Dear Paul:

I appreciate your predicament in connection with the Outdoor America article. Please do not think I insist on the suggestions which I made. They are simply what would occur to me if you wanted a perfect job. I can readily see that it might not be worth while to make the necessary revision.

I appreciate your offer to provide Gastro with snowshoes, but we have since had a thaw, so I imagine he will not have to make the purchase.

Yours as ever,

Alelo
