Mr. Herbert L. Stoddard  
Sherwood Plantation  
Thomasville, Georgia

Dear Herbert:

I was about to write you to learn about your dates and Paul Errington had sent word to me asking to be kept informed, so I am delighted to hear that you will probably be here the week of August 5.

I am also delighted that you are bringing the bow. I will keep the whole week open, and hope to seize upon any time that you can spare.

With best regards,

Yours sincerely,

Aldo Leopold  
Professor of Game Management
