Dr. Paul L. Errington
Iowa State College
Ames, Iowa

Dear Paul:

I would like to complete the Prairie du Sac census graph for class purposes through December, 1938. Can you get from Albert Gastrow a rough preliminary figure of the December population status? I can, of course, see him directly about this but since you have usually interpreted his field notes I would rather have your say-so on the matter.

Sincerely yours,

A handwritten signature in green ink that reads "Aldo Leopold". The signature is fluid and cursive, with a small "H" or similar mark at the end.

Aldo Leopold
Professor of Wildlife Management
