Mr. Albert J. Gastrow

Dear Mr. Gastrow:

The formal approval of your appointment under the Pittman-Robertson Bill went through recently and it is now sure that your official checks will be forthcoming, but it is not sure when. Can you get along without an additional advance from me if your official checks reach you by early April? If you cannot, let me know and I will send you an additional advance.

With best regards,

Yours sincerely,

Aldo Leopold
Professor of Wildlife Management
