Dr. Paul L. Errington  
Department of Zoology  
Iowa State College  
Ames, Iowa

Dear Paul:

Be sure to read McAtee's comments on the popular description of Prairie du Sac census which I put in the last issue of "What's New in Farm Science." McAtee's discussion occurs on pages 27-28 of the August, 1939, Wildlife Review. His comments bear on our proposed summary of Prairie du Sac.

Sincerely yours,

Aldo
