Dr. Paul L. Errington
Iowa State College
Ames, Iowa

Dear Paul:

I have no suggestions concerning your short paper on food habits. I take it you feel as I do that we ought to miss no chance to back up McAtee's work. I am sending you my file copy of the letter which I wrote. Please return it.

I do not suppose that either your paper or my letter would register particularly with Congressmen, but I can think of no more effective way to express our attitude.

Yours sincerely,

Aldo
