Mr. Albert Gastrow

Dear Mr. Gastrow:

I have run into some difficulty in getting the University to pay you on account of the unspecified nature of the time that you have put in on game work for Errington and myself. Accordingly I have withdrawn the University voucher and send you herewith check for \$190, which, added to the \$10 already paid you for helping Wade, totals \$200, the amount paid you in previous years by Errington for similar duties. If for any reason this is not a satisfactory settlement of your account, please let me know. Having dealt with you at second-hand, it may possibly be that I have overlooked something.

Wade will call on you sometime next week and ask your further help in picking up any dead birds which you may be able to find.

I am sending a copy of this to Paul Errington so that he will know that I have made this remittance.

Yours sincerely,

Aldo Leopold
Professor of Game Management
