Dear Paul:

Paying Gastrow is, as usual, like pulling teeth. We started several weeks ago but now find that to meet the Civil Service regulations he has to make out a lot of blanks, so I will have to wait until Hawkins can go out and help him. You may be assured, however, that I will get his pay for him, and if no official official check can be gotten under way by early February I will make him a personal advance.

I am interested to hear of the good recovery of the Prairie du Sac quail. We likewise notice a very decided pick-up on all the other game areas.

Yours sincerely,

Aldo
