel like it.  
Estella and I will be thinking of you.

Yours as ever,

AL
