Dear Albert:

There will undoubtedly be a delay in getting your checks from the Conservation Department started. Hence I am sending you my personal check for \$40 to cover the month of November. When you get your official check you can reimburse me. I am sending a copy of this to Errington so that he will know that the winter's census work is started.

If you have not already been doing so, I wish you would record in your notebook the exact number of cottontails seen each day in the field.

Sincerely yours,

Aldo Leopold  
Professor of Wildlife Management
