Dear Paul:

We have only two copies left of the
marsh hawk paper.

The Connecticut pheasant paper of which
I promised to send you the title is as follows:
"The Liberation of Pheasants in Relation to Reports
of Pheasants Killed in Connecticut," Game Management
Circular #5 (mimeographed), Connecticut State Board
of Fisheries and Game, Hartford, Connecticut. This
circular was reprinted in American Wildlife, Vol. 26,
No. 1, January-February, 1937, pp. 10-11.

Both the original and the reprint are without
authorship, but I am sure it lies between Arthur Clark
and Dalke.

Yours sincerely,

Aldo
